REGISTRAR

REPORT on YOGA SESSION

Date: -13-May-2023

The Department of Electronics & Communication Engineering with the collaboration of Department of Student Affairs, Presidency University, organized a Yoga session on 12th May 2023 for the 4th & 6th Semester Students from 9:50 AM to 10:45 AM of total 500 students along with 8 Faculty members. The session was held at the outside of University's Auditorium conducted by a certified Yoga trainer Ms. Kavitha

Objective: The main objective of the Yoga session was to promote physical and mental well-being among the participants. It aimed to introduce the students to the benefits of Yoga and provide them with an opportunity to practice various Yoga asanas and techniques.

Session Details: The Yoga session began at 9:50 AM and lasted for one hour. The University's Auditorium was prepared in advance with yoga mats and comfortable seating arrangements for the participants. The session started with a brief introduction to Yoga and its significance in maintaining a healthy lifestyle.

Trainer Details: The certified Yoga **Ms. Kavitha** guided the participants through a series of warm-up exercises to prepare their bodies for the asanas. The participants were then led through a series of Yoga asanas that included Surya Namaskar, Padmasana, Bhujangasana, and Dhanurasana, among others. The instructor paid special attention to correct posture and breathing techniques.

The session also included a guided meditation session, which focused on relaxation and stress reduction. The instructor led the participants through a series of visualization exercises that helped them relax and clear their minds.

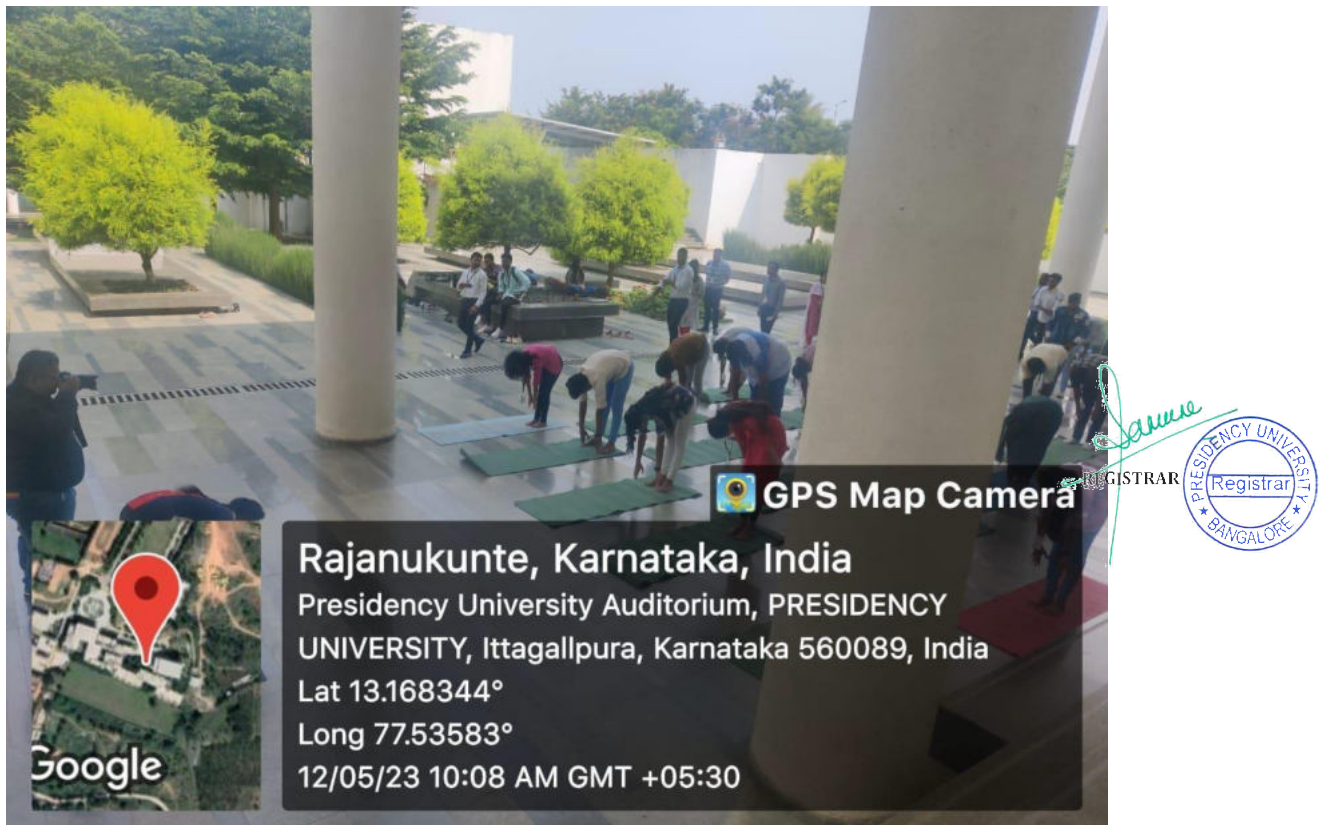

Throughout the session, the instructor emphasized the importance of mindfulness and encouraged participants to focus on their breath and stay present in the moment. This helped create a serene and tranquil environment, conducive to the practice of Yoga.

