Report on Alumni Talk by Mr. Syed Sufyan

“Study Abroad in Canada and PR Opportunities”

Date: Friday, May 12

Time: 1:30 PM

Venue: F Block Seminar Hall

Organizers: FORCE - Forum of Civil Engineering and Department of Civil Engineering, School of Engineering, Presidency University, Bengaluru

Introduction:

On Friday, May 12, the Department of Civil Engineering, School of Engineering at Presidency University, Bengaluru, organized an alumni talk event featuring Mr. Syed Sufyan, a distinguished alumnus of the department. The talk, titled "Study Abroad in Canada and PR Opportunities," aimed to provide valuable insights and guidance to the students of the 4th and 6th semesters of Civil Engineering. Mr. Syed Sufyan, currently pursuing his Master's degree at Toronto Metropolitan University, formerly known as Ryerson University, in Canada, shared his experiences and knowledge about studying abroad and the potential opportunities for Permanent Residency (PR) in Canada.

Event Overview:

The event took place in the F Block Seminar Hall, starting at 1:30 PM. Mr. Syed Sufyan, was formally introduced to the audience by Mr. N. Gopalakrishnan. The organizers, FORCE - Forum of Civil Engineering, and the Department of Civil Engineering, facilitated an engaging environment for students to learn from the experiences of their accomplished alumnus. The session lasted for approximately one and half hours, including a presentation by Mr. Syed Sufyan followed by a question-and-answer session. About 60 students attended the session and took benefit. Faculty in attendance included Mr. N. Gopalakrishnan, Dr. Nakul Ramanna, Ms. Anju Mathew, Mr. Ajay M H and Mr. Dayalan J. Vote of thanks was given by Ms. Prerana R, final year student in the department.

Presentation Highlights:

Mr. Syed Sufyan's presentation covered various aspects of studying abroad in Canada and the opportunities for securing Permanent Residency. He shared his personal journey, from his undergraduate studies at Presidency University to his current pursuit of a Master's degree in Canada. Key highlights from the talk included:

Introduction to Canada as a Study Destination: Mr. Sufyan provided an overview of the Canadian education system, highlighting its quality, diversity, and global recognition. He discussed the benefits of studying in Canada and the positive impact it can have on one's academic and professional

PRESIDENCY

growth.

Admission Process and Scholarships: The presentation covered the application process for Canadian universities, including tips on preparing a strong application, securing scholarships, and meeting the necessary requirements. Mr. Sufyan shared his own experiences and provided guidance on how to navigate the admission process effectively.

Academic Life and Research Opportunities: Mr. Sufyan shed light on the academic environment in Canadian universities, emphasizing the importance of research and its role in enhancing career prospects. He discussed the various research opportunities available to students in the field of Civil Engineering in Canada.

Employment and PR Opportunities: The talk addressed the potential career prospects and job opportunities for international students in Canada. Mr. Sufyan shared insights into the Canadian job market, work permits, and the process of obtaining Permanent Residency. He discussed the pathways available for international students to transition from study permits to work permits and eventually securing PR status.

Question-and-Answer Session:

Following the presentation, an interactive question-and-answer session was conducted. Students had the opportunity to seek clarifications and further insights from Mr. Sufyan regarding their concerns, including application processes, scholarships, work opportunities, and the overall student experience in Canada.

Summary:

The alumni talk event conducted by Mr. Syed Sufyan on "Study Abroad in Canada and PR Opportunities" was a highly informative and beneficial session for the 4th and 6th semester Civil Engineering students at Presidency University. By sharing his personal experiences and knowledge, Mr. Sufyan inspired the students to consider international education opportunities in Canada and provided valuable guidance on navigating the admission process, academic life, research prospects, and potential pathways to Permanent Residency. The event was a great initiative by FORCE - Forum of Civil Engineering and the Department of Civil Engineering, fostering a strong alumni-student connection and promoting global educational aspirations among the students.
