SUSTAINABLE DEVELOPMENT GOALS

Five Day SDG Skill Development Programme

SUSTAINABLE DEVELOPMENT GOALS

About the Event	**SDG 4 (Quality Education), SDG 10 (Reduced Inequalities), SDG 11 (Sustainable Cities and Communities), and SDG 17 (Partnerships for the Goals)** The **ISR Cell**, in collaboration with the **Presidency School of Commerce**, organised a **five-day Sustainable Development Goals (SDG) Program** that provided students with a holistic understanding of global sustainability and local community action. Over five days, **75 students** engaged in interactive sessions that combined theory and practice—ranging from understanding the **17 Global Goals**, developing **digital advocacy strategies**, learning **financial planning and budgeting**, and refining **communication and leadership skills**. The programme concluded with a **community outreach visit to a local blind school**, where students participated in inclusive activities such as **soap-making, traditional games, and sign language learning**, gaining valuable insights into **empathy, accessibility, and inclusion**. Overall, the initiative strengthened students' skills in **teamwork, digital engagement, and social responsibility**, fostering a lasting commitment to sustainability and the values of **Agenda 2030**.
