## Revised Dates of ICDE 2020 November 27-28, 2020

Respected All,

This is to keep you informed that in the wake of COVID 19 outbreak Government of India, Ministry of Health has issued a circular to cancel all Conferences, Workshop and seminar (Attached please see).

As the organizer of 3<sup>rd</sup> International Conference on Digital Entrepreneurship (ICDE2020), we had no option but to comply and reschedule ICDE 2020 on **November 27-28, 2020**. The same has received the approval of VC, Dr. Radha Padmanabhan, Presidency University.

It is our duty to keep you as well as all the aspiring participants (70+ paper Presenters of which many have paid their registration fees, Speaker, Journal Editors and Guests) informed about the postponement and the revised dates of the ICDE 2020.

I am sure the authors and guests are health conscious individuals. Please note that, **we not cancelling the programme, but rescheduling** to enhance and uphold the quality of our deliberations.

As I always say – ‘Problems are Mothers of Opportunity’. I think this postponement brings a new opportunity to researchers and faculty an extra six months to revisit, refine and sharpen their thoughts.

Please start intimating all the stakeholders of the conference, be it authors, editors, sponsors, and guests about the revised dates of the ICDE 2020.

Once again, we are extremely grateful for your understanding and support.

Kindest Regards

---
