

# PRESIDENCY UNIVERSITY

Private University Estd. in Karnataka State by Act No. 41 of 2013

## SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

### Time Table for Mid Term : Odd Semester (2026-2027)

Program: B.Tech (All Programs)

BATCH 2023 [VII Semester]

| B.TECH. COMPUTER ENGINEERING |                    |             |                                                        |
|------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                    | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday            | 09.30am to 11.00am | ISE3400     | Generative AI                                          |
| 06-10-2026,Tuesday           | 09.30am to 11.00am | BBA1035     | Digital Entrepreneurship                               |
| 06-10-2026,Tuesday           | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                            |
| 06-10-2026,Tuesday           | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday           | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday           | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                |
| 06-10-2026,Tuesday           | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing  |

| B.TECH. COMPUTER ENGINEERING (ARTIFICIAL INTELLIGENCE & MACHINE LEARNING) |                    |             |                                                        |
|---------------------------------------------------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                                                                 | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                                                         | 09.30am to 11.00am | ISE3400     | Generative AI                                          |
| 06-10-2026,Tuesday                                                        | 09.30am to 11.00am | BBA1035     | Digital Entrepreneurship                               |
| 06-10-2026,Tuesday                                                        | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                            |
| 06-10-2026,Tuesday                                                        | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday                                                        | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday                                                        | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                |
| 06-10-2026,Tuesday                                                        | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing  |

| B.TECH. COMPUTER SCIENCE & ENGINEERING |                    |             |                                                           |
|----------------------------------------|--------------------|-------------|-----------------------------------------------------------|
| Date, Day                              | Time               | Course Code | Course Name                                               |
| 05-10-2026,Monday                      | 09.30am to 11.00am | ISE3400     | Generative AI                                             |
| 05-10-2026,Monday                      | 11.45am to 01.15pm | CSE3502     | Computational Optimization for Intelligent Systems        |
| 05-10-2026,Monday                      | 11.45am to 01.15pm | CSE3504     | Computational Linguistics and Natural Language Processing |
| 06-10-2026,Tuesday                     | 09.30am to 11.00am | BBA1035     | Digital Entrepreneurship                                  |
| 06-10-2026,Tuesday                     | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                               |
| 06-10-2026,Tuesday                     | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence    |
| 06-10-2026,Tuesday                     | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                     |
| 06-10-2026,Tuesday                     | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                   |
| 06-10-2026,Tuesday                     | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing     |
| 06-10-2026,Tuesday                     | 02.00pm to 03.30pm | CSE3519     | Information Security and Management                       |
| 06-10-2026,Tuesday                     | 02.00pm to 03.30pm | CSE3520     | Network Intrusion Detection and Prevention                |

| B.TECH. COMPUTER SCIENCE & TECHNOLOGY |                    |             |                                                        |
|---------------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                             | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                     | 11.45am to 01.15pm | CSG2501     | Gen AI for Data Science                                |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | BBA1035     | Digital Entrepreneurship                               |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                            |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | MAT3051     | Data Analytics with Python                             |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                |
| 06-10-2026,Tuesday                    | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing  |

| B.TECH. COMPUTER SCIENCE & TECHNOLOGY (ARTIFICIAL INTELLIGENCE & MACHINE LEARNING) |                    |             |                                                        |
|------------------------------------------------------------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                                                                          | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                                                                  | 11.45am to 01.15pm | CSG2501     | Gen AI for Data Science                                |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | BBA1035     | Digital Entrepreneurship                               |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                            |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | MAT3051     | Data Analytics with Python                             |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                |
| 06-10-2026,Tuesday                                                                 | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing  |

| B.TECH. COMPUTER SCIENCE AND ENGINEERING (NETWORKS) |                    |             |                                                        |
|-----------------------------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                                           | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                                   | 09.30am to 11.00am | ISE3400     | Generative AI                                          |
| 05-10-2026,Monday                                   | 11.45am to 01.15pm | IST3405     | Applied ML Techniques                                  |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | MAT3051     | Data Analytics with Python                             |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing  |
| 06-10-2026,Tuesday                                  | 02.00pm to 03.30pm | CSN2502     | Ad Hoc Networks                                        |

| B.TECH. COMPUTER SCIENCE AND INFORMATION TECHNOLOGY |                    |             |                                                        |
|-----------------------------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                                           | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                                   | 09.30am to 11.00am | ISE3400     | Generative AI                                          |
| 05-10-2026,Monday                                   | 11.45am to 01.15pm | IST3405     | Applied ML Techniques                                  |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | MAT3051     | Data Analytics with Python                             |
| 06-10-2026,Tuesday                                  | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                |
| 06-10-2026,Tuesday                                  | 02.00pm to 03.30pm | CSI2000     | High Performance Computing                             |

| B.TECH. INFORMATION SCIENCE & ENGINEERING                      |                    |             |                                                        |
|----------------------------------------------------------------|--------------------|-------------|--------------------------------------------------------|
| Date, Day                                                      | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                                              | 09.30am to 11.00am | ISE3400     | Generative AI                                          |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | BBA1035     | Digital Entrepreneurship                               |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                            |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | EEE3102     | Fundamentals of industrial automation                  |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | MEC2003     | Supply Chain Management                                |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | PHY3001     | Principles of Quantum Mechanics and quantum computing  |
| B.TECH. INFORMATION SCIENCE & ENGINEERING (AI AND ROBOTICS)    |                    |             |                                                        |
| Date, Day                                                      | Time               | Course Code | Course Name                                            |
| 05-10-2026,Monday                                              | 09.30am to 11.00am | ISE3400     | Generative AI                                          |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | ECE3107     | Machine Vision for Robotics                            |
| 06-10-2026,Tuesday                                             | 09.30am to 11.00am | ECE3190     | Foundations of Electronics for Artificial Intelligence |
