Why Choose Bengaluru as Your Study Destination

Silicon valley

Vast infrastructure

Best academics

Amazing weather

Broadminded people

Powerful Economy

Bangalore is a cosmopolitan city in India, known for its thriving IT industry and innovation hub. It is often referred to as the Silicon Valley of India. Bangalore city is home to many multinational companies, startups, research institutes, NGOs, etc. that provide internships and placements to students. Bengaluru will soothe you with its pleasant weather throughout the year.

Bangalore is home to several prestigious universities and colleges that offer undergraduate and postgraduate courses in a wide range of fields, including arts, science, commerce, law, management, and engineering.

Bangalore has a vibrant campus life that provides students with opportunities for learning, networking, cultural exchange, and extracurricular activities. The city is also known for its rich cultural heritage and attractions such as gardens, parks, temples, and museums.

Compared to other metro cities in India, Bangalore has a low cost of living and a pleasant climate throughout the year. It is well-connected by road, rail, and air to other parts of the country and the world.

Bangalore is listed as the top 10 fastest growing cities in the world, the economy of this city is an important part of the economy of India.

CHOOSING MODULES/COURSES

You may take courses across multiple faculties (subject to availability, no guarantees may be given) as long as your course choices are approved by your home university and meet your degree requirements. Most courses are open to Incoming Exchange students. However, some have prerequisites or require permission from the relevant faculty or school before you can enroll in them. Students to enroll prior to their arrival at Presidency University. However, courses need to be finalized within one week of start of the class. All the programmes/courses are taught completely in English.

ACADEMIC WORKLOAD

Exchange students can take a workload of 12 to 20 credits. The minimum workload is 12 credits and maximum would be 20 credits. It may be considered on the request of the home university on reducing the workload.

PU 01 credit = U.S. 01 credit.

PU 01 credit is 15 teaching contact hours (study period, project, assignments, and examination period is excluded)

ATTENDANCE REQUIREMENTS

A student must have a minimum of 75% attendance of the classes actually conducted in that academic term, for which course(s) the student has registered for in the academic term, will be permitted to write the final examination.

GRADING SYSTEM

| Grade | Grade Point | Marks range (out of 100) | Qualitative Description |
|-------|-------------|--------------------------|-------------------------|
| O | 10 | ≥ 90 | Outstanding |
| A+ | 9 | ≥ 85 but < 90 | Excellent |
| A | 8 | ≥ 80 but < 85 | Very Good |
| B+ | 7 | ≥ 75 but < 80 | Good |
| B | 6 | ≥ 70 but < 75 | Above Average |
| C | 5 | ≥ 60 but < 70 | Average |
| D | 4 | ≥ 50 but < 60 | Pass |
| F | 0 | < 50 | Fail |

TRANSCRIPTS

All credit-bearing exchange students will be issued with a transcript detailing their modules and final grades at the end of the semester, once the exam results have been finalized. Transcript's will be mailed directly to the home university.

WHEN SHOULD YOU ARRIVE

You should arrive at least 7 days prior to the commencement of the term. Late arrival may be accepted under certain conditions such as health or travel/diplomatic restrictions.

VISA AND IMMIGRATION REQUIREMENTS

All international students applying to study in India must have a valid student visa (before travelling to India) unless they have an alternative visa that enables them to study in India. If you are granted a student visa, you must comply with all student visa conditions. For all visa enquiries and applications, please contact your local Indian Embassy/High Commission/Consulate General of India. The visa must be valid for the orientation days before the start of the semester. Find more details by visiting <https://www.mea.gov.in/>

INSURANCE

All international students are required to acquire a health insurance from their home country before their departure. The insurance should cover for medical and evacuation expenses abroad due to accident or sickness for the entire duration of exchange at the host country.

FOREIGN REGIONAL REGISTRATION OFFICES (FRRO)

Foreigner visiting India on Student Visa(S) is required to get himself / herself registered with concerned FRRO, within 14 days of his/her first arrival, irrespective of the duration of his / her stay. FORM-S (Foreign Students Information System) is used to capture information about foreign nationals admitted in Indian educational institutions. Follow the [FRRO link](#) for more details.

CURRENT ESTIMATED COST OF LIVING*

According to the study in India, the average cost of living in India (Bangalore) for students is € 140 (A student can experience a comfortable stay for a month).

Living costs will vary depending on lifestyle but it is generally inexpensive to live in Bangalore than other Indian cities, such as Mumbai or Delhi. Here is a breakdown of some general expenses for you to consider when preparing your finances (click for [more details](#)):

| General Expenses | Approximate cost |
|---|--------------------|
| Accommodation (off campus) Please check with the office of International Affairs whether certain items are included e.g. bedding, kitchen utensils, etc., and whether you would be required to pay a deposit as well as made an advance payment. | € 250 (per month) |
| Groceries | € 65 (per month) |
| Meal (affordable restaurant) | € 2-5 |
| Transport | € 30 (per week) |
| Wi-Fi | € 4-12 (per month) |
| Mobile telephone (depends on usage) | € 8 (per month) |
| Water | € 0.60 per liter |
| Course related costs: books/stationery/photocopying/binding | € 10 (per month) |

*Please note: The above costs are estimated and subject to each student's individual lifestyle - personal expenses and spending habits.
