PRESIDENCY UNIVERSITY, BANGALORE Financial Statement for the year ending 31 March 2020

SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS

Background

University is incorporated under Presidency University Act, 2013 and received the assent of the Governor on the Twenty second day of March, 2013. This is an Act to establish and incorporate in the state of Karnataka, a University of unitary nature in the private sector by A H Memorial Education Trust, Bangalore, to promote and undertake the advancement of applied University education in Business & Management Studies, Life Sciences, Computer Science & Information Technology and other Technical courses, Medical Sciences and allied sectors and for the matters connected therewith or incidental thereto

B. Significant Accounting Policies

1 Basis of preparation of Financial Statements

The financial statements are prepared under the historical cost convention and on the accrual basis of accounting in accordance with Generally Accepted Accounting Principles (GAAP) in India. These financial statements comply with the Accounting Standards issued by The Institute of Chartered Accountants of India (ICAI).

2 Revenue Recognition

Fees from Students (except Tuition Fees), Sale of Admission Forms, Royalty and Interest on Savings Bank account are accounted on cash basis. Tuition Fees collected separately for each semester is accounted on accrual basis. Income from Land, Buildings and Other Property and Interest on Investments are accounted on accrual basis.

Fixed Assets and Depreciation

Fixed assets are stated at cost of acquisition including inward freight, duties and taxes and incidental and direct expenses related to acquisition, installation and commissioning

Infrastructure constructed under work order contracts are capitalised when substandial work is completed and virtual completion of the project is obtained from the Architect

Fixed assets are valued at cost less accumulated depreciation. Depreciation on fixed assets is provided on written down value method, at the following rates

, at the following rates	
Particulars of Assets	Rate of Depreciation
Land	0
Site under Development	0
Buildings	10%
Plant and Machinery	1 5%
Electrical Installation	15%
Tube Wells and Water Suply System	15%
Office Equipments	15%
Laboratory and Science Equipments	15%
Audio Visual Equipments	15%
Furniture and Fixtures and Fittings	10%
Computer and Pheripherals	40%
Sports Equipments	15%
Vehicles	30%
	15%
Library Books and Scientific Journals	15%
Intangible Assets	1570

Assets, the individual value of each of which is Rs. 2000 or less (except Library Books) are treated as Small Value Assets, 100% depreciation is provided in respect of such assets at the time of their acquisition

Interest on borrowed money allocated to and utilized for qualifying assets, pertaining to the period up to the date of capitilization is capitalized. Assets acquired on finance lease is capitalised at the gross value and interest there on is charged to Income Statement.

Advances paid towards acquisition of fixed assets outstanding as of each Balance Sheet date and the cost of fixed assets not ready for use before such date are disclosed under capital work in progress. Lease payements under operating lease are recognized as an expense in the Income Statement.

Payment for lease hold land is amortised over the period of lease.

- Retirement benefits
 - Retirement benefits i.e., gratuity and leave encashment are accounted on cash basis
- 5 Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires managements to make judgements, estimates and assumptions that affect the application of a Accounting Policieis and reported amounts of assets, liabilities, income and expenditure and disclosure of contingent liabilities on the date of the Balance Sheet. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

Borrowing costs are interests and other costs incurred by the sponsoring body on behalf of the University in connection with the **Borrowing Cost Capitalisation** borrowing of funds. The funds are used for the purpose of developing infrastructure and purchase of fixed assets for the University and for operating expenses. Borrowing costs directly attributable to construction or acquisition of those fixed assets which essentially take substantial period of time to get ready for their intended use are capitalised. Other borrrowing costs are expensed in the period in which these are incurred.

A provision is recognized when the institution has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Contingent liabilities are not recognized but disclosed in the notes to the financial statements.

Assets acquired under leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified Accounting for Leases as operating leases. Lease rentals are charged to the Income and Expenditure on accrual basis.

The University is engaged in the activity of imparting education through its educational instituitions. Accordingly, separate primary and secondary segment reporting disclosures as envisaged in Accounting Standard (AS-17) on Segment Reporting issued by the ICAI are not applicable to the present activities of the University

- 10 The balances of advances, deposits, accounts payable and receivable are subject to confirmation
- 11 Previous year's figures have been regrouped and rearranged wherever necessary, to confirm current year's classifications
