PART A - PROGRAM REGULATIONS

1. Vision & Mission of the University and the School / Department

1.1 Vision of the University

To be a Value-driven Global University, excelling beyond peers and creating professionals of integrity and character, having concern and care for society.

1.2 Mission of the University

- Commit to be an innovative and inclusive institution by seeking excellence in teaching, research and knowledge-transfer.
- Pursue Research and Development and its dissemination to the community, at large.
- Create, sustain and apply learning in an interdisciplinary environment with consideration for ethical, ecological and economic
 aspects of nation building.
- Provide knowledge-based technological support and services to the industry in its growth and development.
- To impart globally-applicable skill-sets to students through flexible course offerings and support industry's requirement and inculcate a spirit of new-venture creation.

1.3. Vision Statement of Presidency School of Commerce and Economics

To become a value-based, business-based Commerce and Economics School dedicated to creating a positive impact on commerce, the economy and society.

1.4 Mission Statement of Presidency School of Commerce and Economics

2. Preamble to the Program Regulations and Curriculum

This is the subset of Academic Regulations, and it is to be followed as a requirement for the award of BCom degree.

The Curriculum is designed to take into the factors listed in the Choice Based Credit System (CBCS) with focus on Internship, Dissertation and Social Immersion project to enable the students to become eligible and fully equipped for employment in industries, choose higher studies or entrepreneurship.

In exercise of the powers conferred by and in discharge of duties assigned under the relevant provision(s) of the Act, Statutes and Academic Regulations of the University, the Academic Council hereby makes the following Regulations.

3. Short Title and Applicability

- a. These Regulations shall be called the Bachelor of Commerce (Integrated with CA Foundation) Degree Program Regulations and Curriculum 2024-2027.
- b. These Regulations are subject to, and pursuant to the Academic Regulations.
- c. These Regulations shall be applicable to the ongoing Bachelor of Commerce (Integrated with CA Foundation) Degree Programs of the 2024-2027 batch, and to all other Bachelor of Commerce (Integrated with CA Foundation) Degree Programs which may be introduced in future.
- d. These Regulations shall supersede all the earlier Bachelor of Commerce (Integrated with CA Foundation) Degree Program Regulations and Curriculum, along with all the amendments thereto.
- e. These Regulations shall come into force from the Academic Year 2024-2025.

4. Definitions

In these Regulations, unless the context otherwise requires:

- a. "Academic Calendar" means the schedule of academic and miscellaneous events as approved by the Vice Chancellor;
- b. "Academic Council" means the Academic Council of the University;
- c. "Academic Regulations" means the Academic Regulations, of the University;
- d. "Academic Term" means a Semester or Summer Term;
- e. "Act" means the Presidency University Act, 2013;
- f. "AICTE" means All India Council for Technical Education;
- g. "Basket" means a group of courses bundled together based on the nature/type of the course;
- h. "BOE" means the Board of Examinations of the University;
- i. "BOG" means the Board of Governors of the University;
- j. "BOM" means the Board of Management of the University;
- k. "BOS" means the Board of Studies of a particular Department/Program of Study of the University;
- 1. "CGPA" means Cumulative Grade Point Average as defined in the Academic Regulations;
- m. "Clause" means the duly numbered Clause, with Sub-Clauses included, if any, of these Regulations;
- n. "COE" means the Controller of Examinations of the University;
- o. "Course In Charge" means the teacher/faculty member responsible for developing and organising the delivery of the Course;
- p. "Course Instructor" means the teacher/faculty member responsible for teaching and evaluation of a Course;
- q. "Course" means a specific subject usually identified by its Course-code and Course-title, with specified credits and syllabus/course-description, a set of references, taught by some teacher(s)/course-instructor(s) to a specific class (group of students) during a specific Academic Term;
- r. "Curriculum Structure" means the Curriculum governing a specific Degree Program offered by the University, and, includes the set of Baskets of Courses along with minimum credit requirements to be earned under each basket for a degree/degree with

specialization/minor/honours in addition to the relevant details of the Courses and Course catalogues (which describes the Course content and other important information about the Course). Any specific requirements for a particular program may be brought into the Curriculum structure of the specific program and relevant approvals should be taken from the BOS and Academic Council at that time.

- s. "DAC" means the Departmental Academic Committee of a concerned Department/Program of Study of the University;
- t. "Dean" means the Dean / Director of the concerned School;
- u. "Degree Program" includes all Degree Programs;
- v. "Department" means the Department offering the degree Program(s) / Course(s) / School offering the concerned Degree Programs / other Administrative Offices;
- w. "Discipline" means specialization or branch of BCom Degree Program;
- *x.* "HOD" means the Head of the concerned Department;
- y. "L-T-P-C" means Lecture-Tutorial-Practical-Credit refers to the teaching learning periods and the credit associated;
- z. "MOOC" means Massive Open Online Courses;
- aa. "MOU" means the Memorandum of Understanding;
- bb. "NPTEL" means National Program on Technology Enhanced Learning;
- cc. "Parent Department" means the department that offers the Degree Program that a student undergoes;
- dd. "Program Head" means the administrative head of a particular Degree Program/s;
- ee. "Program Regulations" means the Bachelor of Commerce (Integrated with CA Foundation) Degree Program Regulations and Curriculum, 2024-2027;
- ff. "Program" means the Bachelor of Commerce (Integrated with CA Foundation) Degree Program;
- gg. "PSOC&E" means the Presidency School of Commerce and Economics;
- hh. "Registrar" means the Registrar of the University;
- ii. "School" means a constituent institution of the University established for monitoring, supervising and guiding, teaching, training and research activities in broadly related fields of studies;

- ij. "Section" means the duly numbered Section, with Clauses included in that Section, of these Regulations;
- kk. "SGPA" means the Semester Grade Point Average as defined in the Academic Regulations;
- ll. "Statutes" means the Statutes of Presidency University;
- mm. "Sub-Clause" means the duly numbered Sub-Clause of these Program Regulations;
- nn. "Summer Term" means an additional Academic Term conducted during the summer break (typically in June-July) for a duration of about eight (08) calendar weeks, with a minimum of thirty (30) University teaching days;
- oo. "SWAYAM" means Study Webs of Active Learning for Young Aspiring Minds.
- pp. "UGC" means University Grants Commission;
- qq. "University" means Presidency University, Bengaluru; and
- rr. "Vice Chancellor" means the Vice Chancellor of the University.

5. Program Description

The Bachelor of Commerce (Integrated with CA Foundation) Program Regulations and Curriculum 2024-2027 are subject to, and, pursuant to the Academic Regulations. These Program Regulations shall be applicable to the ongoing Bachelor of Commerce (Integrated with CA Foundation) Degree Program, abbreviated as BCom of 2024-2027 offered by the Presidency School of Commerce and Economics (PSOC&E).

