These hostels offer twin-shared and triple-shared rooms, furnished with bed cots, study tables, chairs, cupboards, free Wi-Fi, and more. All hostels include state-of-the-art amenities such as an independent dining area, purified hot and cold drinking water, laundry rooms, common rooms with televisions and recreational spaces, and facilities for both indoor and outdoor sports.

The girls' hostels are supervised by four wardens under the guidance of a resident officer, while boys' hostels are managed by two wardens each. All hostels fall under the university's **Student Housing Department** and are secured with a 24-hour security system, which includes round-the-clock security at entry points and CCTV surveillance.

Medical facilities are available within the hostels, with on-duty nurses present at night to offer immediate assistance. In case of emergencies, ambulances are on standby to transport students to hospitals.

Transport services are provided to girls on weekends and holidays to visit nearby Yelahanka New Town for shopping. The hostels also organise recreational trips, sports activities, and cultural events throughout the academic year.
