for end term examinations. The student must also obtain a minimum score in the end term examination to pass the examinations.

There are theory examinations as well practical examinations.

The academic performance evaluation of a student in a Course shall be according to the University Letter Grading System based on the class performance distribution of the Course.

Grading is the process of rewarding the students for their overall performance in each Course. The University follows the system of **Relative Grading** to classify the students based on their relative performance in the concerned Course. Grading shall be done at the end of the Academic Term by considering the aggregate performance of the student in all components of Continuous Assessments prescribed for the Course. Letter Grades shall be awarded to a student based on her/his overall performance relative to the class performance distribution in the concerned Course. These letter grades not only indicate a qualitative assessment of the student's performance but also carry a quantitative (numeric) equivalent called the Grade Point.

The University follows the system of Letter Grades with associated Grade Points on a scale of 10. The Letter Grades and associated Grade Points along with a brief qualitative description are summarized in Table:

<b>Letter Grade</b>	<b>Grade Point</b>	<b>Qualitative Description</b>
O	10	Outstanding
A+	9	Excellent
A	8	Very Good
