

# PRESIDENCY UNIVERSITY

(Established under the Presidency University Act, 2013 of the Karnataka Act 41 of 2013)

**Name of the School:**School of Information Science

**Name of the Department:** Bachelor of Computer Applications

**Title of the Value Added Course:** Data Visualization Using Tableau

**Course Duration:** 30 hours

**Course Code:** CSEV320

## **COURSE PREREQUISITES:**

- No programming experience required.
- Interested in using data to make better business decisions.

**Introduction to the Course:** Data visualization skills are tremendously important in today's data driven economy. Collecting and analysing data is just one step; to communicate your results to clients or your managers, you need to present the data in a coherent and intuitive way. Charts or graphs allow the human brain to visualize and understand large amounts of complex data.

This course will teach you to use data visualization to explore and understand data, and then communicate insights in a powerful and meaningful ways.

**Course Outcomes:** On successful completion of the course the students shall be able to :

- Explore why visualization is so important in analytics.
- Learn about exploratory versus explanatory visualizations.
- Apply data types and ways to encode data
