About the School

Presidency School of Law

Presidency School of Law, approved by the Bar Council of India and the Government of Karnataka, offers rigorous and future-oriented legal education designed to develop competent, ethical, and socially responsible legal professionals. The School offers two five-year integrated Bachelor's Honours programmes - **B.A. LL.B. (Hons.)** and **BBA LL.B. (Hons.)**, along with a one-year **Master of Laws (LL.M.)** and a Ph.D. programme.

The integrated honours curriculum blends strong legal foundations with personal and professional skill development through courses such as Professional Communication, Research and Reasoning Skills, Advocacy, and Legal Drafting. These competencies are further strengthened through experiential learning opportunities, including moot courts, legal aid clinics, internships, and client counselling, ensuring students are well prepared for real-world legal practice.

Candidates shortlisted from the entrance test appear before an interview panel of the concerned department. Applicants are required to present a brief research proposal (approximately 500 words) outlining their research interests and proposed area of study.

The panel evaluates the candidate's research aptitude, subject knowledge, interdisciplinary understanding, and preparedness for doctoral research.

STUDENT LIFE

OFFICE OF INTERNATIONAL AFFAIRS

The Office of International Affairs (OIA), established in October 2021, fosters strategic global partnerships and advances internationalisation initiatives at Presidency University. OIA supports and facilitates the development of strategic alliances and collaborative agreements with international partners, including international internships, articulation and pathway programs, dual/double degrees, exchange and twinning programs, joint degrees, master's progression, offshore teaching arrangements, hosting international faculty, developing international strategy and policy, fostering student global experiences, and supporting international research partnerships. Whether you are a prospective student, collaborative partner, or international visitor, scan to learn more about the Office of International Affairs.

PRESIDENCY LAUNCHPAD

The Presidency Launchpad Association ecosystem enables start-ups to take their next big step by offering pre-incubation (ideation stage) as well as physical and virtual incubation support, free of charge for the first 18 months. The programme is open to all individuals with innovative ideas.

The Presidency Launchpad Association (Technology Business Incubator, or TBI) is a non-profit organisation registered as a Section 8 company. It supports aspiring entrepreneurs by providing guidance, facilities, and assistance to start, incubate, and successfully run businesses focused on innovation, societally important solutions, and environmentally relevant technologies.

PLACEMENTS

The Career Services Division serves as a springboard for students as they launch their professional careers, providing critical support at a pivotal stage of their academic journey. The Career Connect Division offers comprehensive placement services, forges strategic alliances with a wide range of companies, and oversees on-campus placement drives. Dedicated teams manage placement activities for the University's various schools. The Career Services Division has partnered with leading companies such as Capgemini, VLSI, PLM, and Tech Mahindra, which have established laboratories on campus. These labs initially train faculty members, who in turn train students, equipping them with industry-relevant skills and making them job-ready.
