**Decoding India's
Business DNA:**
**Bridging Local Strengths with
Global Aspirations**

We were delighted to welcome the students and faculty who visited us from the University of Applied Management Studies (HdWM), Germany; TH Aschaffenburg University of Applied Sciences, Germany; and FH Technikum Wien, Austria.

Over the 10 days (08-16 December 2025), these bright young minds **embarked** on a transformative learning journey themed **"Decoding India's Business DNA: Bridging Local Strengths with Global Aspirations."** The program **offered** a deep dive into:

- India's dynamic business and entrepreneurial ecosystem
- Innovation-led sustainable development
- Industry engagements, expert lectures, and networking sessions
- Cross-cultural collaborations and academic exchange
- Heritage, culture, and the spirit of India's growth story

Gateway2India - Winter Program 2025

**Gateway2India – Winter Program 2025 at Presidency University, Bangalore**

From classrooms to boardrooms, from heritage streets to innovation hubs, **Gateway2India – Winter Program 2025 was a journey of learning, discovery, and meaningful global connection.**

Hosted by the Office of International Affairs, Presidency University, Bengaluru, India, this first-of-its-kind international immersion **brought together** students and faculty from the University of Applied Management Studies (HdWM), Germany; TH Aschaffenburg University of Applied Sciences, Germany; and FH Technikum Wien, Austria.

From thought-provoking academic sessions and immersive industry visits to conversations on entrepreneurship, sustainability, and innovation, the program **offered** a living, breathing understanding of India's business, culture, and societal fabric. Participants **did not just learn** about India; they **walked** its markets, **engaged** with its industries, **experienced** its traditions, and **reflected** on its future.

The journey **concluded** with powerful reflections and shared insights, reminding us that true internationalization **was not just about mobility**, but about meaningful connections, shared learning, and global perspectives.

Gateway2India Program 2025 **stood** as a proud milestone in Presidency University's commitment to experiential, globally connected education.

Visit of Spain Ambassador

We were honoured to welcome H.E. Juan Antonio March Pujol, Ambassador of Spain to India, and Ms. Surbhi Sharma, Honorary Consul of Spain in Bangalore, to Presidency University, Bangalore.

A defining moment of the visit was the Ambassador's engaging interaction with our students, where he delivered a thought-provoking session for our M.Tech cohort on "Intersection of AI and Humans." The session encouraged students to critically reflect on the evolving relationship between technology and humanity, ethics in AI, and the role of innovation in shaping a responsible future.

The visit also marked the inauguration of Presidency University's MAKERSPACE - a dynamic innovation hub envisioned to foster hands-on learning, design thinking, and student entrepreneurship. Equipped to support experimentation in AI, IoT, and Robotics, the Makerspace enabled students to transform ideas into prototypes, work on real-world projects such as CanSat, and collaborate with industry experts through workshops, hackathons, and technology summits. It stood as a bridge between academic learning and real-world innovation.

Ambassador of Spain to India delivers talk, launches book

EXPRESS NEWS SERVICE

@Bengaluru

AMBASSADOR of Spain to India Juan Antonio March Pujol delivered a lecture on the 'Intersection of AI and Humans' at Presidency University on Monday. He also launched his book – **The Great Reset: CTRL+ALT+HUMAN**.

In his talk, Pujol stressed the need for ethical responsibility and human-centric thinking in an era of rapid technological advancement. He added that humanity is entering a new era driven by intelligence, where artificial intelligence (AI) would significantly influence communication, education, mobility, governance and global cooperation. He said while AI could enhance efficiency, it eventually is made by humans, whose creativity, ethical judgment and responsibility must remain paramount.

Pujol also interacted with students during a Q&A session following his lecture.

