DEPARTMENT OF STUDENT AFFAIRS

## INTRODUCTION TO THE DSA

Welcome to the Department of Student Affairs, the beating heart of our campus community! As a central element within our educational institution, DSA has a diverse mission that goes beyond traditional academics. Our commitment is to create an environment that empowers students to excel not only academically but also as well-rounded, resilient individuals prepared for success in an ever-changing world. The Department of Student Affairs is focused on enriching the college experience, building a supportive and engaging community, and preparing students for the challenges and opportunities that lie ahead. Under the DSA umbrella, you'll find NSS, NCC, Sports, Counseling, Discipline, Cultural, Rotaract, and 44 clubs and societies where students can immerse themselves in a wide array of extracurricular activities.

We invite you to explore the numerous opportunities and services we provide, and we eagerly anticipate joining you on your journey of growth and self-discovery throughout your time at our institution.

# OUR VISION

Within the Department of Student Affairs, we imagine a vibrant and all-embracing campus community that motivates and equips

students to emerge as the leaders of the future. Our objective is to nurture an environment where every student is empowered to reach their utmost potential, not just in academics, but also in their personal, social, and professional spheres. In the pursuit of this vision, the Department of Student Affairs is firmly dedicated to upholding excellence, fostering innovation, and promoting collaboration. We aim to be a guiding influence that shapes not only the college experience but also the prospects of our students. Our ultimatum is to ready students to lead, thrive, and leave a positive imprint on the world they are destined to inherit.

# OUR MISSION

The Department of Student Affairs is committed to cultivating a dynamic and welcoming campus environment that promotes the personal, social and academic growth of each student. Our purpose is to deliver a wide range of assistance, resources, and possibilities that enable students to thrive in their academics, participate in various activities, and evolve into balanced, accountable individuals.

# OBJECTIVES

## Comprehensive Personal and holistic Growth

# THE CLUB COMPASS

Gear up to dive deep into the heart of campus life—our clubs. The 44 clubs of Presidency University are the vibrant threads that weave our campus community together.

From enthusiastic events to proud achievements, every club tells the tale of creativity, collaboration and joy.

The social clubs that include NSS, NCC, Rotaract, Women empowerment and environment cell inculcates a sense of selflessness and shape the Young Minds in Contributing to society.

Dance, music, fashion, design, and theatrical society, under the cultural clubs unravel the hidden talents of future artists.

The power of literary insights are unlocked through the literary clubs. Art and sketch, debate society, entrepreneurship cell, toastmasters, presidency talks, quiz, and Kannada clubs aid this.

The secret of Presidency having skilled techies is none other than the technical clubs that include IGSN, SDG and ENSAV, club siding with sustainable development, gaming, aerospace, photography, graphics, animation and different computer science clubs.

Meet the future of the Indian team—the sports club. Cricket, Football, Basketball, Volleyball, Throwball, Badminton, Kabaddi, Martial arts and self defence discover the strength, skills and sportsmanship of young minds.

It is tightly said by Aristotle - "Knowing yourself is the beginning of all wisdom," and our life skills club that includes culinary, health wellness and fitness, yoga and meditation and the mind blossom clubs, is a complete guide in the journey of communication, management, intelligence, self-development and mental health.

## **Message from the Dean**

*As the Assistant Dean of Student Affairs, I am committed to ensuring that your university 1 experience is not only academically enriching but also personally fulfilling and memorable. Student Affairs plays a pivotal role in supporting your holistic development outside the classroom. From providing guidance and resources for your extracurricular pursuits to fostering a vibrant campus community through various events and activities, our team is here to help you make the most of your time here. As we embark on this journey together, I encourage you to take advantage of the many opportunities available to you. Whether it's joining a student club, or participating in community service initiatives, or attending campus events, or playing sports, I urge you to explore and engage with the diverse array of experiences that our university has to offer.*

*Additionally, I want to reassure you that your well-being remains a top priority for us. If you ever find yourself facing challenges or in need of support, please don't hesitate to reach out to the Student Affairs office. # Fun learning for personal growth

Presidency University brings you to a whole new world of "learning through fun", where the magic of personal growth unfolds!

We aim at providing a platform for students to discover their inner potential, unleash their talents, develop personality and improvise their skills through various interactive and joyful activities. The development of communication and interpersonal skills were achieved through healthy group discussions.

The importance of yoga for body and mindfulness were achieved through various refreshing yoga sessions,. Along with soft and life skills, we also aim at enhancing the technical knowledge of students through industrial visits and understand the various concepts of satellite and space missions.

# THE HEARTBEAT OF OUR CAMPUS

Sports competitions, cultural competitions and technical fests are an integral part of the institute which help initiate teamwork, camaraderie and network among students.

We aim at developing skills, promote personal growth, and encourage networking, community engagement, leadership, and teamwork through a variety of dynamic events, including intense sports competitions, captivating cultural performances, and innovative technical fests.

