Media Society Development Review

AUTHOR GUIDELINES

MSDR invites original, unpublished work in the following categories:

Research Articles | 5,000–8,000 words

Empirical or theoretical papers with clear research questions, robust methodology, literature review, analysis, and conclusion.

Review Articles | 4,000–6,000 words

Critical syntheses of existing research, mapping key debates, gaps, and emerging directions in a specific area.

Short Communications | 1,000–1,500 words

Brief, focused pieces such as research notes, field reports, preliminary findings, or reflective essays on practice.

Book Reviews | 800–1,200 words

Critical evaluations of recently published books relevant to the journal's scope, situating the text within wider scholarly or professional debates.
