PRESIDENCY UNIVERSITY

The **Presidency Group of Institutions [PGI]**, established in the year 1976, of which Presidency University is a unit, has been contributing to the cause of education in the State of Karnataka for more than 48 years in schooling and over a decade and half in higher education.

The Group Institutions are managed either by AHMET [Registered Trust], Bangalore, India or by the Karnataka Education Society, Bangalore. The Group runs and manages eight [8] well-established Schools in Bangalore and Mangalore. Besides, it also manages Pre-University, Undergraduate and Post-Graduate Colleges, in Bangalore. Sensitive to the requirements of the Society and the economy of the world, the Trust possesses the appropriate experience to provide the right environment to the pupils for a healthy growth.

People behind the Group

The Group is led by Dr. Nissar Ahmed, as the Chairman of the Group and the Chancellor of the Presidency University. The continued relentless hard work, of Dr. Ahmed, over the years, led to Presidency's phenomenal growth, manifesting in the creation of units that were established with an objective to cater to the educational requirements of various facets of the Quality Indian Primary, Secondary, Intermediate, Under Graduate and Post Graduate Education and since 2013, in the sphere of University Education. Today, this has resulted in the balanced creation of Schools, Colleges and a University, across the cities of Bangalore and Mangalore, thus holding a key position in the field of education in the Metropolis of Bangalore and in India as a whole.

Presidency University

Presidency University is a Private University, established as such by the State Legislature under a self-regulating act, Presidency University Act, 2013, notified in the Official Gazette, as Act No. 41 of 2013.

The Campus of Presidency University is a sprawling 100 acres of lush and green spread with state of the art infrastructure. The Campus boasts of a very active and vibrant student life. The University presently comprises of Eight [8] schools, the **School of Engineering**, the **School of Computer Science and Engineering**, the **School of Management**, the **School of Law**, the **School of Design**, the **School of Commerce**, the **School of Information Science** and the **School of Media Studies**.

The **School of Engineering** offers Seven [7] **Under-Graduate Programs** in various disciplines leading to the award of a Bachelor's Degree in Technology [B. Tech]. In addition, the School also offers two [2]-Year **Post Graduate Programs** in Engineering in three [3] disciplines leading to the award of a Master's Degree in Technology [M. Tech.]

The **School of Computer Science & Engineering [Advanced Computing]** offers Fourteen [14] **Under-Graduate Programs**, spread across disciplines leading to the award of a Bachelor's Degree in Technology [B. Tech]. In addition, the School also offers two [2]-Year **Post Graduate Programs** in Engineering in two [2] disciplines leading to the award of a Master's Degree in Technology [M. Tech.]

The **School of Information Science** offers three [3] **Under-Graduate Programs** in dedicated specialisations leading to the award of Bachelor's Degree in Computer Applications [BCA]. In addition the School

also offers a two [2]- year Post-Graduate Program leading to the award of a Master's Degree in Computer Application [MCA].

The **School of Management** offers a two [2]- year Post-Graduate Program with different combination of specialisations, from which each student shall select two [2], leading to the award of a Master's Degree in Management [MBA]

In addition, it offers Discipline-specific Specialised two [2] year Management Program leading to award of highly specialised dedicated Master's Degree in four [4] specialized employment-centric disciplines. As part of its holistic approach to Under-Graduate Education the **School of Management** also offers a three [3] year Management Programme leading to the award of a Bachelor's Degree in Business Administration [BBA] with an array of Specializations, from which the student will opt for one. The School also offers a dedicated employability-centric three [3]-year Undergraduate Programme in Aviation Management leading to the award of a Bachelor's Degree in Business Administration [BBA] in Aviation Management.

The **School of Law** offers five [5] year Integrated Program combinations, leading to award of a BBA-LLB or B. Com-LLB or a BA-LLB Degree, as the case may be. All the three Program are duly approved by the Bar Council of India [BCI], the Body that regulates the Legal Profession in India

The **School of Law** also offers a one [1] year Post Graduate Program, leading to the award Master's Degree in Law [LLM] in the specialised disciplines of Intellectual Property Right, Technology Law and Gender Studies

The **School of Design** offers four [4] Year Program leading to the award Bachelor's Degree in Design [B. Des] in five [5] domains of the design realm.

The **School of Commerce** offers a three [3] Year

Undergraduate Programme in Commerce leading to the award of a Bachelor's Degree in Commerce [B.Com] with specialisation in i) Banking and Finance and ii) Corporate Accounting and Taxation. It also offers a similar three [3]-year Undergraduate Honours Programme in Commerce with specialisations in i) Corporate Accounting with CMA, US ii) Business Analytics and iii) Professional [CA Foundation-Integrated]

The **School of Media Studies** offers a three [3]-year Undergraduate Programme in Journalism and Mass Communication [B.A and M.A]].

The University also acts as a one-stop-shop for higher education culminating its Program Portfolio with the Ph. D Program, which is both academic and research oriented. Ph. D Program of the University encompasses a wide array of domain-disciplines. Guided by highly accomplished members of the Teaching Fraternity with the right blend of research-inclination, as evidenced by the large number of papers published and books authored, the Ph. D Program is offered both, as full-time with Fellowship and part-time.

The Curriculum taught and the pedagogy used are contemporary, industry-oriented and in that direction each Program is integrated with two tranches of Industrial Internship Program.

Academics and Research are accorded top priority in Presidency University. The Program at Presidency is focussed on creating, in the minds of the Students, a desire to excel and to equip them with knowledge, skills and aptitude to initiate, manage and attain their career goals.

To complement the Academic & Research pursuits, the University Management spared no efforts in designing a State of the Art Infrastructure. With 35% of the University Campus being soft-landscaped with abundant spaces being earmarked for the Students, in the form of Theme Zones, the University has thus far constructed around 16 Lacs Sq. Ft. of Classrooms, Laboratory Spaces, Research Centres, Library and Digital Learning Spaces, Seminar Rooms and other Academic Administrative-support infrastructure.

As of date, the University has around 17000 students on its rolls taught by 780 highly qualified and domain-expert faculty, drawn from the leading Institutions of India. Presidency University is led by a team of strongly motivated, highly qualified and dedicated Professionals with right blend of academic and administrative competence and expertise.

As on date the University, has executed 130 Memoranda of Understanding with reputed International Universities and Institutions in the realm of Academics and Research. A little less than 400 Students of ours are currently pursuing Higher Education in some of these Universities under various collaborative arrangements

Over the last seven years since it commenced its academic operations, Presidency University has been bestowed with many Awards, Recognitions and also been ranked high amongst its Peers in the various Third Party-unbiased Surveys.