- 5.1 These Program Regulations shall be applicable to other similar programs, which may be introduced in future.
- 5.2 These Regulations may evolve and get amended or modified or changed through appropriate approvals from the Academic Council, from time to time, and shall be binding on all concerned.
- 5.3 The effect of periodic amendments or changes in the Program Regulations, on the students admitted in earlier years, shall be dealt with appropriately and carefully, so as to ensure that those students are not subjected to any unfair situation whatsoever, although they are required to conform to these revised Program Regulations, without any undue favour or considerations.

6. Minimum and Maximum Duration

- 6.1 Bachelor of Commerce (Integrated with CA Foundation) Degree Program is a Three-Year, Full-Time Semester based program. The minimum duration of the BCom (Integrated with CA Foundation) Program is three (03) years and each year comprises of two academic Semesters (Odd and Even Semesters) and hence the duration of the BCom (Integrated with CA Foundation) program is six (06) Semesters.
- 6.2 A student who for whatever reason is not able to complete the Program within the normal period or the minimum duration (number of years) prescribed for the Program, may be allowed a period of two years beyond the normal period to complete the mandatory minimum credits requirement as prescribed by the concerned Program Regulations and Curriculum. In general, the permissible maximum duration (number of years) for completion of Program is 'N' + 2 years, where 'N' stands for the normal or minimum duration (number of years) for completion of the concerned Program as prescribed by the concerned Program Regulations and Curriculum.
- 6.3 The time taken by the student to improve Grades/CGPA, and in case of temporary withdrawal/re-joining, shall be counted in the permissible maximum duration for completion of a Program.
- 6.4 In exceptional circumstances, such as temporary withdrawal for medical exigencies, where there is a prolonged hospitalization and/or treatment, as certified through hospital/medical records, female students requiring extended maternity break (certified by registered medical practitioner), and, outstanding sportspersons representing the University/State/India requiring extended time to participate in National/International sports events, a further extension of one (01) year may be granted on the approval of the Academic Council.
- 6.5 The enrolment of the student who fails to complete the mandatory requirements for the award of the concerned Degree, in the prescribed maximum duration (Sub-Clauses 18.1 and 18.2 of Academic Regulations), shall stand terminated and no Degree shall be awarded.

7 Programme Educational Objectives (PEO)

After three years of successful completion of the BCom(Integrated with CA Foundation) program, the graduates shall:

PEO-1: work in a company where the business is continuously expanding and growth prospects are good in the areas of banking, accounting and finance.

PEO-2: appear for Integrated Professional Competence Course (IPCC) and subsequently complete articleship, so as to enable to go for final CA.

PEO-3: demonstrate professional expertise in financial planning, analysis, control, decision support and professional ethics with the employees.

PEO-4: practice the accounting, taxation, reporting and compliance knowledge in accounting firms, KPOs and the hard core finance and account profile.

8 Programme Outcomes (PO) and Programme Specific Outcomes (PSO)

8.1 Programme Outcomes (PO)

On successful completion of the BCom (Integrated with CA Foundation) Program, the students shall be able to:

PO-1: An ability to understand the core discipline of professional accounting.

PO-2: An ability to apply the knowledge of accounting and technical skills in real life.

PO-3: An ability to realize and follow professional and ethical principles.

PO-4: An ability to demonstrate commitment to continuous learning.

PO-5: An ability to acquire contemporary issues.

PO-6: An ability to function in multidisciplinary teams.

PO-7: An ability and desire for higher education in Commerce

8.2 Program Specific Outcomes (PSOs):

On successful completion of the BCom (Integrated with CA Foundation) program from Presidency University, the student shall possess the ability to:

- **PSO-1:** Demonstrate knowledge and skills sets in the areas of banking and insurance.
- **PSO-2:** Ability to apply knowledge in the fields of accounting and taxation as a practitioner or as a professional.
- **PSO-3:** Further the horizon of accounting, finance, banking, insurance, corporate accounting and taxation.

9 Admission Criteria

The University admissions shall be open to all persons irrespective of caste, class, creed, gender or nation. The admission criteria to the BCom (Integrated with CA Foundation) Program is listed in the following Sub-Clauses:

- 9.1 An applicant who has successfully completed Pre-University course or Senior Secondary School course (+2) or equivalent such as (11+1), 'A' level in Senior School Leaving Certificate Course, with a minimum aggregate of 40% marks, from a recognized university of India or outside or from a Senior Secondary Board or equivalent, constituted or recognized by the Union or by the State Government of that Country, for the purpose of issue of qualifying certificate, on successful completion of the course, may apply for and be admitted into the Program.
- 9.2 Reservation for the SC / ST and other backward classes shall be made in accordance with the directives issued by the Government of Karnataka from time to time.
- 9.3 Admissions are offered to Foreign Nationals and Indians living abroad in accordance with the rules applicable for such admission, issued from time to time, by the Government of India.
- 9.4 Candidates must fulfil the medical standards required for admission as prescribed by the University.
- 9.5 If, at any time after admission, it is found that a candidate had not in fact fulfilled all the requirements stipulated in the offer of admission, in any form whatsoever, including possible misinformation and any other falsification, the Registrar shall report the matter to the Board of Management (BOM), recommending revoking the admission of the candidate.
- 9.6 The decision of the BOM regarding the admissions is final and binding.

10. Transfer of student(s) from another recognized University to the 2nd year (3rd Semester) of the BCom (Integrated with CA Foundation) Program of the University

A student who has completed the 1st Year (i.e., passed in all the Courses / Subjects prescribed for the 1st Year) of the BCom (Integrated with CA Foundation) Three-Year Degree Program from another recognized University, may be permitted to transfer to the 2nd Year (3rd Semester) of the BCom (Integrated with CA Foundation) Program of the University as per the rules and guidelines prescribed in the following Sub-Clauses:

- 10.1 The student shall submit the Application for Transfer along with a non-refundable Application Fee (as prescribed by the University from time to time) to the University no later than July 10 of the concerned year for admission to the 2nd Year (3rd Semester) BCom (Integrated with CA Foundation) Program commencing on August on the year concerned.
- 10.2 The student shall submit copies of the respective Marks Cards / Grade Sheets / Certificates along with the Application for Transfer.
- 10.3 The transfer may be provided on the condition that the Courses and Credits completed by the concerned student in the 1st Year of the BCom (Integrated with CA Foundation) Three Degree Program from the concerned University, are declared equivalent and acceptable by the Equivalence Committee constituted by the Vice Chancellor for this purpose. Further, the Equivalence Committee may also prescribe the Courses and Credits the concerned students shall have to mandatorily complete, if admitted to the 2nd Year of the BCom (Integrated with CA Foundation) Program of the University.
- 10.4 The Program allotted to the student concerned shall be the decision of the University and binding on the student.