Participated In Tamkang University's 75th Anniversary Diamond Jubilee

Strengthening Global Connections: Presidency University Bangalore in Taiwan!
Dr. Sivaperumal Sampath (Pro Vice Chancellor) and Dr. Sameena Noor Ahmed Panali (Registrar) of Presidency University Bangalore visited Taiwan to attend the 75th Anniversary celebrations of Tamkang University.

During their visit, they had the opportunity to network with several leading universities and engage in meaningful discussions to further enhance academic collaborations.

A group of 18 people, including faculty and students, posing for a group photo in front of the Presidency University building. The building features a large logo and the text "PRESIDENCY UNIVERSITY". The group is arranged in two rows, with some people standing on a low wall in the front. They are dressed in a mix of formal and semi-formal attire. The background shows the university's architecture and some greenery.

Strengthening Global Connections with Sweden at Presidency University Bangalore

Presidency University Bangalore had the privilege of welcoming a distinguished Swedish delegation, marking an exciting step toward deeper academic and research collaboration with one of the world's most innovative and education-driven nations.

Renowned for its cutting-edge research, sustainability leadership, and student-centred education system, Sweden continued to inspire institutions globally. These values aligned seamlessly with our vision at Presidency University, and the visit opened avenues to explore shared priorities and build meaningful connections for our students and faculty.

Our discussions focused on collaboration opportunities with the following esteemed institutions: Linköping **University** (Prof. Roland Gårdhagen, Associate Professor, Department of Management and Engineering and Ms. Marie Söderholm, Study Adviser, Faculty of Science and Engineering), **Mälardalen University** (Ms. Johanna Forsström, International Coordinator), **University of Borås** (Ms. Jenny Balkow, Strategic Advisor, International Affairs), and **University of West** (Ms. Ebba Thorolvsén, Communications Officer).

From student and faculty mobility to joint research, innovation-driven programs, and future-ready academic exchanges, the deliberations were insightful and promising.

Presidency University Hosts Nanyang Polytechnic International for Academic Immersion

Presidency University welcomed students from Nanyang Polytechnic International for an enriching immersion program that offered insights into the academic, cultural, and professional landscape of Bengaluru.

The program began with an introduction to Presidency University by Dr. Sivaperumal, Pro Vice Chancellor and Director of International Affairs. This was followed by a session on understanding the socio-cultural landscape of Bengaluru, delivered by Ms. Sai Prasanna, Manager – International Affairs.

Professor Koppada Kiran from the School of Management shared valuable insights on the working environment and business opportunities in Bengaluru, highlighting the city's dynamic role in India's economic and innovation ecosystem.

The program concluded with an engaging interactive workshop between the visiting students and Presidency University students, facilitated by Prof. Maitraiye Konar, Student Welfare Officer, DSA, fostering cross-cultural dialogue and collaborative learning.

International Academic Exchange with FH Technikum Wien, Austria

Presidency University Bangalore recently hosted 16 students and 2 faculty members from FH Technikum Wien, Austria, as part of the "India's Education, Technology and Innovation Exploration" program, a one-week academic and cultural immersion initiative.

The visit provided a valuable platform for academic engagement and discussions on strengthening collaboration through COIL initiatives, faculty mobility, joint student research, and technical knowledge exchange. The visiting students also explored India's dynamic technology and innovation ecosystem through planned visits to leading technology companies in Bengaluru and New Delhi.

The program successfully strengthened the partnership between Presidency University and FH Technikum Wien, promoting global learning, collaboration, and knowledge exchange.

It was a great pleasure to meet Dr. Ken Henderson, Chancellor and Senior Vice President for Learning, and Mr. Satyajit Dattagupta, Executive Vice Chancellor and Chief Enrollment Management Officer, from Northeastern University, USA

STUDENTS ABROAD - RESEARCH INTERNSHIPS

Presidency University students proudly represent India through prestigious international research internships at leading universities and research institutions across the globe. These opportunities provide world-class research exposure, foster innovation and academic excellence, and strengthen global collaboration while enriching students with invaluable cross-cultural learning experiences.
