- 2.1 The academic activities of the University are regulated by the Academic Calendar approved by the Academic Council, and released at the beginning of each Academic Year. The Academic Calendar shall be prepared by the Dean (Academics), approved by the Academic Council, and announced at least one calendar month before the commencement of each Academic Year. It is mandatory for students and faculty to strictly adhere to the Academic Calendar for completion of academic activities.

A student who is eligible for registration, but fails to register for the concerned Semester within the specified dates and conditions prescribed in Clauses 3.1 to 3.7, shall be removed from the rolls for the concerned Semester and shall not be permitted to attend classes for the concerned Semester. Such a student shall have to register for the corresponding Semester in the next Academic Year.

3.9 *Mandatory Pre-Registration (Elective/Specialization/Open Courses) for higher Semesters:*

In order to facilitate proper planning of the academic activities of a Semester, it is essential for the students to declare their intent to register for an Elective/Specialization/Open Course well in advance, before the actual start of the concerned Semester, through the process of Pre-Registration, which is mandatory for all students of higher Semesters, as applicable. - 4.1 English shall be the medium of instruction and evaluation.
- 4.2 Any other language, if required for a specific Course (or Courses), shall be proposed by concerned Board of Studies and approved by the Academic Council and Board of Management of the University.

5.0 COURSE CREDIT STRUCTURE

The Credit Structure is used to define various types of Courses to provide for the appropriate pedagogy and methods of assessment and evaluation. The flexibility required to accomplish the Course learning objectives and outcomes can be provided for, while retaining a common framework for Credit allocation. More importantly, it is necessary to have a transparent, credible and robust system for planning, delivery and evaluation of each Course of the diverse Programs of study of the University.

- 5.1 The Credit Structure for defining and categorizing Courses is the L – T – P (Lecture – Tutorial – Practical) framework. The Course Credits are fixed based on the following norms:

Lecture / Tutorial: One (01) contact/classroom hour per week is assigned One (01) Credit.

Practical: Two (02) hours per week of practical/laboratory/field and other similar practice or skill development components, is assigned One (01) Credit.

Example:

A Course with L – T – P structure of 4 – 0 – 0 will be assigned 4 Credits.

A Course with L – T – P structure of 3 – 1 – 0 will be assigned 4 Credits.

A Course with L – T – P structure of 0 – 0 – 4 will be assigned 2 Credits.

A Course with L – T – P structure of 1 – 0 – 4 will be assigned 3 Credits.

- 5.2 Practical/Skill based Courses like Professional Practice, Internship, Project Work, Field visits, Dissertation, Seminar, and such similar Courses, and, the University Learning Courses, where the pedagogy does not lend itself to a typical L-T-P structure as defined in Clause 5.1, are simply assigned the number of Credits based on the quantum of work/effort required to fulfill the learning objectives and outcomes prescribed for the concerned Courses.
- 5.3 A student earns credits by satisfactorily completing Courses and other academic activities every Academic Term. The credits associated with a Course are dependent upon the number of hours of instruction per week in that Course. Similarly, the credit associated with any of the other learning activities is dependent upon the quantum of work expected to be put in for each of the other learning activities. In general, a certain quantum of academic work measured in terms of Credits is laid down as the minimum requirements for the award of a particular Degree.

6.0 PROGRAM REGULATIONS AND CURRICULUM; COURSE HANDOUT

- 6.1 The *Program Regulations and Curriculum* is a set of Program specific regulations, as applicable, and the Program Curriculum for the concerned Degree Program. The Program Regulations and Curriculum shall be recommended by the concerned Board of Studies for approval of the Academic Council and shall include the following details:

 - 6.2.4 Details regarding the components of Continuous Assessments and how each component shall be assessed.

However, on no account whatsoever, shall the minimum requirement of attendance be less than 65% of the classes actually conducted in every Course the student has registered for in the Academic Term. The student shall not be eligible for this special provision if she/he fails to produce authentic medical certificates and relevant documents in support of the medical exigency.
- 7.4 Provided further that if a student has been selected/nominated by State/National/International Organizations/Boards to represent the State and/or India in State/National/International Events/Competitions, the concerned student may be given relaxation in attendance requirement (in the Course(s) where there is a shortage) for the concerned period of absence by the Vice Chancellor on the recommendations of the Dean of the School concerned.

