Important Dates

Welcome Week starts on 18 September 2023 and you should plan to arrive in order to be on campus for the University's introductory events for new students. Tuition commences on 25 September 2023 and your full-time programme will end on 30 September 2024.

Graduation ceremony dates have not yet been finalised, but are usually in the December or January following completion of your programme.

Fees

The fees for this programme are currently set at £26350 for the academic year 2023-24.

[A full list of up-to-date fees](#)

This offer is made on the understanding that you qualify as an Overseas student for fees purposes. If you have any questions about your eligibility to pay international fees please contact our Fees Assessment Officers at feestat@liverpool.ac.uk.

Living Costs

We estimate that a single person will need a minimum of £9,207 per year to cover the cost of living on an annual basis. If you are planning to bring your family with you then your living costs will increase. This amount may change with new Government guidance - our website will be updated with the latest information.

[You can find out more about maintenance amounts on our website.](#)

Fee deposits

As an overseas applicant for postgraduate taught study, you are required to pay a tuition fee deposit to confirm your intention to study at the University. A deposit is required before the University will issue your CAS, and after you have received an unconditional offer and accepted this. The deposit amount is £2,000 and it will be deducted from your tuition fee when you register in September.

If the deposit is not received, you will not receive a CAS and your offer may be withdrawn. Fee deposit deadlines can be

found in the below link, which are dependent on the course you will be studying.

The University's approved payment provider is CIBC. You should make a payment at the payment portal <https://pay.cibc.com/liverpool>. You will need your University reference number, which can be found at the top of your offer email.

If your tuition fees are fully funded by a third-party sponsor (a government sponsor, charity, US Federal Loan, commercial organisation, international organisation) or you have been awarded a full scholarship, you must provide written evidence of this or a CAS will not be issued.

Fee Deposit Deadlines

Study costs

Liverpool is among the most cost-effective student cities in the UK. You may have some day-to-day costs of studying such as printing, buying books and specialist equipment, or going on field classes. These costs will differ depending on your programme of study and your preferences.

[Information about some of the additional costs associated with studying can be found here.](#)

Scholarships

The University offers a range of scholarships and study awards to support postgraduate students. If awarded, scholarships are usually issued by way of a reduction to your tuition fees. Amounts and eligibility criteria for scholarships and awards vary.

[You can find information about the different scholarships available on our website.](#)

CAS and Student Visas

You will receive further information about your CAS only when you have received and accepted an unconditional offer. The Admissions Team will issue a CAS statement no more than 6 months prior to the start date of your programme, as it has a limited validity period. Please note that you will need to meet the requirements set by UK Visas and Immigration.

You will be required to pay an Immigration Health Surcharge (IHS) in order to access the UK's National Health Services in the same way as a UK resident would. The IHS cost is £470 per year. The IHS is payable in full when you apply for your visa. If your visa application is unsuccessful the surcharge payment will be refunded in full.

[More information about visas, maintenance and the health surcharge](#)

Discontinued or modified programmes

Whilst the University makes every effort to be able to provide the programmes that it has advertised, there are sometimes occasions when we are unable to offer a programme in an academic year. In some cases, the University may continue to offer a programme, but its content or title may be significantly different from the description of the programme in the University's materials. Where either of these eventualities occur, you or your nominated representative will be contacted straight away to explore the options that are available.

[Further details on this are available in the Admissions Policy.](#)

Appeals and complaints procedure

We really hope we have met your expectations so far, and that we continue to do so, but if you are unhappy with your experience there is information about our appeals and complaints policy.

FAIG CONSTAR:

Que aquest document té un caràcter informatiu, i s'expedeix únicament a l'efecte de tramitació de la documentació de matrícula del curs acadèmic 2023/2024 pels estudis de màster universitari impartits a la UAB.

