Department of Petroleum Engineering

About the Event:

The objective of this Alumni – Student Interaction session was to prepare the B.Tech. Petroleum Engineering students for the GATE Examination.

At the outset, Mr. Gopikrishnan B., shared his memories of student life at Presidency University and later shared his experience of preparing for the GATE 20202 Exam. Overall, the session was interactive and students felt benefitted from the event. Dr. Suman Paul, Head of the Department of Petroleum Engineering, also interacted with the alumnus and the students during the event.

Letter of Acknowledgement

Date: 07-08-2020

To,
Mr. Gopikrishnan B.,
Alumni of 2019 Batch (Petroleum Engg.)

Dear Mr. Gopikrishnan,

On behalf of the Department of Petroleum Engineering, I extend my heartfelt appreciation for your active participation and valuable insights shared during the "Unlock GATE" Alumni-Student Interaction Session held on 5-Aug-20. Your presence has made a significant impact on our current students as they prepare for the GATE examination.

Your willingness to share your time, experiences, and expertise has proven to be an invaluable asset for our aspiring GATE candidates. The guidance and advice you provided during the session were incredibly enlightening and motivational. Your journey from being a student at Presidency University (PU) to achieving success in the GATE examination serves as a powerful example for our current students, inspiring them to aim higher and work diligently towards their goals.

The interactive nature of the session allowed our students to engage with you directly, and they greatly appreciated your approachability and readiness to address their queries. Your responses provided them with practical tips and strategies to tackle the challenges they might encounter during their GATE preparation.

We have received overwhelmingly positive feedback from the students who attended the session. They expressed their gratitude for the invaluable insights you shared, which have undoubtedly boosted their confidence and reaffirmed their determination to excel in the upcoming examination.

As an esteemed alumnus of PU, your continued involvement and support are a testament to the strong bond that exists within our alumni community. Your dedication to giving back and contributing to the growth of the current generation of students reflects the values we strive to instill in all our graduates.

We hope that you found the "Unlock GATE" Alumni-Student Interaction Session rewarding as well. Your engagement not only made a difference in the lives of our students but also added immense value to the overall event. Please know that your contributions are highly valued and cherished by our institution. We look forward to continuing this collaboration and organizing more such meaningful interactions in the future.

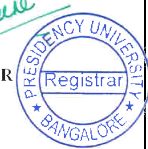

Once again, thank you for your generosity, time, and unwavering support. Our doors are always open to you, and we eagerly await further opportunities to engage with you.

Wish you all the best for future endeavors.

To,
Mr. Madeneni Vamsi Krishna Naidu,
Alumni of 2020 Batch (Petroleum Engg.)

Dear Mr. Vamsi Krishna Naidu,

On behalf of the Department of Petroleum Engineering, I would like to extend my heartfelt gratitude for your participation in the virtual Alumni-Student Interaction Session (Condave 1.0) held on 29-Sep-21. Your presence and active involvement made the event truly memorable and impactful for our current students.

Your willingness to share your experiences, insights, and journey since graduating from Presidency University (PU) proved to be an invaluable resource for our aspiring students. Your candidness in discussing the challenges you faced and the strategies you employed to overcome them has undoubtedly inspired the attending students, motivating them to strive for excellence in their academic and professional pursuits.

We received overwhelmingly positive feedback from both the students and faculty members who attended the session. Your ability to connect with the students personally and address their queries with patience and thoughtfulness was commendable. By sharing your post-graduation experiences and the lessons you've learned, you have provided our students with practical guidance that will undoubtedly help shape their future careers.

Through the continued support and active engagement of alumni like yourself, we can foster a strong and vibrant community at PU. Your willingness to give back and contribute your time and expertise toward the growth and development of the next generation of PU graduates is deeply appreciated.

We hope that you enjoyed the interaction session as much as the students did and that you felt a sense of pride and nostalgia as you revisited your alma mater. Please know that our doors are always open for you, and we would be delighted to have you participate in similar events in the future or explore any other avenues where your valuable insights and experiences can make a difference.

Once again, thank you for making the Alumni-Student Interaction Session a resounding success. We are immensely grateful for your continued support and look forward to staying connected with you.

Wish you all the best for future endeavors.

Letter of Acknowledgement

Date: 27-09-2021

To,
Ms. Mariam Susan Mathew,
Alumni of 2021 Batch (Petroleum Engg.)

Dear Ms. Mariam,

On behalf of the Department of Petroleum Engineering, I extend my heartfelt appreciation for your active participation and invaluable insights shared during the "PetroTalk" Alumni-Student Interaction Session on "Resume Building and Interview Preparation Strategy" held on 26-Sep-21. Your expertise and guidance have been instrumental in empowering our students to navigate their career paths with confidence.

The "PetroTalk" session on resume building and interview preparation was an enriching experience for our students, thanks to your generous contribution. Your willingness to share your expertise and personal experiences in these crucial aspects of professional development has proved immensely valuable for our aspiring young professionals.