The student shall be given a placeholder grade "**NP**" (**Not Permitted**) (refer Section 8.0), to indicate that the student has not been permitted to appear for the End Term Final Examinations due to shortage of attendance during the Academic Term in the concerned Course(s).

7.7 Further, a student who has shortage of attendance (received placeholder grade "NP") in **ONLY ONE (01) Course** in the concerned Semester, shall be eligible to re-register for the concerned Course in the following Summer Term, subject to all the conditions stated in Clauses 15.4 and 15.5. **The student is cautioned that this may result in the loss of an Academic Year for the student.** It is the sole responsibility of the student to ensure that she/he earns the required mandatory credits as prescribed by the concerned Program Regulations and Curriculum.

7.8 Shortage of Attendance ("NP" grade) in MORE THAN ONE (01) Course in the concerned Semester:

7.8.1 A student with shortage of attendance (as specified in Clause 7.6) in **MORE THAN ONE (01) Course** in the concerned Semester, **shall not be permitted to appear in the End Term Final Examinations of ALL Courses** that the student had registered for in the concerned Semester, irrespective of the concerned student's attendance in the other Courses (other than the Courses in which the concerned student has shortfall of attendance) and performance in the other components of Continuous Assessments in all the Courses the student had registered for in the concerned Semester. 7.8.4 **The student shall have to repeat the concerned Semester in the next Academic Year and register for ALL the Courses in the concerned Semester** as prescribed by the concerned Program Regulations and Curriculum. The student is cautioned that this **shall result in the loss of an Academic Year for the student.**

7.8.5 Further, in case of any revision/change in the Program Regulations and Curriculum, the student who is repeating the concerned Semester (as specified in Clause 7.8.4 above), shall comply with revised/changed Program Regulations and Curriculum. If

required, an Equivalence Committee constituted by the Vice Chancellor, shall decide the equivalence of credits, as applicable, and/or, prescribe any additional Course(s)/ Credits(s), if required, to provide for the concerned student to complete the mandatory Courses and earn the minimum required credits as prescribed by the revised Program Regulations and Curriculum. It is the sole responsibility of the student to ensure that she/he completes the mandatory Courses and earns the minimum required credits as prescribed by the revised Program Regulations and Curriculum.

Example:

If a student has shortage of attendance (as prescribed in Clause 7.6) in more than ONE (01) Course in the 3rd Semester of the B. Tech Program in Academic Year 2017-18, the concerned student shall not be permitted to appear in the End Term Final Examinations at the end of the 3rd Semester. Further, the student shall be given placeholder grades “NP” in all the Courses registered for in the 3rd Semester. 8.0 ACADEMIC PERFORMANCE EVALUATION AND GRADING SYSTEM

- 8.1 The academic performance evaluation of a student in a Course shall be according to the University Letter Grading System based on the class performance distribution of the Course.
- 8.2 Academic performance evaluation of every registered student in every Course registered by the student is done through various components of Continuous Assessments spread across the Semester and including the End Term Final Examinations. The nature of components of Continuous Assessments and the weightage given to each component of Continuous Assessments, including the End Term Final Examinations shall be prescribed in the Program Regulations and Curriculum of the Program concerned.
- 8.3 Grading is the process of rewarding the students for their overall performance in each Course. The University follows the system of *Relative Grading* to classify the students based on their relative performance in the concerned Course. Grading shall be done at the end of the Academic Term by considering the aggregate performance of the student in all components of Continuous Assessments prescribed for the Course. Letter Grades shall be awarded to a student based on her/his overall performance relative to the class performance distribution in the concerned Course. These letter grades not only indicate a qualitative assessment of the student’s performance but also carry a quantitative (numeric) equivalent called the *Grade Point*.
- 8.4 The University follows the system of Letter Grades with associated Grade Points on a scale of 10. The Letter Grades and associated Grade Points along with a brief qualitative description are summarized in Table 1:

