**A BRIEF REPORT ON WEBINAR
ORGANIZED BY
RESEARCH CLUB OF SCHOOL OF LAW PRESIDENCY UNIVERSITY ON
“CYBER STALKING”
ON 30 OCT 2021.**

Coordinators:

1. PROF. AMLANIKA
- 2 DR. RAMYA

Speaker:

MS. AFRA
Alumni, School of Law

❖ **Introduction:**

The "Cyber Stalking Awareness Webinar" was a crucial event organized Research Club, School of Law, Presidency University to raise awareness about the growing threat of cyber stalking and its impact on individuals, families, and communities. Held at NG01, the webinar aimed to educate participants about the dangers of cyber stalking, provide practical tips for online safety, and promote a safer digital environment for everyone.

❖ **Keynote Address:**

The webinar commenced with a powerful keynote address by Ms. Afra, a cyber-security expert and advocate for online safety. The keynote speaker highlighted the alarming rise in cyber stalking incidents and underscored the importance of digital literacy and responsible online behavior.

❖ **Understanding Cyber Stalking:**

A comprehensive session provided an in-depth understanding of cyber stalking, its forms, and the tactics used by perpetrators to harass and intimidate their victims online. Legal experts shed light on the legal definitions of cyber stalking and the laws in place to combat this cybercrime. The webinar focused on the profound emotional, psychological, and social impact of cyber

stalking on victims. Real-life case studies were presented, illustrating the distressing experiences of individuals targeted by cyber stalkers. This segment aimed to foster empathy and understanding among participants. Participants were educated on practical digital safety measures to protect themselves from cyber stalking and online harassment. Cyber security professionals shared tips on securing social media accounts, managing online privacy settings, and recognizing signs of potential cyber stalking. A crucial aspect of the event was empowering victims and witnesses to take action against cyber stalking. The webinar provided information on reporting incidents to law enforcement and relevant online platforms. Resources and support services available to victims were also highlighted, encouraging participants to seek help without hesitation.

❖ **Conclusion:**

The "Cyber Stalking Awareness Webinar" proved to be a highly impactful and educational event. Participants left with a heightened awareness of the dangers of cyber stalking and the importance of safeguarding their online presence. The webinar fostered a sense of responsibility among attendees to create a safer digital environment for themselves and others. By promoting awareness, knowledge, and preventive measures, the event contributed to the collective effort to combat cyber stalking and online harassment. Participants were inspired to share the knowledge gained from the webinar with their communities, thereby expanding the reach of the cyber stalking awareness campaign. The impact of the webinar is expected to extend beyond the event, as participants carry their newfound knowledge and insights into their personal and professional lives.