Dear Sir,

Greetings of the Day from Presidency University, Bengaluru!!!

We are very honoured to introduce ourselves to you as Department of Electronics and Communication Engineering, School of Engineering, Presidency University, Bengaluru. We are one of the most renowned Institutes for higher Education in India. Presidency University is a constituent of the Presidency Group of Institutions [PGI], which has and continues to be active for more than a decade and half in higher education.

We are happy to invite you as our resource person for the seminar talk on "**How to Crack the GATE in 1st Attempt**" on 19th Oct 2022 , as a part of annual series of events conducted by the department of Electronics & Communication Engineering, Presidency University, Bengaluru.

As you are one amongst the well-known in the area of your specialisation and expertise, we are very sure your deliberation and participation will surely benefit the participants. We hope this interaction will continue for long fruitful educational and professional exchanges.

We look forward to the limitless possibilities of this relationship. With great happiness we are looking forward for your session.

Thanking you,

Dr Rajiv Ranjan Singh

REPORT on the Event

The department of Electronics and Communication Engineering organized a Seminar talk on “**How to Crack the GATE in 1st Attempt**” by Vipin Kumar Mishra, IMS GATE ACADEMY Pvt Ltd, Bangalore on 19th Oct 2022.

The stage program was coordinated by ECE department GATE Forum Coordinators, Ms Srilakshmi, Ms. Pallabi and Dr . Sumanthra Chaudhari. The session was most illuminating seminar by the speaker on “**How to Crack the GATE in 1st Attempt**” was received with great enthusiasm by students and faculty members.

Vipin Kumar Mishra explained test preparation, mentoring, career counselling and allied services to help students realize their career aspirations. He also gave insight for better understand as to how easily they can crack GATE if their engineering basics are good.

He also explained that GATE score is very important for candidate seeking job in **Public Sectors-** Direct Interview Call in 58 companies HAL, IOCL, BHEL, GAIL, ONGC. PGCIL, etc (5000 Vacancies Approx.), in **Government Sector Jobs entrance exams:** KPTCL, KPSC, BESCOM, ECIL, RRB JE, DMRC etc. entrance exams can be cracked by the help of GATE preparation. Syllabus is the same as GATE **and also Private Sectors Jobs** – Get more preference in Interview: GATE score authenticates the students aptitude which makes them more employable.

He also explained that candidate with good GATE score can seek Admissions to IIMS & IIT s for **Higher Technical Education-** ME, M.Tech, MS & PhD: Students eligible for direct PhDs. Stipend of Rs 12400/- pm for Master program and Rs 70000*/- pm for PhD program.

Resource Person Biodata: Vipin Kumar Mishra has completed M.Tech from NITTR, Chandigarh. He has more than 12 years and GATE qualified and AIR-2806.

REPORT on YOGA SESSION

Date: -19-October-2022

The Department of Electronics & Communication Engineering with the collaboration of Department of Student Affairs, Presidency University, organized a Yoga session on 18th October 2022 for the 2th & 4th Semester Students from 9:50 AM to 10:45 AM of total 500 students along with 8 Faculty members. The session was held at the outside of University's Auditorium conducted by a certified Yoga trainer Ms. Kavitha

Objective: The main objective of the Yoga session was to promote physical and mental well-being among the participants. It aimed to introduce the students to the benefits of Yoga and provide them with an opportunity to practice various Yoga asanas and techniques.

Session Details: The Yoga session began at 9:50 AM and lasted for one hour. The University's Auditorium was prepared in advance with yoga mats and comfortable seating arrangements for the participants. The session started with a brief introduction to Yoga and its significance in maintaining a healthy lifestyle.

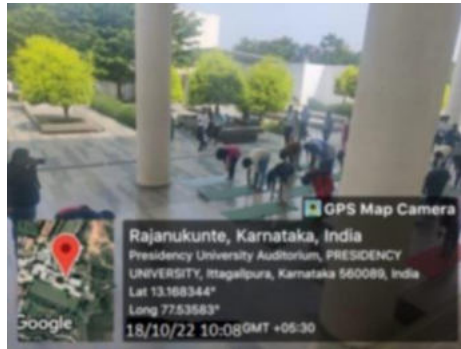

Trainer Details: The certified Yoga **Ms. Kavitha** guided the participants through a series of warm-up exercises to prepare their bodies for the asanas. The participants were then led through a series of Yoga asanas that included Surya Namaskar, Padmasana, Bhujangasana, and Dhanurasana, among others. The instructor paid special attention to correct posture and breathing techniques.

The session also included a guided meditation session, which focused on relaxation and stress reduction. The instructor led the participants through a series of visualization exercises that helped them relax and clear their minds.

Throughout the session, the instructor emphasized the importance of mindfulness and encouraged participants to focus on their breath and stay present in the moment. This helped create a serene and tranquil environment, conducive to the practice of Yoga.
