Online Education

| 1. Does all programs/courses were completed on time. | Yes | | |
|---|--|---|--|
| 2. Measures taken to complete the syllabus of courses and programs. | All courses of the University have a well-structured curriculum with stipulated time dedicated for each of the modules. This ensures that sufficient time is devoted to the respective topics by the faculty members. The shift in the teaching scenario from offline face-to-face mode to the virtual, online mode during the pandemic has encouraged the University to take novel measures to attain academic flexibility and reach out to the students in best ways possible. The University uses different portals and platforms for effective curriculum delivery. These include cloud-based software such as Google classroom, Zoom class, Google meet to conduct lectures, and applications like Google forms, Exam.net for tests and evaluation. Along with the online delivery of lectures, students are regularly provided with online study material including notes, e-books, videos, demonstration of practical and training sessions to improve their competency. Assignments are given and evaluated at regular periods after completion of a particular module. Timely tests and examinations are conducted without delay as per the University approved academic calendar. In this way, the University prioritizes curriculum delivery of the offered courses and programmes in an effective and a well-timed manner. | | |
