Action taken Report on Curriculum Feedback- 12th Bos

Feedback from Alumni and action taken report

Based on the feedback received from stakeholders, related courses (Annexure 1) were revised. Few new courses (Annexure 2) were also included based on the feedback received from stakeholders.

Sl. No.	Feedback	Action Taken
1	More focus should be given for startups and more weightage should be given for employability	Career skills introduced from 3rd semester onwards and discussed the same in the BoS
2	The gap between industry requirement and academics should be considered	Discussed in BoS and decided to conduct more workshops and hands-on sessions on latest tools and programming languages.

Action taken Report on Curriculum Feedback- 12th Bos

Feedback from Alumni and action taken report

Sl. No.	Feedback	Action Taken
1	Skillsets of the students has to be improved and special attention has to be given for personality development	To further enhance student quality a set of skill series was conducted with help of industry experts with a special focus on imparting personality development and employability skills.
2	More exposure on field has to be encouraged.	Students were provided international exposure through a student exchange program

Based on the feedback received from stakeholders, related courses (Annexure 1) were revised. Few new courses (Annexure 2) were also included based on the feedback received from stakeholders.

Feedback from Employer and action taken report

Sl. No.	Feedback	Action Taken
1	Industry exposure has to be given during the study itself	Greater collaborations with a number of industries to provide a more comprehensive and enriching internship programs for the students.
2	Special attention has to be given for the holistic development of the students	The university curriculum promotes experiential learning and implements innovative techniques to deliver a holistic learning experience to its students with a view to enriching them with the required career and human skill sets to achieve all-around success in their lives and enable them to contribute as worthy global citizens

Based on the feedback received from stakeholders, related courses (Annexure 1) were revised. Few new courses (Annexure 2) were also included based on the feedback received from stakeholders.