11. Change of Program

A student admitted to a particular BCom (Integrated with CA Foundation) program will normally continue studying in that Program till the completion of the program. However, the University reserves the right to provide the option for a change of Program, or not to provide the option for a change of Program at the end of 1st semester of the degree to eligible students in accordance with the rules framed by the University from time to time.

- 11.1 Normally, only those students, who have passed all the Courses prescribed for the 1st Semester of the degree Program and obtained a CGPA of not less than 6.00 at the end of the first Semester, shall be eligible for consideration of a change of program.
- 11.2 Change of Program, if provided, shall be made effective from the commencement of the 2nd Semester of the Degree Program. There shall be no provision for change of Program thereafter under any circumstances whatsoever.
- 11.3 The student(s) provided with the change of program shall fully adhere to and comply with the Program Regulations and Curriculum of the concerned Program, the Fee Policy pertaining to that Program, and, all otherrules pertaining to the changed Program existing at the time.
- 11.4 Change of program once made shall be final and binding on the student. No student shall be permitted, under any circumstances, to refuse the change of program offered.
- 11.5 The eligible student may be allowed a change in Program, strictly in order of inter se merit, subject to the conditions given below:
 - 11.5.1 The actual number of students in the second semester in any particular program to which the transfer is to be made, should not exceed the sanctioned strength by more than 5%, and,
 - 11.5.2 The actual number of students in any program from which transfer is being sought does not fall below 75% of the total sanctioned intake.
 - 11.5.3 The process of change of program shall be completed on the first five (5) days of the Registration for the 2nd Semester.

- 12 Specific Regulations regarding Assessment and Evaluation (including the Assessment Details of NTCC Courses, Weightages of Continuous Assessment and End Term Examination for various Course Categories)
 - **12.1** The academic performance evaluation of a student in a Course shall be according to the University Letter Grading System based on the class performance distribution in the Course.
 - **12.2** Academic performance evaluation of every registered student in every Course registered by the student is carried out through various components of Assessments spread across the Semester. The nature of components of Continuous Assessments and the weightage given to each component of Continuous Assessments (refer Clause 12.5 of Academic Regulations) shall be clearly defined in the Course Plan for every Course, and approved by the DAC.
 - **12.3** Format of the End-Term examination shall be specified in the Course Plan.
 - **12.4** Grading is the process of rewarding the students for their overall performance in each Course. The University follows the system of Relative Grading with statistical approach to classify the students based on the relative performance of the students registered in the concerned Course except in the following cases:
 - Non-Teaching Credit Courses (NTCC)
 - Courses with a class strength less than 30

Absolute grading method may be adopted, where necessary with prior approval of concerned DAC.

Grading shall be done at the end of the Academic Term by considering the aggregate performance of the student in all components of Assessments prescribed for the Course. Letter Grades, shall be awarded to a student based on her/his overall performance relative to the class performance distribution in the concerned Course. These Letter Grades not only indicate a qualitative assessment of the student's performance but also carry a quantitative (numeric) equivalent called the Grade Point.

12.5 Assessment Components and Weightage

Table 1: Assessment Components and Weightage for different category of Courses				
Nature of Course and Structure	Evaluation Component	Weightage		
Lecture-based Course	Continuous Assessments	50%		
L component in the L-T-P Structure is predominant				
(more than 1)	End Term Examination	50%		
(Examples: 3-0-0; 3-0-2; 2-1-0; 2-0-2, 2-0-4 etc.)				
Lab-based Course	Continuous Assessments	75%		
P component in the L-T-P Structure is predominant	End Term Examination (Lab Only)	25%		
(Examples: 0-0-4; 1-0-4; 1-0-2; etc.)	End Term Examination (Lab Only)	25 /6		
Practice- based Course				
L component in the L-T-P Structure is 0	Continuous Assessments	100%		
(Example: 0-0-2 etc.)				
Skill based Courses like Internship, Dissertation / Social Engagement and such similar Non-Teaching Credit Courses, where the pedagogy does not lend itself to a typical L-T-P structure	types of Courses, with recommended weigh	ghtages, shall be		

The exact weightages of Evaluation Components shall be clearly specified in the concerned PRC and respective Course Plan.

Normally, for Practice/Skill based Courses, without a defined credit structure (L-T-P) [NTCC], but with assigned Credits , the method of evaluation shall be based only on Continuous Assessments. The various components of Continuous Assessments, the distribution of weightage among such components, and the method of evaluation/assessment, shall be as decided and indicated in the Course Plan/PRC. The same shall be approved by the respective DAC.

12.6 Minimum Performance Criteria:

12.6.1 Theory only Course and Lab/Practice Embedded Theory Course

A student shall satisfy the following minimum performance criteria to be eligible to earn the credits towards the concerned Course:

- a. A student must obtain a minimum of 30% of the total marks/weightage assigned to the End Term Examinations in the concerned Course.
- b. The student must obtain a minimum of 40% of the AGGREGATE of the marks/weightage of the components of Continuous Assessments, Mid Term Examinations and End Term Examinations in the concerned Course.

12.6.2 Lab/Practice only Course and Project Based Courses

The student must obtain a minimum of 40% of the AGGREGATE of the marks/weightage of all assessment components in the concerned Course.

12.6.3 A student who fails to meet the minimum performance criteria listed above in a Course shall be declared as "Fail" and given "F" Grade in the concerned Course. For theory Courses, the student shall have to re-appear in the "Make-Up Examinations" as scheduled by the University in any subsequent semester, or, re-appear in the End Term Examinations of the same Course when it is scheduled at the end of the following Semester or Summer

Term, if offered. The marks obtained in the Continuous Assessments (other than the End Term Examination) shall be carried forward and be included in computing the final grade, if the student secures the minimum requirements (as per Clause 12.6.1, 12.6.2 of Academic Regulations) in the "Make-Up Examinations" of the concerned Course. Further, the student has an option to re-register for the Course and clear the same in the summer term/ subsequent semester if he/she wishes to do so, provided the Course is offered.

