EVENT REPORT

One Health Initiative – MoU Signing Ceremony between Presidency University and Anand Abhigyan Hospital

1. About Event

*The Institutional Social Responsibility (ISR) Cell, Presidency University, successfully organized the **One Health Initiative – MoU Signing Ceremony** between **Presidency University** and **Anand Abhigyan Hospital** on **24 July 2026** at the **VC Board Room, Presidency University**.*

*The Memorandum of Understanding (MoU) marked the commencement of a strategic partnership between the two institutions, aimed at fostering collaboration in healthcare, education, research, and community outreach. Established under the **One Health Initiative**, the partnership reflects a shared commitment to addressing public health challenges through interdisciplinary collaboration and knowledge exchange.*

The ceremony brought together representatives from Presidency University and Anand Abhigyan Hospital to formalize the collaboration and discuss future initiatives that will benefit students, faculty, healthcare professionals, and the community at large.

4. Objectives

The initiative was organized with the following objectives:

- To establish a formal partnership between Presidency University and Anand Abhigyan Hospital.
 - To promote collaborative initiatives in healthcare, education, research, and community outreach.
 - To strengthen interdisciplinary learning through the One Health approach.
 - To facilitate knowledge sharing, joint research, and capacity-building programmes.
 - To create opportunities for students and faculty to participate in healthcare-focused academic and community engagement activities.
-

5. Ceremony Proceedings

The ceremony commenced with a warm welcome to the dignitaries, followed by an introduction to the vision and objectives of the **One Health Initiative**. The gathering emphasized the importance of collaborative efforts between academia and healthcare institutions in addressing emerging public health challenges and promoting holistic well-being.

The Memorandum of Understanding was formally signed by **Dr. Sunila Kiran**, representing **Anand Abhigyan Hospital**, and the authorized representative of **Presidency University**. The ceremony was attended by **Dr. Kamal Kiran, CEO, Anand Abhigyan Hospital**; **Dr. Venkateswaran S, Registrar, Presidency University**; **Dr. Anu Sukdev, Dean, Department of Student Affairs**; **Ms. Vanitha R, ISR Cell**; and **Mr. Sumaanth M, ISR Cell**.

.

Following the signing, both institutions exchanged the signed MoU documents and discussed prospective areas of collaboration under the One Health Initiative. The discussions focused on healthcare awareness programmes, academic engagement, student training, community outreach, research collaborations, and initiatives that promote public health and social responsibility.

The ceremony concluded with a vote of thanks, exchange of mementoes, and a group photograph commemorating the beginning of the partnership.

5. Outcomes & Impact

The MoU Signing Ceremony successfully established a collaborative partnership between Presidency University and Anand Abhigyan Hospital.

- Formalization of a strategic partnership under the One Health Initiative.
- Strengthened collaboration between academia and the healthcare sector.
- Creation of opportunities for joint healthcare awareness programmes, research, and community outreach initiatives.
- Enhanced prospects for experiential learning, professional exposure, and skill development for students.
- Reinforcement of the University's commitment towards community engagement and interdisciplinary collaboration.

6. SDG Alignment

The event aligned with the following Sustainable Development Goals (SDGs):

- **SDG 3 – Good Health and Well-being:** Promoting collaborative healthcare initiatives and improving community health.
 - **SDG 4 – Quality Education:** Supporting interdisciplinary learning, research, and knowledge exchange.
 - **SDG 17 – Partnerships for the Goals:** Strengthening partnerships between academia and healthcare institutions to achieve sustainable development.
-

7. Conclusion

The **One Health Initiative – MoU Signing Ceremony** marked an important milestone in Presidency University's commitment to fostering meaningful partnerships that bridge academia and healthcare. The collaboration with Anand Abhigyan Hospital lays a strong foundation for future initiatives in education, research, healthcare, and community engagement.

Through this partnership, both institutions reaffirmed their shared vision of creating sustainable and impactful solutions to societal challenges while providing valuable opportunities for learning, innovation, and service. The collaboration is expected to contribute significantly towards achieving the Sustainable Development Goals through collective action and institutional partnership.
