Dear students,

Sub: Important Cybersecurity Awareness Program Enrollment

Presidency University promotes comprehensive cyber hygiene through awareness programs, workshops, and official policies. As a part of this process, please do go through the website: <https://staysafeonline.in/> and understand the initiatives taken by our country towards cyber security. One such programme that you must enroll and attend as a student is: Protecting yourself from Cyber Crime to be held on November 14, 2025 <https://staysafeonline.in/awareness-series>

Students are encouraged to enroll for the programme and also ensure that you take the pledge <https://staysafeonline.in/pledge>

Let us all together work to promote a proactive cybersecurity mindset thus contributing to a safer digital environment for the entire world.
