Event Organized on: /Offline Venue: MF12 SOM

Organized For: MBA II Sem Students

**Resource Person: 1. Mr. Subhash Gowda

Introduction:

On May 25th, 2023, the Business Analytics Club of Presidency University, known as LOGICVERSE, organized a highly anticipated inaugural session. This event not only made a benchmark by giving our club a logo, but also centred around the “Interview questions and the experiences” of our two seniors, namely Mr. Prajwal and Mr. Subhash Gowda. The event aimed to provide an ice-breaking introduction to the club members along with the valuable insights from our speakers. They talked and discussed about the days when they were job seekers and gave us the confidence for job hunting.

Event Highlights:

Prior to the Inaugural session, we announced our first Activity, “Logo Quest” where we were seeking for the best suited logo for our club. We received a number of entries, making it tough for us to choose one. Ultimately, on the day of our Activity we announced Mr. Vikash Sahu, our fellow classmate as the winner and chose his designed logo as the face of our club.

LOGICVERSE also invited two of our accomplished **ALUMNI Subhash Gowda and Prajwal P K** who have gotten into great companies via university placements. They graciously shared their personal experiences and insights regarding the interview process they have faced. Their presence at the event generated significant interest among the members and in the

coordinators. The event commenced with an opening, addresses by the Club Secretary, followed by a brief introduction by our faculty in charge, Dr. Krishna Durbha about our guest speakers. Mr. Prajwal and Mr. Subhash Gowda then took the stage, individually presenting their interview journeys, challenges faced and strategies employed to overcome obstacles. Following that, a lively interactive session took place, allowing the members to ask questions and seek advice from our speakers. This interactive atmosphere fostered networking opportunities and encouraged attendees to connect with one another.

In conclusion, the activity organized by LOGICVERSE' Office Bearers, was a resounding success. The event drew a large and engaging audience. The insights gained from our seniors, combined with the interactive session and networking opportunities, proved to be immensely beneficial for all of us.
