11 Specific Regulations regarding Assessment and Evaluation (including the Assessment Details of NTCC Courses, Weightages of Continuous Assessment and End Term Examination for various Course Categories)

11.1 The academic performance evaluation of a student in a Course shall be according to the University Letter Grading System based on the class performance distribution in the Course.

11.2 Academic performance evaluation of every registered student in every Course registered by the student is carried out through various components of Assessments spread across the Semester. The nature of components of Continuous Assessments and the weightage given to each component of Continuous Assessments (**refer Clause 8.8 of Academic Regulations**) shall be clearly defined in the Course Plan for every Course, and approved by the DAC.

11.3 Format of the End-Term examination shall be specified in the Course Plan.

11.4 Grading is the process of rewarding the students for their overall performance in each Course. The University follows the system of Relative Grading with statistical approach to classify the students based on the relative performance of the students registered in the concerned Course except in the following cases:

- Non-Teaching Credit Courses (NTCC)
- Courses with a class strength less than 30

Absolute grading method may be adopted, where necessary with prior approval of concerned DAC.

Grading shall be done at the end of the Academic Term by considering the aggregate performance of the student in all components of Assessments prescribed for the Course. Letter Grades (refer Clause 8.10 of Academic Regulations) shall be awarded to a student based on her/his overall performance relative to the class performance distribution in the concerned Course. These Letter Grades not only indicate a qualitative assessment of the student's performance but also carry a quantitative (numeric) equivalent called the Grade Point.

11.5 Assessment Components and Weightage

Table 1: Assessment Components and Weightage for different category of Courses		
Nature of Course and Structure	Evaluation Component	Weightage
Lecture-based Course L component in the L-T-P Structure is predominant (more than 1) (Examples: 3-0-0; 2-1-0; 2-0-0, 0-0-2 etc.)	Continuous Assessments	50%
	End Term Examination	50%
Lab/Practice-based Course P component in the L-T-P Structure is predominant (Examples: 0-0-4; 0-1-2; 1-0-2; etc.)	Continuous Assessments [Lab Only]	<u>60%</u>
	End Term Examination [Lab Only]	<u>40%</u>
Skill based Courses like Industry Internship, Capstone project, Research Dissertation, Integrative Studio, Interdisciplinary Project, Summer / Short Internship, Social Engagement / Field Projects, Portfolio, and such similar Non-Teaching Credit Courses, where the pedagogy does not lend itself to a typical L-T-P structure	Guidelines for the assessment components for the various types of Courses, with recommended weightages, shall be specified in the concerned Program Regulations and Curriculum / Course Plans, as applicable.	

The exact weightages of Evaluation Components shall be clearly specified in the concerned PRC and respective Course Plan.

Normally, for Practice/Skill based Courses, without a defined credit structure (L-T-P) [NTCC], but with assigned Credits (as defined in Clause 5.2 of the Academic Regulations), the method of evaluation shall be based only on Continuous Assessments. The various components of Continuous Assessments, the distribution of weightage among such components, and the method of evaluation/assessment, shall be as decided and indicated in the Course Plan/PRC. The same shall be approved by the respective DAC.

11.6 Minimum Performance Criteria:

11.6.1 Theory only Course and Lab/Practice Embedded Theory Course

A student shall satisfy the following minimum performance criteria to be eligible to earn the credits towards the concerned Course:

- a. A student must obtain a minimum of 30% of the total marks/weightage assigned to the End Term Examinations in the concerned Course.
- b. The student must obtain a minimum of 40% of the AGGREGATE of the marks/weightage of the components of Continuous Assessments, Mid Term Examinations and End Term Examinations in the concerned Course.

11.6.2 Lab/Practice only Course and Project Based Courses

The student must obtain a minimum of 40% of the AGGREGATE of the marks/weightage of all assessment components in the concerned Course.

11.6.3 A student who fails to meet the minimum performance criteria listed above in a Course shall be declared as “Fail” and given “F” Grade in the concerned Course. For theory Courses, the student shall have to re-appear in the “Make-Up Examinations” as scheduled by the University in any subsequent semester or re-appear in the End Term Examinations of the same Course when it is scheduled at the end of the following Semester or Summer Term, if offered. The marks obtained in the Continuous Assessments (other than the End Term Examination) shall be carried forward and be

included in computing the final grade, if the student secures the minimum requirements (**as per Sub Clauses 8.9.1 / 8.9.2 of Academic Regulations**) in the “Make-Up Examinations” of the concerned Course. Further, the student has an option to re-register for the Course and clear the same in the summer term/ subsequent semester if he/she wishes to do so, provided the Course is offered.

