About the Event	**SDG 7: Affordable and Clean Energy, SDG 12: Responsible Consumption and Production and SDG 13: Climate Action** The ISR Cell organised the **"Not-Zero Net-Zero Pledge"** under the initiative of the **Smart Campus Cloud Network (SCCN)**, supported by the **TERRE Policy Centre** on **October 14, 2025.** A total of **68 students** from the **Presidency School of Law** participated in the **"Not-Zero Net-Zero" Pledge Ceremony**, reaffirming their commitment to creating a **carbon-neutral campus** through responsible energy use and sustainable practices. Vision of Viksit Bharat: Not-Zero Net-Zero Pledge ***For Students of Presidency University***

I, a student of **Presidency University**,
pledge to take responsibility for protecting our planet
and to contribute towards achieving a **carbon-neutral campus**.

I commit to:

- Adopting sustainable practices in my daily life.
- Conserving energy and water, and promoting the use of renewables.
- Reducing waste, reusing materials, and recycling wherever possible.
- Protecting trees, lakes, and biodiversity within and beyond our campus.
- Spreading awareness about climate action among my peers and community.
- Collaborating with the university and the **Smart Campus Cloud Network (SCCN)** to make our campus a model of sustainability and innovation.

I understand that every small action counts,
and together, our collective effort can lead us from "Not-Zero" to **Net-Zero**.

With sincerity and commitment,
I pledge to be a responsible guardian of the environment
and an active contributor to a greener, cleaner future.

Together, we shall make Presidency University a truly carbon-neutral campus.