13 Additional clarifications - Rules and Guidelines for Transfer of Credits from MOOC, etc. - Note: These are covered in Academic Regulations

The University allows students to acquire credits from other Indian or foreign institutions and/or Massive Open Online Course (MOOC) platforms, subject to prior approval. These credits may be transferred and counted toward fulfilling the minimum credit requirements for the award of a degree. The process of transfer of credits is governed by the following rules and guidelines:

- **13.1** The transfer of credits shall be examined and recommended by the Equivalence Committee and approved by the Dean Academics.
- **13.2** Students may earn credits from other Indian or foreign Universities/Institutions with which the University has an MOU, and that MOU shall have specific provisions, rules and guidelines for transfer of credits. These transferred credits shall be counted towards the minimum credit requirements for the award of the degree.
- **13.3** Students may earn credits by registering for Online Courses offered by *Study Web of Active Learning by Young and Aspiring Minds* (SWAYAM) and *National Program on Technology Enhanced Learning* (NPTEL), or other such recognized Bodies/ Universities/Institutions as approved by the concerned BOS and Academic Council from time to time. The concerned

School/Parent Department shall publish/include the approved list of Courses and the rules and guidelines governing such transfer of credits of the concerned Program from time to time. The Rules and Guidelines for the transfer of credits specifically from the Online Courses conducted by SWAYAM/ NPTEL/ other approved MOOCs are as stated in the following Sub-Clauses:

- 13.3.1 A student may complete SWAYAM/NPTEL/other approved MOOCs as mentioned in Clause 13.3 of Academic Regulations and transfer equivalent credits to partially or fully complete the mandatory credit requirements of Discipline Elective Courses and/or the mandatory credit requirements of Open Elective Courses as prescribed in the concerned Curriculum Structure. However, it is the sole responsibility of the student to complete the mandatory credit requirements of the Discipline Elective Courses and the Open Elective Courses as prescribed by the Curriculum Structure of the concerned Program.
- **13.3.2** SWAYAM/NPTEL/ other approved MOOCs as mentioned in Clause 13.3 of Academic Regulations, shall be approved by the concerned Board of Studies.
- **13.3.3** Parent Departments may release a list of SWAYAM/NPTEL/other approved MOOCs for Pre-Registration as per schedule in the Academic Calendar or through University Notification to this effect.
- 13.3.4 Students may Pre-Register for the SWAYAM/NPTEL/other approved MOOCs in the respective Departments and register for the same Courses as per the schedule announced by respective Online Course Offering body/institute/ university.
- **13.3.5** A student shall request for transfer of credits only from such approved Courses as mentioned in Sub-Clause 13.3.2 above.

- **13.3.6** SWAYAM/NPTEL/other approved MOOCs Courses are considered for transfer of credits only if the concerned student has successfully completed the SWAYAM/NPTEL/other approved MOOCs and obtained a certificate of successful/satisfactory completion.
- 13.3.7 A student who has successfully completed the approved SWAYAM/NPTEL/ other approved MOOCs and wants to avail the provision of transfer of equivalent credits, must submit the original Certificate of Completion, or such similar authorized documents to the Dean/ Director/ HOD concerned, with a written request for the transfer of the equivalent credits. On verification of the Certificates/Documents and approval by the Dean/Director/HOD concerned, the Course(s) and equivalent Credits shall be forwarded to the COE for processing of results of the concerned Academic Term.
- 13.3.8 The credit equivalence of the SWAYAM/NPTEL/other approved MOOCs are based on Course durations and/or as recommended by the Course offering body/institute/university. The Credit Equivalence mapped to SWAYAM/ NPTEL approved Courses based on Course durations for transfer of credits is summarised in Table shown below. The Grade will be calculated from the marks received by the Absolute Grading.

Т	Table 2: Durations and Credit Equivalence for Transfer of Credits from SWAYAM-NPTEL/ other approved MOOC Courses					
S1. No.	Course Duration Credit Equivalence					
1	4 Weeks	1 Credit				
2	8 Weeks	2 Credits				
3	12 Weeks	3 Credits				

- 13.3.9 The maximum permissible number of credits that a student may request for credit transfer from MOOCs shall not exceed 20% of the mandatory minimum credit requirements specified by the concerned Program Regulations and Curriculum for the award of the concerned Degree.
- **13.3.10** The University shall not reimburse any fees/expense; a student may incur for the SWAYAM/NPTEL/other approved MOOCs.
- **13.4** The maximum number of credits that can be transferred by a student shall be limited to forty percent (40%) of the mandatory minimum credit requirements specified by the concerned Program Regulations and Curriculum for the award of the concerned Degree. However, the grades obtained in the Courses transferred from other Institutions/MOOCs, as mentioned in this Section, shall not be included in the calculation of the CGPA.

14. Structure / Component with Credit Requirements Course Baskets & Minimum Basket wise Credit Requirements

The BCom (Integrated with CA Foundation) Program Structure (2024-2027) has a total of 125 credits. Table 3 summarizes the type of baskets, number of courses under each basket and the associated credits that are mandatorily required for the completion of the Degree.

Table 3: BCom (Integrated with CA Foundation) 2024-2027: Summary of Mandatory Courses and Minimum Credit Contribution from various Baskets				
Sl. No.	Baskets	Credit Contribution		
1	Major Core Courses	63		
2	Ability Enhancement Courses (AEC)	8		
3	Skill Enhancement Courses (SEC)	7		
	a) Internship	2		
	b) Dissertation	6

5	Minor Stream Courses	24		
6	Multidisciplinary Open Electives	9		
	Total Credits	125 (Minimum)		

15. Minimum Total Credit Requirements of Award of Degree

A minimum of 125 credits is required to be eligible for the award of BCom (Integrated with CA Foundation) degree.

16. Other Specific Requirements for Award of Degree, if any, as prescribed by the Statutory Bodies

- 16.1 The award of the Degree shall be recommended by the Board of Examinations and approved by the Academic Council and Board of Management of the University.
- 16.2 A student shall be declared to be eligible for the award of the concerned Degree if she/he:
 - a. Fulfilled the Minimum Credit Requirements and the Minimum Credits requirements under various baskets.
 - b. Secure a minimum CGPA of 4.50 in the concerned Program at the end of the Semester/Academic Term in which she/he completes all the requirements for the award of the Degree as specified in Sub-Clause a of Academic Regulations;
 - c. No dues to the University, Departments, Hostels, Library, and any other such Centres/ Departments of the University; and
 - d. No disciplinary action is pending against her/him.

^{*}Open Electives courses offered by other schools in a semester and as approved by the BOS will be added to the above list and will be made available for the students for Pre Registration.

18. Practical / Skill based Courses - Internships / Dissertation / Project Work

Practical / Skill based Courses like internship, dissertation, Social immersion project, and such similar courses, where the pedagogy does not lend itself to a typical L-T-P-C Structure as defined in Clause 5.1 of the Academic Regulations, are simply assigned the number of Credits based on the quantum of work / effort required to fulfil the learning objectives and outcomes prescribed for the concerned Courses. Such courses are referred to as Non-Teaching Credit Courses (NTCC). These Courses are designed to provide students with hands-on experience and skills essential for their professional development. These courses aim to equip students with abilities in problem identification, root cause analysis, problem-solving, innovation, and design thinking through industry exposure and project-based learning. The expected outcomes are first level proficiency in problem solving and design thinking skills to better equip BCom (Integrated with CA Foundation) graduates for their professional careers. The method of evaluation and grading for the Practical / Skill based Courses shall be prescribed and approved by the concerned Departmental Academic Committee (refer Annexure A of the Academic Regulations). The same shall be prescribed in the Course Handout.

