On behalf of the faculty and staff, I am excited to share that you have been provisionally admitted to Drexel University. You were selected from an accomplished and talented group of applicants.

The following information provides details regarding your admission to Drexel University. If you require a physical copy of your admission letter for a visa application or scholarship purposes, please print this page. This printout is considered an official copy.

PROGRAM INFORMATION

You have been admitted to the following program:

Major Admitted: Cybersecurity, MS

Degree: MS in Cybersecurity

College: College of Engineering

Status: Full-time

Starting Term: Fall

Student Type: 2020-2021 Graduate

Please note that your offer of admission is specific to the term and major above.

YOUR ADMISSION DECISION

Congratulations! Drexel University is pleased to provisionally offer you admission. An official admission letter has been sent to you by mail.

CONDITIONS OF YOUR ADMISSION

Provisional Admission

Your offer of admission is provisional based on the following: You must remain in good academic standing with a cumulative and graduate GPA of 3.0 or above to be admitted to the MS program in Year 5. In addition, you must submit an official, final transcript from your home institution including your graduation certificate(s) to Drexel once your Bachelor's degree has been conferred. If applicable, documentation that the provisions have been met must be received before you can begin the program.

Final Transcripts

If you are currently enrolled in a college or university, you must submit final transcripts. If final transcripts are not received prior to the start of coursework at Drexel, a registration hold may be placed on your account. If other materials were requested at the time of your acceptance, these must be submitted as well.

Disciplinary Actions

You are required to notify Drexel of any legal or disciplinary actions taken against you prior to enrollment. Drexel University reserves the right to withdraw your offer of admission in the event that 1) you show a significant drop in academic performance, 2) you fail to graduate, 3) you misrepresent yourself in the application process, or 4) the University learns that you have engaged in behavior prior to enrollment that indicated a serious lack of judgment or integrity.

NEXT STEPS

Now that you have been admitted, there are some additional items you must complete before officially becoming a student at Drexel University.

Confirm Your Enrollment at Drexel University

To reserve your seat in the entering class, please submit the non-refundable tuition deposit by **Monday, May 30**. This deposit will be applied to your tuition bill. Confirm your enrollment and submit your deposit now (<https://discover.drexel.edu/bannerSSO>).

Check out the Graduate Admissions Admitted Students page (<http://drexel.edu/grad/resources/admitted/>) for additional steps.

Submit Required I-20 Application Documents

Students without United States Citizenship or Permanent Residence (also called a Green Card) will require a visa that permits them to study in the United States. Some foreign students already have a visa that allows them to study at an American university. It is important to know whether that visa will also allow you to work, especially if you will pursue a program at Drexel with a co-op requirement (cooperative education).

Please note that only those students who have confirmed their acceptance to Drexel can start the visa application. Drexel can support you in pursuing one of two types of student visas: an F-1 visa or a J-1 visa. If you have any concerns or questions about what type of visa you need in order to pursue your studies at Drexel University, please visit the International Students and Scholars Services Office website (http://drexel.edu/studentlife/get_involved/international_students_scholars/new-international-students/) to learn more about different visa types.
