Certificate of Internship

This is to certify that Shri. Devender V, studying in 8th Semester, Department of Civil Engineering, **PRESIDENCY UNIVERSITY** Bengaluru, underwent internship programme in *“Drone Services for Generation and Supply of ORI for Large Scale Mapping (Agricultural Land) And Habitation Under Resurvey Project – Chittoor District”* between December 2022 - May 2023.

Under the programme, a comprehensive resurvey of all lands (with the exception of forest areas) is under progress using advanced hybrid technology such as drones, Continuously Operating Reference System (CORS) base stations and Global Navigation Satellite System (GNSS) Rovers. The project outlines with generation and submission of ORIs and DSM all villages with desired accuracy. The data generated by the resurvey shall ultimately lead to the creation of an Integrated Land Information and Management System with title registration to facilitate administration, organization and management of all aspects of land.

Devender was actively involved in the project and we appreciate his efforts and interest.

We wish him all the best in his future endeavours.

Ref: Re-enrollment of B. Amruth for Final year Civil Engineering

Dear Sir/Madam,

This is in reference to my (B. Amruth) re-enrollment to complete Final year of Civil Engineering.

Due to family circumstances and the recent loss of my dear mother I have had to take up a job. I am currently working as Production Manager at Divya Impex in Bengaluru and will have to continue working full time to manage my family's financial responsibility.

So alongside working, I am willing to continue my education which I missed in the past year and also study all the course material of my final year and will attend the exams and ensure I will complete my Engineering graduation degree in the upcoming academic year 2022-2023.

Also, I have a very good attendance and academic record in my past 3 years and I assure you I will study hard and earnestly complete the degree by keeping my day job.

I sincerely request you to support me in these tough times by letting me re-enroll and allowing me to continue my job as my company is allowing me to continue my education along with my working schedule.

I hereby furnish contact info of my employer for verification.

Mr. Shubham Bhandari - Director

Certificate of Internship

This is to certify that Shri. Adarsh Kulkarni, studying in 8th Semester, Department of Civil Engineering, **PRESIDENCY UNIVERSITY** Bengaluru, underwent internship programme in "*Drone Services for Generation and Supply of ORI for Large Scale Mapping (Agricultural Land) And Habitation Under Resurvey Project – Chittoor District*" between February 2022 - May 2023.

Under the programme, a comprehensive resurvey of all lands (with the exception of forest areas) is under progress using advanced hybrid technology such as drones, Continuously Operating Reference System (CORS) base stations and Global Navigation Satellite System (GNSS) Rovers. The project outlines with generation and submission of ORIs and DSM all villages with desired accuracy. The data generated by the resurvey shall ultimately lead to the creation of an Integrated Land Information and Management System with title registration to facilitate administration, organization and management of all aspects of land.

Adarsh Kulkarni was actively involved in the project and we appreciate his efforts and interest.

We wish him all the best in his future endeavours.