Que, de conformitat amb el REAL DECRET 822/2021, de 28 de setembre i les seves modificacions, pel qual s'estableix l'ordenació dels ensenyaments universitaris oficials a Espanya, d'acord amb l'Espai Europeu d'Educació Superior (EEES):

- els títols oficials s'estructuren en tres cicles acadèmics: el grau, el màster universitari i el doctorat
- els estudis dels tres cicles acadèmics són verificats i acreditats prèviament a la inclusió en el Registre d'Universitats, Centres i Títols, seguint les directrius del Sistema de Garantia Interna de Qualitat (SGIC), dissenyat per la UAB i acreditat per l'Agència per a la Qualitat del Sistema Universitari de Catalunya (AQU) per assegurar la qualitat al llarg de la vida de la titulació. Aquest sistema es combina amb un procés cíclic d'avaluació externa de títols, que permet supervisar l'execució dels ensenyaments i informar a la societat sobre la seva qualitat.
- els màsters universitaris són estudis de segon cicle que permeten una formació avançada, tenen una duració fixa d'entre 60 crèdits ECTS (un curs acadèmic a temps complet) i de 120 crèdits ECTS (dos cursos acadèmics a temps complet), superats els quals s'obté el títol de màster universitari per la UAB, expedit, en nom del rei, pel rector/a de la Universitat.
- els crèdits ECTS (European Credit Transfer System) són l'estàndard adoptat per totes les universitats de l'EEES per garantir la concordança de les titulacions i facilitar el reconeixement dels estudis i la mobilitat dels estudiants. Els crèdits ECTS es basen en el còmput del treball personal total de l'estudiant, essent un crèdit ECTS l'equivalent a 25 hores de dedicació de l'estudiant. Així un curs acadèmic a temps complet correspon aproximadament a 1.500 hores de dedicació anual.

Que la Universitat Autònoma de Barcelona té un gran prestigi internacional, tant per la qualitat de la docència, com per la innovació en investigació, se situa en la posició 213 del rànquing mundial, en la 91 a nivell europeu segons el QS WUR 2021; en la posició 182 a nivell mundial, en la 84 a nivell europeu i en la 2a espanyola segons el The World University Ranking (The WUR 2021); i entre les posicions 201 i 300 del món i la 2a espanyola en la classificació que confecciona la Universitat Jiao Tong de Shanghai (ARWU 2019).

Que els preus públics dels ensenyament conduents a l'obtenció dels títols universitaris oficials de grau, màster universitari i doctorat:

- són aprovats anualment, segons estableix la Llei 1/2003, de 19 de febrer, d'universitats de Catalunya, pel govern de la Generalitat de Catalunya, mitjançant la publicació del decret pel qual es fixen els preus dels serveis acadèmics a les universitats públiques de Catalunya.

Orientativament, durant el curs 2022/2023 el preu d'una matrícula de màster universitari a temps complet va ser de 2.907,50 a 10.680,00 euros per a estudiants nacionals d'estats membres de la Unió Europea i per aquells a qui és d'aplicació el règim comunitari, i de 4.319,07 a 10.680,00 euros per la resta d'estudiants, amb l'excepció dels programes internacionals Erasmus Mundus, que tenen el seu propi règim de preus.
- podeu consultar-los al web dels Màsters Oficials a partir de l'1 de juliol de 2023.

Que el curs acadèmic comença de forma general el 9 de setembre de 2023 i finalitza el 8 de setembre de 2024.

This procedure, together with a cyclical external evaluation process of the qualifications, allows the monitorisation of the studies and provides society with the information about their quality.
- master's degrees are second cycle degrees that provide advanced education with a scope of 60 ECTS credits (corresponding to one academic year) to 120 ECTS credits (corresponding to two academic years), upon graduation the student is awarded with a "master's degree" by the UAB, diploma issued, on behalf of the King of Spain, by the Rector of the University.

ECTS credits are based on the total workload students need to do, where one credit corresponds to 25 hours of work. Thus, a full-time academic year amounts approximately to 1,500 hours.

Accompanying Information and Conditions of Offer

University Laws

1. In accepting an offer of a place at Cranfield University you are agreeing to comply with:
 1. the provisions of all the Laws of the University that concern registered students
 2. the documents which are referred to in the Laws and which supplement them, including the General Student Handbook, which is issued annually
 3. the terms and conditions of this document ('these terms')

You are strongly advised to read these terms and the General Student Handbook before accepting an offer of a place at Cranfield.