Internship

A student may undergo an internship for a period of 6 to 8 weeks in a company or organization during the Semester Break between 4th and 5th semester subject to the following conditions:

- **18.1.1** The Internship shall be in conducted in accordance with the Internship Policy prescribed by the School from time to time.
- 18.1.2 A student may opt for Internship in an Industry / Company/ Organization or academic / research institution of her / his choice, subject to the condition that the concerned student takes the responsibility to arrange the Internship on her / his own. Provided further, that the Industry / Company / Organization or academic / research institution offering such Internship confirms to the University that the Internship shall be conducted in accordance with the Program Regulations and Internship Policy of the School.
- **18.1.3** A student selected for an Internship in an industry / company or academic / research institution shall adhere to all the rules and guidelines prescribed in the Internship Policy of the School.

18.1.4 As per the Academic Regulations, 'S' grade is awarded for "satisfactory completion" of the Internship and 'NC' grade is awarded for "non-completion" of the Internship. The student who receives the "NC" grade shall repeat the Internship, until the concerned student secures the "S" grade in the Internship . The "S" and "NC" grades is subject to fulfilling the requirements as stated in the course plan and do not carry grade points. Hence not included in the SGPA, CGPA computations.

18.2 Dissertation

Every student shall, carryout dissertation under the overall supervision of the supervisor(s) during the VI semester of the program.

- 18.2.1 The dissertation offers an opportunity to the student(s) to explore a topic in depth. The dissertation would entail an investigation, together with the written report and interpretation thereof. The dissertation could either be of an exploratory type or a prescriptive type with a focus on its applicability to management situations. It may be a case study, a study of a policy problem, a historical study, development of a new method, comparison of two or more methods, formulation and testing a hypothesis relevant to some areas of management. The dissertation can also be field/library-based study or both. Normally, only a faculty member of the school concerned shall be allowed to supervise a dissertation. If the topic of a dissertation warrants, at the most two faculty members of the same School may be allowed to supervise a dissertation/project work. Considering the interdisciplinary nature of the work involved a faculty from other School and/or from industry/corporate organization active in the area in which the work is being carried may be allowed, to be associated as a co-supervisor.
- 18.2.2 The Faculty Coordinator(s) shall, in consultation with the Dean concerned, finalize the topic for dissertation along with the name(s) of the supervisor(s) at the beginning of Semester VI. For this purpose, the Coordinator shall take into account the relevance of the topic on which the candidate proposes to work. However, the Coordinator may, if he considers it necessary or expedient, ask a student to carry out dissertation on a topic other than the topic proposed by the student and/or under a supervisor other than the one under whom the student proposed to carryout his/her dissertation.

- 18.2.3 Midcourse alteration/ modification in the scope of dissertation would need explicit approval from the Dean of the School. The Coordinator shall prepare a list comprising the names of the students, topic allotted to each of them along with the name of the supervisor(s) and submit it to the Dean.
- 18.2.4 A certificate in the prescribed format to the effect that the dissertation carried out by the student independently or in collaboration with other student(s) issued by the Supervisor(s) concerned and endorsed by the Faculty Coordinator concerned, shall form the part of the submission for evaluation.
- 18.2.5 Every student who spends a specified period of time in an industry/organization/institute for reasons of work related to his/her dissertation, with prior permission from the Faculty Coordinator concerned will explicitly acknowledge working in the relevant industry/organization/institute.
- 18.2.6 The dissertation should typically be between 30 to 50 pages. Students are required to submit their dissertation in the VI Semester within the specified timeframe. If a student fails to submit the dissertation by the deadline, they will be assigned a placeholder grade 'I' in cases of exceptional circumstances, such as medical emergencies or the death of an immediate family member. In all other cases, a grade of 'F' will be awarded. The student will be required to repeat the dissertation in the appropriate semester of the following academic session, provided that other regulations allow for the continuation of their studies at the University.
- 18.2.7 The student shall submit to Program Coordinator one printed soft bound copy of his/her dissertation.
- 18.2.8 An Assessment Committee constituted by the Dean / Director/ HOD of the School comprising internal and external membersshall conduct Viva-Voce on dissertation.
- 18.2.9 The Evaluation components for dissertation and the respective weightages are detailed in Table 5:

Table - 5									
Dissertation Evaluation Components and Weightage									
Evaluation Components	Weightage (of the total marks)								
Dissertation Report	50 %								
Supervisor Evaluation and	20%								
Feedback									
Viva-Voce	30 %								

18.3 Social Immersion Project

The objective of a Social Immersion Project is to sensitize and inculcate commitment to social and environmental issues and make a contribution through service and experiential learning. The outcome is to produce graduates who are sensitized and committed to serving the social and environmental needs of society. The Social Immersion Project is a 1-credit course involving 15 hours of engagement, which may be completed either in one continuous session or through periodic intervals with one or more organizations. The student is required to complete this during the 6th Semester of the Program. The nature and details of the Social Immersion Project shall be approved by the concerned Departmental Academic Committee (DAC). As per the Academic Regulations, the 'S' grade is awarded for "satisfactory completion" of the Course and 'NC' grade is awarded for "non-completion" of the Course. The student who receives the "NC" grade shall repeat the Social Immersion Project (it may be another type of Project as approved by the concerned DAC) until the concerned student secures the "S" grade in the Social Immersion Project. The "S" and "NC" grades is subject to fulfilling the requirements as stated in the course plan and do not carry grade points. Hence this is not included in the SGPA, CGPA computations.

19. List of MOOC (NPTEL) Courses

The MOOC Courses list will be announced by the school at the time of Pre-Registration for the respective Semester post approval from DAC and BOS.

Course Code: COM2008	Course Title: Corporate Accounting	L- T- P- C	3	1	0	4
Version No.	1.0					
Course Pre-	Basic Communication					
requisites	General Knowledge in Accounts					

	Knowledge a	about Business World				
Anti-requisites	NIL					
Course Description	features according to assist in the inte	This course will make understand the accounting process of those operations that present specific unique features according to the legal status of the figure engaging in the business activity. This course is beneficial to assist in the intellectual, social and personal development of the student to a range of specialist and generalist business professions.				
Course Out	At the end of the co	urse, the student shal	l be able to:			
Comes	CO 1: Describe the 1	procedure for Issue of	shares and Debentures.	. [Knowledge]		
	1		of Underwriter's Liabili	·		
	CO 3: Explain the Pr	ocedure and Process for	Valuation of Goodwill. [C	Comprehension]		
	CO 4: Explain the pro	CO 4: Explain the profits prior to incorporation ad recognition. [Application]				
	CO 5: Discuss the co	orporate banking proc	edure. [Application]			
Course objective	The objective of the course is to familiarize the learners with the concepts of Corporate Accounting and attain Skill Development through Problem Solving Methodologies.					
Course Content:						
Module 1	Issue of shares and Debentures			15 Sessions		
Shares - Types of	f shares – Issue of shar	es - At par, Premium	and Discount - Calls in	arear - Calls in Advance - Pro-rata Allotment		
- Forfeiture of sh	nares – Debentures – I	ssue of Debentures.				
Module 2	Underwriting of Shares			10 Sessions		
Underwriting of sh	ares and debentures -	- Types of underwritir	ng – Marked and Unmar	ked Applications – Individual Underwriting		
- Firm Underwritin	- Firm Underwriting. Treatment of Marked application as firm underwriting (Excluding Journal entries)					
Module 3	Valuation of Goodwill			10 Sessions		

Valuation of Goodwill - Need - Factors effecting the Valuation - Methods - Average Profit, Super Profit, Annuity and Capitalization Methods.

