SUSTAINABLE DEVELOPMENT GOALS

Experiential Volunteering Day

SUSTAINABLE DEVELOPMENT GOALS

About the Event	SDG 3 (Good Health and Well-Being), SDG 4 (Quality Education), SDG 10 (Reduced Inequalities), and SDG 17 (Partnerships for the Goals). The ISR Cell & Presidency Allied Health School students participated in an enriching Experiential Volunteering Day at Oceanik Educational Society on December 10, 2025. Through meaningful interactions with students and staff, a focused session on the Rights of Persons with Disabilities (RPwD) Act, 2016, and an introductory workshop on Indian Sign Language, they explored how accessibility and empathy are integral to effective healthcare practices. The hands-on experience strengthened participants' understanding of inclusive communication, community engagement, and rights-based perspectives, while also providing valuable real-world exposure to inclusivity, diversity, and disability rights essential for future health professionals.
Event Date	10/12/2025
Organised By	ISR Cell