These events contributed to personal growth of the students by boosting self-confidence, encouraging self-expression, and nurturing cultural appreciation. Participants expanded their networks, paving the way for future opportunities, and became aware of emerging trends and technology.

In every corner of our vibrant campus, these events ignited the spirit of learning, creativity, and growth. Together, they painted a mosaic of experiences that truly make our university a place of inspiration, connection, and endless possibilities.

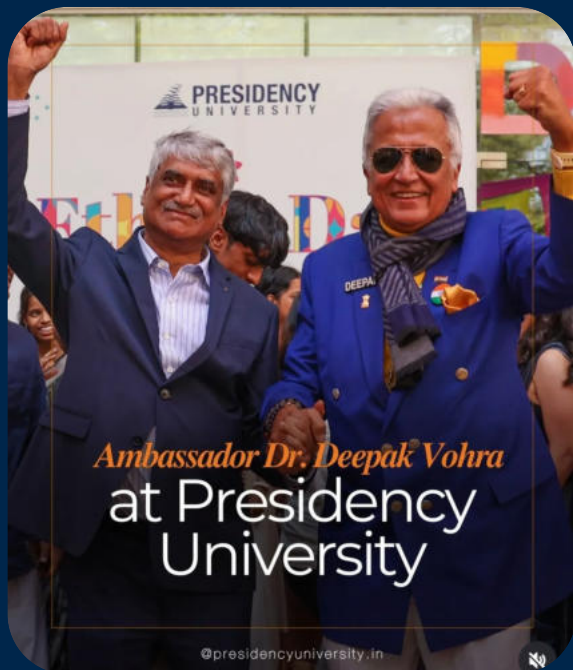

# ETHNIC DAY

# ETHNIC DAY

- Presidency University (located in Bengaluru, Karnataka) organised an “Ethnic Day” on 22 February 2025 on its DSA lawns.
- This event celebrated cultural diversity: traditional attire, dance, music, art from various ethnic communities.
- Ambassador Deepak Vohra was a guest at this event, and his presence was described as “adding prestige to the occasion” emphasising “unity and ethnic harmony in a globalised world.”
- Additionally, social media posts from the university mention that he interacted with students during the Ethnic Day celebrations.

- Having a distinguished diplomat like Ambassador Vohra at a cultural-event such as Ethnic Day signals the institution’s emphasis not only on academic excellence, but also on global citizenship, cultural sensitivity and inclusivity.
- His career spanning multiple countries and cultures brings authenticity to the theme of “ethnic harmony” and “cultural diversity”.
- For students, interacting with such a figure provides exposure to international perspectives beyond the typical campus scenario.

# STUDENT COUNSELLING

The Student Counseling Cell at Presidency University is dedicated to fostering students' holistic development and preparing them for real-world challenges by addressing mental abilities. Recognizing the impact of unresolved obstacles on various aspects of students' lives, the Cell aims to provide a supportive environment to overcome burdens and achieve life goals. Its primary focus is on enhancing self-esteem, reducing anxiety, and strengthening coping mechanisms to improve social and community functioning. Through supportive psychotherapy, students receive assistance in managing mental health conditions, ensuring their overall wellbeing and success.

## How does a Student Counselor help the students

- Provide confidential, non-judgmental and empathetic counseling to college students.
- Assess students' mental health concerns and develop appropriate treatment plans.
- Maintain accurate and up-to-date records of each counseling session.
- Maintain confidentiality and adhere to ethical guidelines and legal requirements
- Continuously update their knowledge and skills through professional development activities to provide the students' best in support needed.

# NSS

The NSS (National Service Scheme) Club of Presidency University is a dynamic platform where students come together to serve society and develop a strong sense of social responsibility. Guided by the motto "Not Me, But You," the club encourages students to engage in meaningful community service while nurturing leadership, empathy, and teamwork.

Throughout the year, NSS volunteers organize and participate in activities such as blood donation drives, health camps, cleanliness and plantation drives, awareness campaigns, and educational outreach in underserved communities. The club also plays an active role in observing national days and supporting government initiatives like Swachh Bharat Abhiyan and International Yoga Day.

By participating in the NSS Club, students step beyond the classroom to make a tangible impact, becoming responsible citizens and future leaders committed to positive change. The club continues to be a strong pillar of community engagement within the university.

Our commandos emerge from the NCC with a fearless mindset and tactical expertise. The NCC's emphasis on character development ensures that both daredevils and commandos imbibe qualities such as integrity, perseverance, and a sense of duty. These values become the foundation upon which their future endeavors are built. Our cadets have brought great honour to our universities through their remarkable achievements in various endeavours.