Module 4 Profit Prior to Incorporation 10 Sessions

Meaning - Sales Ratio - Time Ratio - Weighted Ratio - Treatment of Capital and Revenue Expenditure - Ascertainment of pre-incorporation and post-incorporation profit by preparing Income Statement and Balance Sheet.

Module 5 Corporate Bank Accounts 10 Sessions

Corporate Bank Accounts: Rebate on Bills Discount – Interest on Doubtful Debts – Preparation of Profit and Loss Accounts and Balance Sheet with Relevant Schedule (New Method) – Non – Performing Assets (NPA).

Targeted Application: Financial Statement in Excel & Tools that can be used: Microsoft PowerPoint Presentation and Excel.

Project work/Assignment: Mention the Type of Project/Assignment proposed for this course:

Assignment 1: Case Study Analysis.

Assignment 2: Experiential Learning: Financial Statement Analysis.

Delivery procedure (pedagogy):

Lecture: All Modules

Self-learning: Module 4: Process of Internal reconstructions.

Participative learning: Module 5: Group discussion on case studies in concepts or issues related to profit prior to Incorporation.

	Overhead	Assignment &	Collect Various	[10 House]
Module 3	Cost Control	Case Study	Control techniques in Departments	[10 Hours] [Knowledge]

Meaning and Definition - Classification of Overheads - Procedure for Accounting and Control of Overheads - Allocation of Overheads - Apportionment of Overheads - Primary Overhead Distribution Summary - Secondary Overhead Distribution Summary - Repeated Distribution Method

		Assignment &		Simulation of	
Module 4	Costing Methods	Case Study	Contracts and creating Process Structure	[14 Hours] [Knowledge]	
			Judiule		

CONTRACT COSTING - Meaning, features of contract costing, Applications of contract costing, similarities and dissimilarities between job and contract costing, procedure of contract costing, profit on incomplete contracts, Problems.

JOB COSTING - Introduction, meaning and definition, Features and procedures of Job costing , reports in job costing system, simple problems

	Cost	Assignment &	MOOCs on Alison	[08 Hours]
Module 5	Accounting techniques	Case Study	& Coursera	[Comprehension]
	1			

Marginal Costing, Standard Costing and Variance Analysis, budget and Budgetary control

Targeted Application & Tools that can be used:

Job role as Accounts Assistant , Audit Assistant , Accounts Associate , Audit Associate , Junior Audit Consultant, Cost Accountant, Cost Manager &MS Excel, Tally ERP 9.0 , SAP Basics

Project work/Assignment: Mention the Type of Project/Assignment proposed for this course

Case study analysis and collection of data also its analysis as per the requirement of modules prescribed above.

Course Code:	Course Title: Research Methodology	L-T-	3	0	0	3
BBA2041		P-C				
Version No.	1.0		•			
Course Pre-requisites	Knowledge of research					
	Basic Concepts of Statistics and Mathematics					
Anti-requisites	Nil					

Course Description	COURSE DESCRIPTION: Introduction to research provides the importance of research in creating and extending the knowledge base of one's subject area to distinguish between the strengths and limitations of different research approaches regarding one's subject/research area.				
Course Out Comes	Out Comes On successful completion of the course the students shall be able to:				
	CO1: Explain the research process. (UNDERSTAND)				
	CO2: Differentiate between research variables (UNDER	STAND)			
	CO3: Summarize Scaling Techniques (UNDERSTAND)				
	CO4: Differentiate between sampling and non-sampling	g errors (UNDERSTAND)			
	CO5: Determine the relationship between variables (AP)	PLY)			
	CO6: Examine the steps involved in drafting a research	report (APPLY)			
Course Objective	This course is designed for SKILL DEVELOPMENT of to Techniques of Class Presentation and Case Study.	the learner by using Experiential Learning			
Course Content:					
Module 1	Introduction to research	11 Sessions			
Research: Meaning, Object research; Challenges faced Research problem, selecting	·	ficance, Research Process, Criteria of good			
Module 2	Research design and scaling	10 Sessions			
Research Design: Meaning extraneous variables, cate	, need, features. Dependent variables, independent variables,	moderator variables, mediating variables,			

Classification of measurement scales: nominal, ordinal, interval and ratio scales; Goodness of measurement scales: validity, reliability, practicality and accuracy; Sources of error in measurement. Scaling techniques.

Module 3 **Data Collection and Sampling**

10 Sessions

Sources of data- primary and secondary data, methods of primary data collection, sources of secondary data.

Sampling design, sample size, determining optimal sample size, sampling techniques, probability Vs. non-probability sampling methods, sampling and non-sampling errors.

Questionnaire Designing and Data Analysis Module 4

10 Sessions

Questionnaire, Types of questionnaires, Questionnaire design procedure, type of questions: open-ended, closed ended; criteria for designing questions; questionnaire structure. Questionnaire Vs. Schedule. Pilot testing, administering.

Data Analysis: Univariate Analysis: Mean Comparisons, t-test and One-way ANOVA; Bi-variate analysis: Cross tabulations, Chisquare test, correlation and regression.

Module 5	Research Reporting and Modern Practices in	10 Sessions
	Research	

Research Report Writing: Importance, Essentials, Structure/ layout, Types. References and Citation Methods: APA (American Psychological Association), CMS (Chicago Manual Style), MLA (Modern Language Association), Footnotes and Bibliography. Modern Practices: Ethical Norms in Research, Plagiarism, Role of Computers in Research.