2. In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
 1. under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act
 2. in respect of freedom of speech pursuant to the Education (No 2) Act 1986.

These legal duties can change if the law changes.

3. The Laws of the University can be found at:

www.cranfield.ac.uk/about/governance-and-policies

The General Student Handbook along with other Senate Handbooks can be found at:

www.cranfield.ac.uk/about/governance-and-policies/quality-assurance

The University's Student Protection Plan can be found at:

www.cranfield.ac.uk/studentprotectionplan

Please note that the Laws of the University, the General Student Handbook, the Student Protection Plan and the documents which are referred to in the Laws may be updated periodically to reflect best practice or to improve the running of the University and the student experience. You are required to abide by such changes whilst you are a registered student.

Payment of Tuition Fees

4. Tuition fees are payable annually in advance.^[1] Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided by a sponsor acceptable to the University on your behalf in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration. You cannot abrogate this personal liability to your sponsor.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not

increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

6. For some part time taught courses the tuition fee comprises an annual registration fee and a fee for each taught module. The first year's registration fee must be paid on or before initial registration and thereafter on an annual basis at the beginning of each year of study. Fees for each taught module will be invoiced individually when the module is attended.
7. For some research courses, an Additional Fee Element will be payable in addition to the published research tuition fee. The Additional Fee Element covers additional costs associated with, for example; programme management support, support from specialist laboratory technicians, access to specific technical equipment, facilities and analytic equipment. The Additional Fee Element, where applicable, will be outlined in the course offer letter and must be paid on an annual basis at the beginning of each year of study.
8. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding.
9. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
10. The tuition fee does not include accommodation costs, or materials required of you for your private study.
11. Failure to pay your tuition fee may result in the early termination of studies: there is no right of appeal against the decision of the University under these circumstances.
12. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee, save at the discretion of the University as provided for in the Student Protection Plan. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.
13. A deposit may be required to secure a place on some courses following acceptance of offer. Details of which courses require a deposit can be found on our web pages and are outlined in the course offer letter. Deposits will be offset against the tuition fee and are usually non-refundable, except in certain circumstances outside of a student's control. Guidance on the circumstances in which the University is able to refund a deposit can be found at www.cranfield.ac.uk/study/taught-degrees/fees-and-funding.
14. For Level 7 Apprenticeships (Masterships®), levy paying employers may use their apprenticeship service account to fund your training course, up to the funding band maximum. Non-levy paying employer accepted by the University, may arrange co-investment whereby the employer pays a percentage of your training course, up to the funding band maximum, with the remainder being financed by the Government. All employers, whether levy paying or non-levy paying are liable to pay to Cranfield University any amount charged which are above the funding band maximum (Top-up Fees), as well as any payment for the re-sit of your end-point assessment (if required) and/or any fees incurred by the End-Point Assessment Organisation in relation to such re-sit. Please note that your employer must connect to the Education and Skills Funding Agency (ESFA) Digital Apprenticeship Service (DAS) by a specific cut-off date to be advised upon by the University at a later date and shall be liable for the full or part of your training fee which cannot be recovered by the University from the ESFA. Further information with regards to financing an apprenticeship can be found at <https://www.cranfield.ac.uk/about/masterships/employers-financing>. You and your employer must observe the ESFA Funding Rules during the whole period of your training - <https://www.gov.uk/guidance/apprenticeship-funding-rules>. The ESFA requires the establishment of an agreement between the employer and the University. We therefore require that your employer signs our Mastership Agreement, which sets out our relationship. The ESFA also requires the establishment of a tripartite Commitment Statement between your employer, you and the University, and an Apprenticeship Agreement between yourself and your employer. The University require a signed copy of all such agreements before the start of the training. Copies of our legal forms are available to

Other Expenses

15. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration in your offer letter. Any offer of a Post Graduate Research Studentship is subject to the acceptance of the University's studentship terms and conditions.

Intellectual Property Rights

16. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
17. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University.^[2] The University will not withhold permission to publish your work unreasonably.

