Project work/Assignment: Mention the Type of Project/Assignment proposed for this course:

Assignment 1: **Team Presentation of HR in one country-** China, Japan, Germany, Brazil, ideally an emerging market country

Each team will be responsible for a 45 minute 'presentation' via Adobe Connect, on HR in one country.

These country groups are pre-formed, and are listed in the weekly schedule assignment. For example,

how is HR handled in China by local firms, and the extent to which you discern differences in how

MNCs view HRM. Key cross-cultural differences and some business practices can be highlighted, but

the THRUX of this assignment is to present HRM differences in a PPT (using Adobe Connect). You may use YouTube or other visual prompts to illustrate your country's HR practices. Team assignments are listed in the calendar of assignments, and are due on the day assigned. Refer PU library link for the assignment