Lecture: All Modules

Discussion: All Modules

Self-learning: Philosophy of Social Science Research

Version No.	1.0							
Course Pre-requisites	Knowledge of Statistical Techniques							
Anti-requisites	NA							
Course Description	Statistical programming with E views and SPSS will enabdata related to their study and visualize and analyze imconsidered		_		_			
Course Outcomes	CO1. Understanding with the toolbox of statistical software. CO2. Capacitating students in analyzing complex information with the help of statistical software - Statistical Package for Social Sciences (SPSS) CO3. A strong theoretical and empirical foundation in statistical analysis. CO4: Understand the procedure for analysing the data							
Course Objective	The objective of the course is to familiarize the learners with the concepts of Fundamentals of Business Analytics and attain Skill Development through Experiential Learning techniques.							
Course Content:								
Module 1	Introduction to SPSS			15 Ses	ssions			
	itor, output viewer, syntax editor – Data view window – SPSS d Defining variables – Creating a Codebook in SPSS.	Syntax – Data c	reatio	n – Im	porting	g data		
Module 2	Working with Data			15 Ses	ssions			

Computing Variables - Recoding (Transforming) Variables: Recoding Categorical String Variables using Automatic Recode - Rank Cases - Sorting Data - Grouping or Splitting Data.

Module 3 Exploring Data 15 Sessions

Descriptive Statistics for Continuous Variables - The Explore procedure - Frequencies Procedure - Descriptives - Compare Means - Frequencies for Categorical Data.

Module 4 Analysing Data 10 Sessions

Inferential Statistics for Association: Pearson Correlation, Chi-square Test of Independence – Inferential Statistics for Comparing Means: One Sample t Test, Paired- Samples T Test, Independent Samples T Test, One-Way ANOVA.

	Introduction			Methods	of	
Module 1	to Management	Discussion	1	Financial Analysis	1	12 Sessions
Ti Mi	Accounting	1.: - t: NJ-t				

Topics: Meaning and Definition – Objectives – Nature and Scope– Role of Management Accountant, Relationship between Financial Accounting and Management Accounting, Relationship between Cost Accounting and Management Accounting, advantages and limitations of Management Accounting.

Analysis of Financial Statements: Types of Analysis – Methods of Financial Analysis – Problems on Comparative Statement analysis – Common Size Statement analysis and Trend Analysis as per Companies Act, 2013 Schedule III formats.

Module 2 Ratio Analysis	l)19C11991On	Classification of Ratios	12 Sessions
-------------------------	---------------	--------------------------	-------------

Topics: Meaning and Definition of ratio, Meaning of Accounting ratio, and Ratio Analysis – Uses and Limitations – Classification of Ratios- Liquidity ratios, Profitability ratios and Solvency ratios. Problems.

Module 3	Fund Flow	Problem Solving	Case Study on Utilization of	12 Sessions
	Statements		Working Capital	12 0 0 0 10 10

Topics: Introduction & Meaning of Funds Flow Statement, Concept of Fund, Concept of Flow of Fund, Uses and Limitations of Funds Flow Statement, Schedule of Changes in Working Capital, Calculation of Funds From Operations, Statement of Sources and Application of Funds.

Module 4	Cash Flow	Problem Solving	Case Study	10 classes
	Statements	-	on FFS	

Topics: Introduction & meaning of CFS, differences between FFS and CFS, utility and limitations of CFS, Preparation of CFS – advanced problems (only indirect method) according to accounting standard 3.

Topics: Introduction - Meaning - Objectives - Essentials of Budgetary Controls - Classification of Budgets - Steps in Budgeting -Preparation of Cash Budget and Flexible Budget

Meaning of Reporting and Reports, Essentials of an Ideal report, Designing and Installation of Reporting system, types of Reports, Drafting of Reports under different situations.

Targeted Application & Tools that can be used: Research Paper, Case Study.

DELIVERY PROCEDURE (PEDAGOGY):

Lecture: All Modules

Case study: Module 3 and 4

Discussion: Module 1: Methods of Financial Analysis

Module 2: Classification of Ratios

Module 5:Essentials of Budgetary Controls

Self-learning: Module 1: Role of Management Accountant

Problem Solving: Case Study analysis on the Optimum utilization of Working Capital

Course Code: COM1027	Course Title: Accounting	L-T- P- C	4	0	0	4			
Version No.	1.0								
Course Pre-requisites	Basic Knowledge of Accounting	Basic Knowledge of Accounting							
Anti-requisites	Nil								
Course Description	The course is quantitative in nature and aims to provide a detailed understanding about basic and core concepts of accounting to the students. The course will help the students in preparation for clearing the basic courses of CA.								
Course Out Comes	On successful completion of the course the students shall be able to: CO1: Describe the theoretical framework of accounting CO2: Explain the process of accounting CO3: Review the final accounts of Sole proprietorship CO4: Summarize the Financial Statements of Not-for-Profit Organizations, Partnerships and LLPs CO5: Illustrate the preparation of Company Accounts								
Course objective	The objective of the course is to familiarize the learners with the concepts of Accounting and attain Skill development through Problem Solving.								

Course Content:			
Module 1	Theoretical Framework of Accounting		15 Sessions

- Topics: Accounting concepts, principles, and conventions.
- Capital and revenue expenditure, capital and revenue receipts, contingent assets, and contingent liabilities.
- Accounting Policies.
- Accounting as a measurement discipline valuation principles, accounting estimates.
- Accounting Standards concepts and objectives.

Module 2	Accounting Process		10 Sessions

- Topics: Recording accounting transactions: principles of double entry book-keeping, books of original entry (journal, subsidiary books, cash book).
- Ledger format, posting from journals and subsidiary books, balancing accounts.
- Preparation of Trial Balance.
 - Rectification of Errors.
- Bank Reconciliation Statement Introduction, reasons, and preparation of bank reconciliation statement.
- Inventories Meaning, basis, and technique of inventory valuation, cost of inventory, net realizable value, and record system.
- Depreciation and Amortisation Tangible and intangible assets: meaning & difference, concepts, methods of computation, and accounting treatment.
- Change in depreciation method.
- Bills of Exchange and Promissory Notes Meaning of bills of exchange and promissory notes and their accounting treatment; accommodation bills.

	Preparation of Final		
Module 3	Accounts of Sole		10 Sessions
	Proprietors		

Topics: Elements of financial statements, closing adjustment entries, trading accounts, profit and loss accounts, and balance sheets of manufacturing and non-manufacturing entities.

Module 4	Financial Statements of Not-for-Profit Organizations, Partnerships and LLPs			10 Sessions
----------	--	--	--	-------------

- Significance and preparation of receipt and payment account, income and expenditure account, and balance sheet.
- Difference between profit and loss account, and income and expenditure account.
- Accounts from Incomplete Records
- Excluding preparation of accounts based on ratios.
- Partnership and LLP Accounts
- Final accounts of partnership firms and LLP.
- Admission, retirement, and death of a partner including treatment of goodwill.
- Dissolution of partnership firms and LLPs including piecemeal distribution of assets.

