

Management Development Programmes

Overview

Presidency University, Bangalore conducts Management Development Programs in various areas including Goods and Services Tax (GST), General Financial Rules (GFR), Government e-Market place (GeM), Indian Accounting Standards and IFRS Accrual Accounting, Managerial effectiveness and Leadership, Cost Management, Financial Management, Big Data and Business Analytics, Sales and Marketing skills, Finance for Non-Finance Executives, Strategic Management and other training programs.

In addition to regular in house programmes (Please refer our programme calendar), customized training programs are also offered which is designed in collaboration with client organizations at a mutually convenient date and venue.

Faculty and pedagogy

Faculty consists of both in house professors and industry experts including senior level Government officials, eminent professors from reputed institutions and practicing professionals from all over India.

The participants' experience sharing forms a vital part of the pedagogy opted for the MDPs. The idea is to bring into the classroom the varied and rich experience of participants through discussions/group exercises, and presentations by participants. The knowledge and insights gained as a result of such sessions have immediate applications for problem solving (real issues/challenges that participants are involved in) resulting in tangible benefits for the participants as well as the sponsoring organization

MDP Advisory Committee

Our course contents are devised by MDP Advisory Committee consisting of eminent Professionals and Senior Level Government Officials which updates our contents on regular basis to meet the latest industry requirements
