## CIRCULAR

### Sub: Fee payment through ERP Portal

Students are instructed to remit their fee through ERP portal at <https://my-pgi.com/KnowledgePro/StudentLogin.do> which will ease the process of automatic receipt generation and course registration.

It has been observed that some students have remitted their fee through NEFT/ RTGS directly into Federal Bank Account Number of the University. If the fee is paid through NEFT/ RTGS directly into Federal Bank Account Number, then the receipt will be raised only on receiving the UTR details from the students concerned. Course registration could be done only after the receipt is raised / issued. This will delay the process of course registration. Hence, hereby all the students, who have remitted their fee through NEFT/ RTGS directly into Federal Bank Account Number of the University, are directed to share their UTR details along with their name and Registration Number immediately with any one of the following 3 University Officials.