Module 5	Company Accounts		11 Sessions

- Topics: Definition of shares and debentures.
- Issue of shares and debentures, forfeiture of shares, reissue of forfeited shares.
- Redemption of preference shares and debentures (excluding purchase and redemption of own debentures sinking fund method).
- Accounting for bonus issues and right issues

Targeted Application & Tools that can be used: PPT, Videos and board & Chalk Method

Course Pre-requisites	Basic Knowledge of Business and Accounting					
Anti-requisites	Nil					
Course Description	The course is quantitative in nature and aims to provide a detailed understanding about basic and core concepts of accounting to the students. The course will help the students in preparation for clearing the basic courses of CA.					
Course Out Comes	On successful completion of the course the students shall be able to: CO1: Describe the concepts of Business Economics CO2: Explain the theories of Demand and Supply, Cost and Production CO3: Summarize the concepts of Macroeconomics CO4: Explain the practices of international trade					
Course objective	The objective of the course is to familiarize the learners with the concepts of Business Economics and attain Skill development through Participative Learning.					
Course Content:						
Module 1	Introduction to Business Economics 6 Sessions					

- Topics: Meaning and Scope of Business Economics
- Basic Problems of an Economy and the Role of Price Mechanism

	Theory of Demand		
Module 2	and Supply,		20 sessions
	Production and Cost		

- Topics: Meaning and Determinants of Demand
 - Law of Demand and Elasticity of Demand Price, Income, and Cross Elasticity
 - Theory of Consumer's Behaviour Indifference Curve Approach
 - Meaning and Determinants of Supply
 - Law of Supply and Elasticity of Supply
 - Market Equilibrium and Social Efficiency
- Theory of Production and Cost Meaning and Factors of Production
 - Short Run and Long Run
 - Law of Production The Law of Variable Proportions and Laws of Returns to Scale
 - Producer's Equilibrium
 - Concepts of Costs Short-Run and Long-Run Costs, Average and Marginal Costs, Total, Fixed, and Variable Costs
- Price Determination in Different Markets
- Market Structures: Perfect Competition, Monopoly, and Monopolistic Competition
 - Using Game Theory to Study Oligopoly
 - Price Determination in these Markets
 - Price-Output Determination under Different Market Forms

Module 3	Macroeconomic		20 Sessions
Wodule 3	Concepts		20 Sessions

- Topics: Determination of National Income
- Macro Economic Aggregates and Measurement of National Income
 - Determination of National Income: Keynes' Two Sector Basic Model, Three Sectors, and Four Sectors Models
- Business Cycles Meaning, Phases, Features, and Causes behind these Cycles
- Public Finance Fiscal Functions: An Overview, Centre, and State Finance

- Market Failure and Government Intervention to Correct Market Failure
- Process of Budget Making: Sources of Revenue, Expenditure Management, and Management of Public Debt
- Fiscal Policy
- Money Market Concept of Money Demand
 - Important Theories of Demand for Money
 - Concept of Money Supply
 - Cryptocurrency and Other New Terminologies
 - Monetary Policy

Module 4	International Trade		11 Session

- Theories of International Trade including Theories of Intra-Industry Trade (Krugman)
- Trade Policy The Instruments of Trade Policy
- Trade Negotiations
- Exchange Rates and Its Economic Effects
- International Capital Movements: Foreign Direct Investment
- Indian Economy Before 1950 Chanakya and Nand Vansh
- OECD Paper (1950-1991)

COM3053	Course Title: Accounting Information Type of Course: Discipline Elective Th		L- T-P- C	3	0	0	3		
Version No.	1.0	icory			10		3		
Course Pre-requisites	Basics of Information system								
Anti-requisites	Nil								
Course Description	This course provides an overview basic of concepts and services contents of Accounting and Information systems in an organization. It is targeted at the future managers who are expected to understand the business and accounts implication of Information System. The course focuses on how information technology can be applied to improve their organization.								
Course Out Comes	On successful completion of the course the students shall be able to: CO 1: Describe the Information System in Accounting Perspective. (Knowledge) CO 2: Describe the functions of Transaction Processing system. (Knowledge) CO 3: Describe the applicability of Computer Based Accounting systems. (Comprehension) CO 4: Explain the different methods available Financial and Management reporting systems. (Comprehension)								
Course objective	The objective of the course is to familia System and attain Employability throu				counting	Infor	nation		
Course Content:									
Module 1	THE INFORMATION SYSTEM: AN ACCOUNTANT'S PERSPECTIVE	Article Review		and Informa	ition	11 Sessi	ions		

Topics: The Information Environment - What Is a System? An Information Systems Framework, AIS Subsystems, A General Model for AIS, Acquisition of Information Systems Organizational Structure - Business Segments, Functional Segmentation, The Accounting Function, The Information Technology Function. Evolution of Information System Models - The Manual Process

Model, The Flat-File Model, The Database Model, The REA Model, Accountants as System Designers, Accountants as System Auditors

Module 2	TRANSACTION PROCESSING	Discussion	Transaction Cycles	10
		Discussion	Transaction Cycles	Sessions

Topics: An Overview of Transaction Processing - Transaction Cycles, The Expenditure Cycle, The Conversion Cycle, The Revenue Cycle , Accounting Records - Manual Systems, The Audit Trail, Computer-Based Systems, Documentation Techniques - Data Flow Diagrams and Entity Relationship Diagrams Flowcharts , Record Layout Diagrams, Computer-Based Accounting Systems - Differences between Batch and Real-Time Systems , Alternative Data Processing Approaches, Batch Processing Using Real-Time Data Collection, Real-Time Processing.

Module 3 COMPUTER-BASED ACCOUNTING SYSTEMS	Participative Learning	Presentation	10 Sessions
--	---------------------------	--------------	----------------

Topics: Automating Sales Order Processing with Batch Technology, Keystroke, Edit Run, Update Procedures, Reengineering Sales Order Processing with Real-Time Technology, Transaction Processing Procedures, General Ledger Update Procedures, Advantages of Real-Time Processing, Automated Cash Receipts Procedures, Reengineered Cash Receipts Procedures, Point-of-Sale (POS) Systems, Daily Procedures, End-of-Day Procedures, Reengineering Using EDI, Reengineering Using the Internet. Control Considerations for Computer-Based Systems. PC-Based Accounting Systems - PC Control Issues.

Module 4 FINANCIAL REPORTING AND MANAGEMENT REPORTING Case Analysis Sophisticated Users with Homogeneousy Session
--

Topics: The Financial Reporting System - Sophisticated Users with Homogeneous, Information Needs, Financial Reporting Procedures, Controlling the FRS.

The Management Reporting System, Factors that Influence the MRS, Management Principles, Management Function, Level, and Decision Type Problem Structure, Types of Management Reports, Responsibility Accounting, Behavioral Considerations.

Targeted Application & Tools that can be used: PPT, Videos and board & Chalk Method