12 Additional clarifications - Rules and Guidelines for Transfer of Credits from MOOC, etc. –

Note: These are covered in Academic Regulations

The University allows students to acquire credits from other Indian or foreign institutions and/or Massive Open Online Course (MOOC) platforms, subject to prior approval. These credits may be transferred and counted toward fulfilling the minimum credit requirements for the award of a degree. The process of transfer of credits is governed by the following rules and guidelines:

- 12.1** The transfer of credits shall be examined and recommended by the Equivalence Committee (**Refer Annexure B of Academic Regulations**) and approved by the Dean - Academics.
- 12.2** Students may earn credits from other Indian or foreign Universities/Institutions with which the University has an MOU, and that MOU shall have specific provisions, rules and guidelines for transfer of credits. These transferred credits shall be counted towards the minimum credit requirements for the award of the degree.
- 12.3** Students may earn credits by registering for Online Courses offered by *Study Web of Active Learning by Young and Aspiring Minds* (SWAYAM) and *National Program on Technology Enhanced Learning* (NPTEL), or other such recognized Bodies/ Universities/Institutions as approved by the concerned BOS and Academic Council from time to time. The concerned School/Parent Department shall publish/include the approved list of Courses and the rules and guidelines governing such transfer of credits of the concerned Program from time to time. The Rules and Guidelines for the transfer of credits specifically from the Online Courses conducted by SWAYAM/ NPTEL/ other approved MOOCs are as stated in the following Sub-Clauses:
 - 12.3.1** A student may complete SWAYAM/NPTEL/other approved MOOCs as mentioned in **Clause 12.3 of Academic Regulations** and transfer equivalent credits to partially or fully complete the mandatory credit requirements of Discipline

Elective Courses and/or the mandatory credit requirements of Open Elective Courses as prescribed in the concerned Curriculum Structure. However, it is the sole responsibility of the student to complete the mandatory credit requirements of the Discipline Elective Courses and the Open Elective Courses as prescribed by the Curriculum Structure of the concerned Program.

- 12.3.2** SWAYAM/NPTEL/ other approved MOOCs as mentioned in **Clause 12.3 of Academic Regulations**, shall be approved by the concerned Board of Studies.
- 12.3.3** Parent Departments may release a list of SWAYAM/NPTEL/other approved MOOCs for Pre-Registration as per schedule in the Academic Calendar or through University Notification to this effect.
- 12.3.4** Students may Pre-Register for the SWAYAM/NPTEL/other approved MOOCs in the respective Departments and register for the same Courses as per the schedule announced by respective Online Course Offering body/institute/ university.
- 12.3.5** A student shall request for transfer of credits only from such approved Courses as mentioned in Sub-Clause 12.3.2 above.
- 12.3.6** SWAYAM/NPTEL/other approved MOOCs Courses are considered for transfer of credits only if the concerned student has successfully completed the SWAYAM/NPTEL/other approved MOOCs and obtained a certificate of successful/satisfactory completion.
- 12.3.7** A student who has successfully completed the approved SWAYAM/NPTEL/ other approved MOOCs and wants to avail the provision of transfer of equivalent credits, must submit the original Certificate of Completion, or such similar authorized documents to the HOD concerned, with a written request for the transfer of the equivalent credits. On verification of the Certificates/Documents and approval by the Dean / Director / HOD concerned, the Course(s) and equivalent Credits shall be forwarded to the COE for processing of results of the concerned Academic Term.
- 12.3.8** The credit equivalence of the SWAYAM/NPTEL/other approved MOOCs are based on Course durations and/or as recommended by the Course offering body/institute/university. The Credit Equivalence mapped to SWAYAM/ NPTEL

approved Courses based on Course durations for transfer of credits is summarised in Table shown below. The Grade will be calculated from the marks received by the Absolute Grading Table 8.11 of Academic Regulations.

Table 2: Durations and Credit Equivalence for Transfer of Credits from SWAYAM-NPTEL/ other approved MOOC Courses

Sl. No.	Course Duration	Credit Equivalence
1	4 Weeks	1 Credit
2	8 Weeks	2 Credits
3	12 Weeks	3 Credits

12.3.9 The maximum permissible number of credits that a student may request for credit transfer from MOOCs shall not exceed 20% of the mandatory minimum credit requirements specified by the concerned Program Regulations and Curriculum for the award of the concerned Degree.

