

SUSTAINABLE DEVELOPMENT GOALS

Installation of Bird Feeders

About the Event	SDG 15 (Life on Land) The ISR Cell in collaboration with the Presidency School of Design installed bird feeders across the campus on November 6, 2025. The design school students created the bird feeders using their creativity and design expertise. Aligning with UN SDG 15 – Life on Land, this initiative aims to promote care for living creatures and strengthen the University's commitment to support urban biodiversity and environmental sustainability.