Table 1.
Letter Grades with Grade Points and Brief Qualitative Description

Letter Grade	Grade Point	Qualitative Description
O	10	Outstanding
A+	9	Excellent
A	8	Very Good
B+	7	Good
B	6	Above Average
C	5	Average
D	4	Pass
F	0	Fail
NE	0	Not Eligible
NP	0	Not Permitted
S	–	Satisfactorily Completed
NC	–	Not Completed
U	–	Audited Satisfactorily
I	–	Incomplete

8.5 Minimum Performance Criteria:

In a Program of study, where the concerned Program Regulations and Curriculum prescribes components of Continuous Assessments including an End Term Final Examination, (with the weightages/ marks associated for Continuous Assessments and End Term Final Examination) to evaluate performance in a Course, a student shall satisfy the following **minimum performance criteria** to be eligible to complete the concerned Course:

8.5.1 A student must obtain a minimum of 40% of the total marks/weightage assigned for Continuous Assessments (other than the End Term Final Examination) in that Course, AND,

8.5.2 The student must obtain a minimum of 30% of the total marks/weightage assigned for End Term Final Examination in that Course.

8.6 Refer Sub-Clause 8.5.1: A student failing to get the minimum requirement of 40% of the total marks/weightage assigned for components of Continuous Assessments (other than the End Term Final Examination), shall not be eligible to appear in the End Term Final Examination in the concerned Course. The student shall be given the grade “NE” (Not Eligible) as a placeholder grade in the concerned Course, to indicate that the student was not eligible to appear in the End Term Final Examination due to failure to obtain the minimum requirement of 40% of the total marks assigned for Continuous Assessments (other than the End Term Final Examination) in that Course.

8.7 A student who has received “NE” grade in a Course or Courses, due to failure to obtain a minimum of 40% of the total marks/weightage assigned for Continuous Assessments (other than the End Term

Final Examination), in the concerned Course(s), shall have to repeat the concerned Course(s) by re-registering for the Course(s) whenever the concerned Course(s) is(are) offered by the respective Department/School. Further, *the student is cautioned that she/he shall have to register for the Course(s) in which she/he has received the placeholder grade “NE” (as per Clause 8.6) only in the concerned Semester of the next Academic Year when the concerned Course(s) shall be offered, which may result in the loss of an Academic Year for the student.* It is the sole responsibility of the student to ensure that she/he completes the Course and/or earns the required credits as prescribed by the concerned Program Regulations and Curriculum.

8.8 Refer **Sub-Clause 8.5.2:** A student failing to get the minimum requirement of 30% of the total marks/weightage assigned for the End Term Final Examination shall be declared as “Failed” and given “**F**” Grade in the concerned Course, regardless of the marks obtained in the other components of Continuous Assessments in the concerned Course. The student shall have to re-appear in the “Make-Up Examinations” (refer Clause 14.3) as scheduled by the University, or, re-appear in the End Term Final Examination of the same Course when it is scheduled at the end of the following Semester or Summer Term, if offered. The marks obtained in the Continuous Assessments (other than the End Term Final Examination) shall be carried forward and be included in computing the final grade, if the student secures the minimum requirements (as per Clause 8.5.2) in the “Make-Up Examinations” of the concerned Course.

8.9 **Award of the “O” (Outstanding) Grade:**

The “O” grade stands for outstanding achievement, relative to the class, and utmost care shall be taken in awarding of this highest letter grade. However, as a general guideline the minimum cut-off marks for awarding the “O” grade in a Course shall be fixed as 85% of the total marks (aggregate of the marks assigned for components of Continuous Assessments, including the marks assigned for the End Term Final Examination).

8.10 **Declaration of the “F” (Fail) Grade:**

8.10.1 The “F” grade denotes failure in a Course due to very poor performance. As specified in Clause 8.8, failure to obtain at least 30% of the total marks/weightage in the End Term Final Examination in the concerned Course shall result in the declaration of “F” grade in that Course.

8.10.2 Further, if a student is absent for the End Term Final Examination of a Course, except under the conditions specified in Clause 14.2, the student shall be declared as “Fail” and given a “F” grade in the concerned Course.