12.3.10 The University shall not reimburse any fees/expense; a student may incur for the SWAYAM/NPTEL/other approved MOOCs.

12.4 The maximum number of credits that can be transferred by a student shall be limited to forty percent (40%) of the mandatory minimum credit requirements specified by the concerned Program Regulations and Curriculum for the award of the concerned Degree. However, the grades obtained in the Courses transferred from other Institutions/MOOCs, as mentioned in this Section (12.0), shall not be included in the calculation of the CGPA.

12.5 Mandatory Non-Credit Course Completion Requirements: All mandatory non-credit courses shall be satisfactorily completed by the student as part of the degree requirements. These courses will be evaluated and awarded letter grades based on the following criteria:

- **S (Satisfactorily Completed):** Awarded when the student successfully completes all prescribed course requirements.
- **NC (Not Completed):** Awarded when the student fails to meet the prescribed course requirements.

A student receiving an **NC** grade must reappear for and complete the course in accordance with the guidelines prescribed by the University.

In the case of non-taught and non-credited mandatory courses—where students are advised to undertake learning through MOOC platforms—there shall be a clearly defined **Course Catalogue** and a corresponding **Course Plan**. The Course Plan shall outline the assessment components, which will form the basis for evaluation.

17. Practical / Skill based Courses – Internships / Capstone Project Work / Portfolio / Mini project

Practical / Skill based Courses like internship, project work, capstone project, research project / dissertation, and such similar courses, where the pedagogy does not lend itself to a typical L-T-P-C Structure (**as defined in Clause 5.1 of the Academic Regulations**), are simply assigned the number of Credits based on the quantum of work / effort required to fulfil the learning objectives and outcomes prescribed for the concerned Courses. Such courses are referred to as Non-Teaching Credit Courses (NTCC). These Courses are designed to provide students with hands-on experience and skills essential for their professional development. These courses aim to equip students with abilities in problem identification, root cause analysis, problem-solving, innovation, and design thinking through industry exposure and project-based learning. The expected outcomes are first level proficiency in problem solving and design thinking skills to better equip BA (J&MC) graduates for their professional careers. The method of evaluation and grading for the Practical / Skill based Courses shall be prescribed and approved by the concerned Departmental Academic Committee (**refer Annexure A of the Academic Regulations**). The same shall be prescribed in the Course Handout.

17.1 *Internship*

A student may undergo an internship for a period of **12-14 weeks** in an industry / company or academic / research institution during the 6th Semesters, subject to the following conditions:

- 17.1.1** The Internship shall be conducted in accordance with the Internship Policy prescribed by the school from time to time.
- 17.1.2** A student may opt for Internship in an Industry / Company/ Organization or academic / research institution of her / his choice, subject to the condition that the concerned student takes the responsibility to arrange the Internship on her / his own. Provided further, that the Industry / Company / Organization or academic / research institution offering such Internship confirms to the University that the Internship shall be conducted in accordance with the Program Regulations and Internship Policy of the University.

17.1.3 A student selected for an Internship in an industry / company or academic / research institution shall adhere to all the rules and guidelines prescribed in the Internship Policy of the University.

17.1.4 As per the Academic Regulations, ‘S’ grade is awarded for “satisfactory completion” of the Internship and ‘NC’ grade is awarded for “non-completion” of the Internship. The student who receives the “NC” grade shall repeat the Internship, until the concerned student secures the “S” grade in the Internship. The “S” and “NC” grades is subject to fulfilling the requirements as stated in the course plan and do not carry grade points. Hence not included in the SGPA, CGPA computations.

17.2 Project Work [Not Applicable to Media Studies as per PRC]

A student may opt to do a Project Work for a period of 4-6 weeks in an Industry / Company or academic / research institution or the University Department(s) as an equivalence of Internship during the 5th semester as applicable, subject to the following conditions:

17.2.1.1 The Project Work shall be approved by the concerned HOD and be carried out under the guidance of a faculty member.

17.2.1.2 The student may do the project work in an Industry / Company or academic / research institution of her / his choice subject to the above-mentioned condition (Sub-Clause 2.6.2.1). Provided further, that the Industry / Company or academic / research institution offering such project work confirms to the University that the project work will be conducted in accordance with the Program Regulations and requirements of the University.