Duration of Study

18. The dates in your offer letter indicate the 'defined period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students and students taking short courses for credit, this represents the maximum period of time within which the University would normally have expected you to complete all elements of the course. An extension to the period of study will always incur additional tuition fees (see paragraph 8).
19. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

Period of Offer

20. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 21, 22, 23 and 27).

Withdrawal of Offer

21. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
22. The University may withdraw the offer if a deposit required to secure a place on the course is not paid by the deadline outlined in the course offer letter.
23. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This may happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory

environments, including UK government public health advice, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

Right to Cancel

24. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded. After that date any deposit paid may be forfeit subject to the discretion of the University.

Proof of Identity and Qualifications

25. On registration, you must provide proof of your identity, which is normally limited to your passport, or original birth certificate with a form of photo identification. You must also provide proof of your right to study in the United Kingdom, and proof of your academic and professional qualifications.

Permission to Study in the UK

26. If you require a visa or similar permission (for example an Academic Technology Approval Scheme certificate) to study in the UK, you must ensure that you have the correct visa or permission and that you abide by its terms. If you do not have the correct visa or permission, or if you do not comply with its terms, this may result in the early termination of your studies and registration. It is your responsibility to ensure that you have the correct visa and permissions.

Permission to Study at the Shrivenham Campus

27. If you have applied for a course at the Shrivenham Campus your offer (and registration) is subject to on-going appropriate security clearance to attend a UK Ministry of Defence (MOD) site. This will also apply to any modules or part-modules at the Shrivenham campus that are otherwise part of courses mainly delivered at the Cranfield campus. Generally this clearance is in line with the national BPSS^[3] protocols (or equivalent) but may be revised from time to time dependent on national security requirements. Inability to access the Shrivenham Campus will result in a withdrawal of offer or, if already registered, a termination of registration. In the case of courses delivered at the Cranfield campus, it may result in a reduction of the choice of modules available. You should also note that personnel in financial debt to the MOD will also be refused entry to the site until such debts are settled.

Data Protection

28. The University will need to process your personal information (whether supplied by you or by third parties) to process your offer and (if you register as a student of Cranfield University) to manage your student record and student experience. This will include the University sharing your data with other bodies where this may be required for managing your experience and for statutory or other legal reasons.
29. Your attention is drawn to the University's Data Protection and Privacy Policy contained in the Senate General Student Handbook. This includes further detail on data sharing with other bodies.

Support for Students with Disabilities or Learning Difficulties

30. If you think that you are likely to require any support because of a disability and/or learning difficulty while you are on the course, you are strongly advised to contact the University for further advice or guidance. All requests for support will be considered in line with the criteria for 'reasonable adjustments' as outlined in the Equality Act 2010. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

Proper Law and Jurisdiction

31. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

Changes to the Advertised Academic Provision

32. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
33. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Whilst the University makes every effort to keep changes to a minimum, printed literature may become out of date and you should check the website for up to date information. The University will make every effort to provide the course as outlined in the prospectus of the University at the time of offer, subject to paragraph 34 below.
34. The University reserves the right to make variations due to circumstances outside of its control (including but not limited to unplanned absences of key members of academic staff, and changes to external regulatory environments including UK government public health advice), and will make every effort to minimise any disruption to the student experience. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

Limitation of the University's Liability to You and Others, and Matters Outside Your or our Control

35. Nothing in these terms shall limit the University's liability to you:
 1. for death or personal injury resulting from negligence (as defined in the Consumer Rights Act 2015);
 2. for fraud or fraudulent misrepresentation;
 3. under the Equality Act 2010;
 4. under section 57 of the Consumer Rights Act 2015.

References to legislation include reference to any amendments, extensions or re-enactments of such legislation.

36. Subject to paragraph 35 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
37. For the purposes of paragraphs 35 and 36 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. Otherwise, neither party intends that any of these terms will be enforceable by any third party.
38. Neither you nor the University shall be liable to the other arising from matters outside of your or the University's control and which could not have been foreseen or prevented even if you or the University had taken reasonable care. This includes but is not limited to: strikes, other industrial action, staff illness, severe weather, fire, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not), natural disaster, restrictions imposed by government or public authorities, epidemic or pandemic disease, or failure of public utilities or transport systems.