8.10.3 In a Course where the performance evaluation and grading is based solely on the marks obtained in Continuous Assessments (i.e., the concerned Course does not have the End Term Final Examination component), failure to obtain a minimum of **35%** of the total marks (aggregate of the marks assigned for Continuous Assessments in the concerned Course) shall result in the declaration of the “F” grade in that Course.

8.10.4 The “F” grade is declared as a penalty on the student in the concerned Course(s) as per the recommendations of the Unfair Means and Malpractices Committee (UMMC) and subsequent approval of the Chairperson, Board of Examinations.

- 8.11 **Declaration of the Placeholder Grades “NP” (Not Permitted) and “NE” (Not Eligible):**
“NP” (Clause 7.6) and “NE” (Clause 8.6) are placeholder grades given in the concerned Course(s) to indicate that a student was not eligible to appear in the End Term Final Examinations of the concerned Course(s) and has not completed the concerned Course(s) as prescribed by the Academic Regulations of the University.
- 8.12 **Additional Grades with no Grade Points: “S”, “NC” and “U” Grades:**
- 8.12.1 “S” and “NC” grades are awarded for specific mandatory credit Courses as prescribed in the concerned Program Regulations and Curriculum.
 - 8.12.2 “S” grade (“Satisfactorily Completed”) denotes satisfactory performance and completion of a Course to earn the credits attached to the Course as specified in the concerned Program Regulations and Curriculum. The requirements for obtaining “S” grade in a particular Course shall be clearly stated in the Course Handout of the concerned Course.
 - 8.12.3 “NC” grade is given for “Non-Completion” of Course requirements in the concerned Course and the student will have to re-register for the Course until he/she obtains the “S” grade in the Course concerned to earn the mandatory credits associated with concerned Course.
 - 8.12.4 “S” and “NC” grades have no associated Grade Points and hence the associated credits are not included in the SGPA/CGPA calculations (refer Section 9.0).
 - 8.12.5 “U” grade (“Audited Satisfactorily”) is awarded in a Course that the student opts to register for Audit (refer Clause 3.10). It is not mandatory for the student to go through the entire regular process of evaluation for the concerned Course. However, the student has to satisfy the minimum attendance requirement, and, complete the minimal level of evaluation as prescribed by the Course Instructor and approved by the concerned DAC for securing the “U” grade, failing which, that Course will not be listed in the Grade Card given to the concerned student (refer Clause 8.14).
- 8.13 **Additional Placeholder Grade “I” with no Grade Points:**
“I” (Incomplete) Grade is a placeholder grade which denotes “incomplete performance” in any Course or Courses, due to one of the following conditions:
- 8.13.1 Absence at the End Term Final Examination solely due medical exigencies specifically hospitalization, trauma or contagious disease only, and gets replaced by an appropriate regular letter grade after the student completes the performance evaluation for the Course(s) concerned in the “Make-Up Examinations” (refer Section 14.0).

9.2 The performance of a student in a Semester is indicated by a number, **Semester Grade Point Average**. The SGPA is the weighted average of the grade points secured in all the concerned Courses registered by the student during that Semester. SGPA for a particular Semester is computed as follows:

$$\text{SGPA} = \frac{\sum_{k=1}^n [C_k \times G_k]}{\sum_{k=1}^n C_k}$$

where:

n is the number of Courses (with Letter Grades and Grade Points, including the Letter Grades F, NE and NP, which have zero grade points) registered by the student in the Semester concerned;

C_k is the Credits assigned to Course k and G_k is the Grade Point received by the student for the Course k .

- 9.3 The **Cumulative Grade Point Average** indicates overall academic performance of a student in all the Courses registered up to and including the latest completed Academic Term. CGPA is computed as follows:

$$\text{CGPA} = \frac{\sum_{i=1}^n [C_i \times G_i]}{\sum_{i=1}^n C_i}$$

where:

n is the number of **all the Courses** (with Letter Grades and Grade Points, including the Letter Grades F, NE and NP, which have zero grade points) **registered by the student up to, and, including the latest completed Semester/Academic Term;**

C_i is the Credits assigned to Course i and G_i is the Grade Point received by the student for the Course i .

- 9.4 The SGPA and CGPA are calculated to TWO decimal places.