Your comprehensive discussions on crafting impactful resumes, highlighting key skills, and presenting accomplishments effectively have equipped our students with the necessary tools to stand out in the competitive job market. Additionally, your insights on interview techniques, handling common interview questions, and showcasing confidence have helped instill self-assurance in our students as they approach job interviews.

We have received overwhelmingly positive feedback from the students who attended the session. They expressed their gratitude for the practical advice you provided, which deepened their understanding of the importance of a well-crafted resume and a confident interview demeanor. Your interactive approach during the session created a conducive learning environment, encouraging our students to actively participate and seek personalized guidance.

As an esteemed member of our alumni community, your active involvement in events like "PetroTalk" showcases the strong bond and support that exists within our network. Your dedication to giving back and supporting the professional growth of our current students exemplifies the values we strive to instill in all our graduates.

We hope to have the pleasure of collaborating with you again in the future. Please know that our doors are always open to you, and we eagerly look forward to more opportunities to engage with our esteemed alumni. Once again, thank you for your generosity, time, and unwavering support.

Wish you all the best for future endeavors.

To,
Mr. Joseph Varghese,
Alumni of 2019 Batch (Petroleum Engg.)

Dear Mr. Joseph,

On behalf of the Department of Petroleum Engineering, I extend my sincere gratitude for your active participation and invaluable insights shared during the "PetroTalk" Alumni-Student Interaction Session on "Building Resume and Interview Preparation Strategy," held on 19-Feb-22. Your dedication to empowering our current students has been truly inspiring.

The "PetroTalk" session on resume building and interview preparation was an enlightening experience for our students, and it would not have been possible without your generous contribution. Your willingness to share your knowledge, expertise, and personal experiences in these critical aspects of career development has had a profound impact on our aspiring young professionals. Your comprehensive discussions on crafting compelling resumes, tailoring them to specific job roles, and effectively presenting skills and achievements have equipped our students with valuable tools to impress potential employers. Additionally, your insights on interview techniques, handling challenging questions, and projecting confidence have instilled greater self-assurance in our students as they approach job interviews.

The interactive and engaging nature of the session allowed our students to seek personalized guidance and advice from you. They greatly appreciated your approachability and the genuine interest you showed in their career aspirations. Your willingness to address their queries with patience and care has left a lasting impression on their minds. We have received overwhelmingly positive feedback from the students who attended the session. They expressed their gratitude for the practical advice and real-world insights you provided, which have deepened their understanding of the job application and interview processes. Many students mentioned that your guidance has boosted their confidence and inspired them to put their best foot forward in their job search.

As a cherished member of our alumni community, your active involvement in events like "PetroTalk" reinforces the strong sense of camaraderie and support within our network. Your commitment to giving back and nurturing the next generation of professionals aligns perfectly with the values we strive to foster at Presidency University (PU).

Once again, thank you for your generosity, time, and unwavering support. Our doors are always open to you, and we eagerly await further opportunities to engage with you.

Wish you all the best for future endeavors.

Steps to Prepare Yourself

Tips and Takeaways

1. Choose your program wisely by making decisions based on your niche or interests.
2. Study the place, its market, jobs in demand and immigration requirements in case you plan on working there in the future.
3. Find the right University and appropriate scholarships associated with your program or origin.

To,
Mr. Hyder Abbas Abdul Kareem,
Alumni of 2019 Batch (Petroleum Engg.)

Dear Mr. Hyder,

On behalf of the Department of Petroleum Engineering, I extend my heartfelt appreciation for your active participation and valuable insights shared during the "PetroTalk" Alumni-Student Interaction Session on IELTS preparation strategy and pursuing a Master's abroad held on 26-Mar-22. Your expertise and guidance have had a profound impact on our current students and their approach towards the IELTS examination.

The "PetroTalk" session on IELTS preparation was an invaluable opportunity for our students to benefit from your knowledge and experiences. Your willingness to share your journey in preparing for the IELTS exam and achieving success has served as an inspiration for our aspiring young scholars.

Your insightful discussions on various aspects of IELTS preparation, including study techniques, time management, and test-taking strategies, have provided our students with practical guidance to excel in their language proficiency assessment.

We have received glowing feedback from the students who attended the session. They expressed their gratitude for the clarity with which you presented the information and your thoughtful responses to their queries. Your interactive approach encouraged our students to actively engage in the session and left them feeling more confident in their IELTS preparation journey.

As a valued member of our alumni community, your active involvement in events like "PetroTalk" reflects the strong bond and camaraderie within our network. Your dedication to giving back and supporting the academic growth of our current students reflects the core values of our institution.

We hope to continue collaborating with you in the future. Please know that our doors are always open to you, and we eagerly look forward to more opportunities to engage with our esteemed alumni.

Once again, thank you for your significant contribution to the "PetroTalk" Alumni-Student Interaction Session on IELTS preparation. Your insights have undoubtedly left a lasting impact on our students and will continue to guide them in their pursuit of academic and professional excellence.

Wish you all the best for future endeavors.