17.3 Capstone Project

A student may undergo a Capstone Project for a period of 12-14 weeks in an industry / company or academic / research institution in the 6th Semester as applicable, subject to the following conditions:

17.3.1.1 The Capstone Project shall be conducted in accordance with the Capstone Project Policy prescribed by the University from time to time.

17.3.1.2 The selection criteria (minimum CGPA, pass in all Courses as on date, and any other qualifying criteria) as applicable / stipulated by the concerned Industry / Company or academic / research institution for award of the Capstone Project to a student.

17.3.1.3 The number of Capstone Project available for the concerned Academic Term. Further, the available number of Capstone Project shall be awarded to the students by the University based on merit using the CGPA secured by the student. Provided further, the student fulfils the criteria, as applicable, specified by the Industry / Company or academic / research institution providing the Capstone Project, as stated in Sub-Clause 2.6.3.2 above.

17.3.1.4 A student may opt for Capstone Project in an Industry / Company or academic / research institution of her / his choice, subject to the condition that the concerned student takes the responsibility to arrange the Capstone Project on her / his own. Provided further, that the Industry / Company or academic / research institution offering such Capstone Project confirms to the University that the Capstone Project shall be conducted in accordance with the Program Regulations and Internship Policy of the University.

17.3.1.5 A student selected for a Capstone Project in an industry / company or academic / research institution shall adhere to all the rules and guidelines prescribed in the Capstone Project Policy of the University.

Abbreviations:

Courses in the program may be of four kinds:

1. **CC:** Core Courses
2. **EC:** Elective Courses: Discipline Specific Elective / Generic/ Open Elective / Project/ Dissertation
3. **AECC:** Ability Enhancement Compulsory Courses
4. **SEC:** Skill Enhancement Courses

1. Core Course: The course, which is to be **compulsorily studied** by a candidate as a core requirement is termed as a Core course.

2. Elective Course: Generally, a course which can be **chosen from a pool of courses**, and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which

provides an extended scope, or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

- **Discipline Specific Elective (DSE) Course:** Elective course offered by *the main discipline/subject* of study is referred to as Discipline Specific Elective.
- **Generic/ Open Elective (GE) Course:** An elective course chosen generally from an *unrelated discipline/subject*, with an intention to seek exposure is called a Generic Elective. A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa, and such electives may also be referred to as Generic Elective.
- **Project/ Dissertation:** An elective course designed to *acquire special/advanced knowledge*, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called project/ dissertation.

3. Ability Enhancement Compulsory Courses (AECC): AECC courses are based upon the *content that leads to knowledge enhancement*, for example: English Communication, Environmental Science/ Studies, etc.

4. Skill Enhancement Courses (SEC): SEC Courses provide *value based and/or skill-based knowledge* and may content, *both Theory and Lab/Training/Field Work*. The main purpose of these courses is to provide students, *life-skills in hands-on mode to increase their employability*.

5. Mandatory Audit Courses (MAC) (Non-Credit): Mandatory Audit Courses are self-paced, non-instructional courses typically delivered through MOOC platforms.

Topics relevant to “SKILL DEVELOPMENT”: The course Language and Communication in Media equips students with essential language-based skills for engaging with media. Students explore how language functions in different communication models, how word choices shape meaning and ideology in media texts, and how to critically read and write for print formats like news reports and editorials. They also analyse spoken and visual language in audiovisual media, focusing on tone, structure, and audience impact. Across modules, the course builds student’s abilities in critical reading, effective writing, and discourse analysis, emphasising the role of language in shaping media narratives and public perception.

Assignment: Mention the Type of Project /Assignment proposed for this course

1. Objective: Deepen students' grasp of how classic advertising models structure persuasive messages.

Assignment (Module 1) Ad Case-Study Deconstruction (Group): In teams of 3–4, choose one iconic ad (print/video). Using PPT, annotate where each stage of a chosen model (e.g., AIDA, DAGMAR) appears (e.g., attention, interest, desire, action).

2. Objective: To ensure students can interpret brand-equity frameworks and recognize them in practice.

Assignment (Module 2) Brand Repositioning Case Study: Analyze a documented brand revitalization. Interpret how the brand moved through identity, positioning, and equity-building, and highlight which framework components appeared.

3. Objective: To ensure students can summarize how specific media channels and their key metrics support broader brand objectives.

Assignment (Module 3): Create a brief for a hypothetical campaign.
