

SUSTAINABLE DEVELOPMENT GOALS

IBM SkillsBuild Orientation Program Workshop

About the Event	SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), and SDG 17 (Partnerships for the Goals): The ISR Cell, in collaboration with Learning Links Foundation (LLF) and IBM SkillsBuild, successfully organised the IBM SkillsBuild Orientation Program on August 25, 2025. The initiative aimed to equip commerce students with future-ready, industry-relevant skills through the globally recognised IBM SkillsBuild platform. The key resource person Mr. Sachin from Leaning Link Foundation (LLF) IBM SkillBased conducted separate orientation sessions for first, second, and third-year students, introducing them to career readiness modules, digital skills training, and industry-aligned learning pathways.
