## **INTERACTIVE SESSION – ANIL MACHADO, HEAD OF PROGRAMMING, RADIO CITY**

**DATE: 14-02-2018**

Anil Machado, the Head of Programming, Radio City, visited the campus as a Guest Speaker on 10th of February 2018, for an interactive session on **“Creativity and Moving Ahead in Today’s Scenario”** which was attended by students from the Schools of Engineering, Law and Management.

With an easy humorous style and candor, he drew parallels from activities like blowing bubbles and writing postcards to today’s style of communication and de-stressing options. The objective was to be able to manage the things one has to do vis a vis the things one wants to do.

The session turned out to be a first in postcard writing for many of the students touching on a by gone era while connecting with today.

DATE: 06-03-2018

Padmashri Awardee and 14 times National Award winner, **SHRI GIRISH KASARAVALLI**, Director of Kannada Films was on campus for an interactive session that caught the imagination of Staff and Students alike. It started off with a brief peek into his life, where he revealed that though a topper in Pharmacy, he chose to pursue his passion.

Eager students asked questions on the perfect screenplay, characterization and interplay of various elements in a movie. The guest enthusiastically answered all questions with illustrations from his life while also linking to the current day dilemma in youth while choosing a profession over passion. The aim was to make students reflect on their choice in life.