# INVINCIA 2024

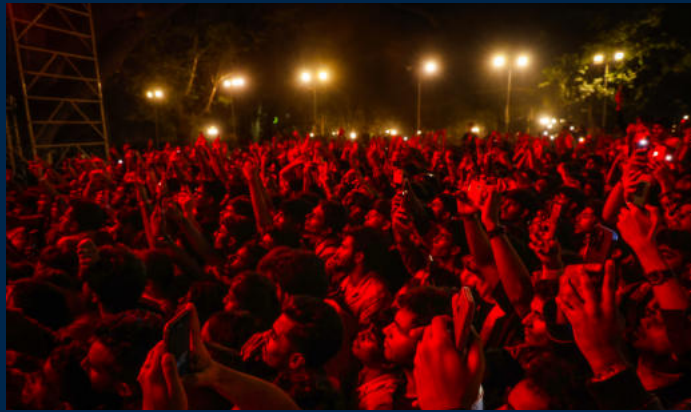

***Invincia 2024, the most talked-about cultural extravaganza in Bengaluru, once again has been a memorable experience for the students, both from the hosting campus and other institutions. The event took place over two days on May 24–25 at the grand lawns of Presidency University.***

The beautiful University campus looked even more resplendent during Invincia, with decorations and special lighting that adorned the premises. Invincia 2024 featured more than 40 activities, including dance performances, singing competitions, fashion shows, and street plays. The evenings were highlighted by captivating musical performances to an energetic audience of over 20,000 on each day!

On the first evening, namma Bengaluru boy Rahul Dit-O made the crowd groove to his hit Kannada numbers, followed by the entry of Bollywood singing sensation Dhvani Bhanushali, who set the stage on fire with her scintillating performance, and with the slight drizzling, the students couldn't have asked for a better atmosphere.

# ORIENTATION OF NON-ENGINEERING STUDENTS

Embarking on a New Journey: Your First Day at Presidency!

The campus buzzed with anticipation on July 16th as we warmly welcomed our new non-engineering students. This crucial orientation day was meticulously designed to provide a seamless transition into university life. From navigating academic pathways and understanding vital campus resources to getting acquainted with our diverse community, freshers received a holistic introduction to their exciting journey ahead. Our dedicated faculty and senior students were on hand to answer questions, share insights, and ensure every new face felt right at home. It was the perfect 'Aarambh' for a promising academic career!

# ORIENTATION OF ENGINEERING STUDENTS

**Igniting Innovation: Engineering Futures Begin Here!**  
Presidency University proudly opened its doors to the next generation of innovators and problem-solvers on July 31st with a comprehensive orientation tailored specifically for our new engineering students. This pivotal day set the stage for academic excellence and future-proof skills development. Attendees explored cutting-edge lab facilities, met pioneering faculty members, and gained invaluable insights into their respective engineering disciplines. The energy was palpable as aspiring engineers connected, fostering a sense of camaraderie that will fuel countless projects and breakthroughs in the years to come.

# ACHIEVER'S DIALOGUE

# INDEPENDENCE DAY

## Where Edge Meets Elegance

*Saluting Our Nation: A Day of Patriotism and Pride!*

Presidency University united on August 15th to commemorate India's Independence Day with profound reverence and patriotic fervor. The campus turned into a sea of tricolor as students, faculty, and staff gathered for a heartfelt flag-hoisting ceremony graced by esteemed dignitaries including the Hon'ble Chancellor, Dr. Nissar Ahmed, and Vice-Chancellor, Dr. Anubha Singh, alongside Chief Guest, Mr. Rakesh Singh (ex-chairman of the Bengaluru Development Authority). Inspiring speeches celebrated our nation's rich history, sacrifices, and democratic values, reminding everyone of their role in building a brighter future. Cultural performances, including patriotic songs and dances, added to the celebratory spirit, reinforcing the bonds of unity and national pride that run deep within our community.

## 2024-2025

Presidency University observed the 78th Independence Day with immense fervor, transforming the campus into a magnificent display of national pride. The atmosphere was charged with patriotism as the NCC cadets performed a grand, disciplined parade, setting a powerful and inspirational tone for the day. Students showcased India's rich cultural tapestry by presenting colorful attire representing diverse regions from Kashmir to Kanyakumari. The event culminated in deeply moving patriotic-themed musical and dance performances, paying tribute to the sacrifices of freedom fighters. As the tricolor swayed high, the spirit of unity and nation-building resonated across the campus, inspiring every student and faculty member to contribute to the continued progress and prosperity of Naya Bharat.

# TEACHER'S DAY

*Honoring Our Mentors: Celebrating the Architects of Tomorrow!*

September 5th was a day of heartfelt gratitude at Presidency University as we celebrated Teacher's Day, honoring the incredible educators who shape our futures. Students from various departments organized vibrant tributes, expressing their appreciation for the dedication, wisdom, and tireless efforts of their professors. From personalized thank-you notes to captivating cultural performances, the campus brimmed with warmth and respect for those who inspire, guide, and empower every student to reach their fullest potential. It was a poignant reminder of the invaluable role teachers play in our lives.

The cultural segment of the program showcased the creative talents of students through music, dance, skits, and heartfelt tributes to their mentors. Each performance was a gesture of admiration and appreciation, reflecting the strong bond between students and faculty. The highlight of the event was a touching video presentation featuring students sharing personal messages and memories with their favourite teachers, which brought smiles and emotion to the audience.