[1] This statement does not apply where payments are made by sponsors who have made alternative arrangements with the University. This includes Military Students attending Cranfield Defence and Security and some other partners.

[2] In the case of programmes that are part of the Academic Provider Contract the Intellectual Property Rights are normally assigned to and vested in the Ministry of Defence.

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specialised above. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). If you have not received this email and wish to pay your deposit, please contact your agent who will obtain the 'Applicant ID' from the university.

To accept or decline this offer please reply to accepts@gre.ac.uk within 28 days to let us know. If you do not reply within 28 days, then we may be unable to guarantee your place, as it may be offered to another applicant. Please ensure that you include your Applicant ID in your response.

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at <https://www.gre.ac.uk/finance/fees> or by contacting international@gre.ac.uk

For students assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Academic Technology Approval Scheme (ATAS)

You are required to have an ATAS certificate before you can study on this programme. You will need an ATAS certificate if you are not from the EEA, or do not hold permanent residence (Indefinite Leave) in the UK. If you need a student visa, you must apply for your ATAS certificate before you apply for your student visa as you will need to include it with the supporting documents for your visa application. For more information please visit our website <http://www.gre.ac.uk/visa/before-you-arrive/atas>.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at <http://www2.gre.ac.uk/current-students/regs/?a=1441173>.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at <https://www.gov.uk/browse/visas-immigration/student-visas>

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link <http://www.ukcisa.org.uk/>

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at. Our Maritime Greenwich and Avery Hill Campuses are 'in London' and our Medway Campus is 'outside London'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid

the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the

admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January programmes). This discount is not available for programmes run in our Medway School of Pharmacy and pre-sessional English language programmes.

Part 2: Identity and Qualification Checks: This is where you will show a member of staff your passport, proof of your visa and the original of your qualifications stated in your CAS statement (including authorised translations if not in English). These must be original documents and not photocopies.

Our international team will be happy to answer any questions you may have, please email international@gre.ac.uk. We look forward to welcoming you to the University of Greenwich and wish you every success in your studies.

By law, all students are obliged to present a **valid health insurance for enrollment** to one of the statutory health insurance providers in Germany. **This is a requirement by law.** The statutory health insurance provider then informs Hof University about your insurance status in a prescribed electronic manner, even if you have a private health insurance. **Without this step, enrollment is not possible.** Please follow the process explained in detail here: <https://bit.ly/3OWo846> . The health insurance process must be completed before departure to Germany if you are currently living abroad.

1. Contact any German statutory health insurance provider and inform them about your prospective enrollment at Hof University. List of statutory health insurance providers: <https://www.krankenkassen.de/gesetzliche-krankenkassen/krankenkassen-liste/>
2. Obtain a valid certificate from your insurance or take out a health insurance and submit the certificate to the statutory health insurance provider (also if you have a private insurance!).
3. The statutory health insurance provider informs Hof University about your insurance status. Without this information, you will NOT be enrolled (and will not receive your student access data)! Please do NOT send your insurance certificate/information to Hof University directly as this can NOT be accepted!

Information for international students only:

We offer **an intensive online guide for international students** via our moodle platform with plenty information on the necessary steps such as visa application, health insurance process, accommodation, enrollment, and orientation phase. After successful login, please access this course: [“Online Guide International Students”](#) (shows up on the main page after login).

Prior to the semester start, there will be a **(partly online) orientation period starting September 22, 2022**. During this period, we offer assistance in administrative German bureaucracy and university procedures as well as **Intercultural Trainings and Academic Writing sessions (both mandatory!)**. More information you will find in our moodle guide in due time. Further, our [Housing Office](#) supports international students in finding accommodation in the city of Hof or Münchberg. Please note that this support is based on capacities and **only available to students following the housing application process as explained in our moodle guide**.

In case you need a visa, we ask you to start the application and book your appointment at the embassy immediately. Please be aware that delayed visa application may postpone your studies to the next semester!

Passport Number: P2897446

Date of Birth: 12/11/1999

Programme Offered: Engineering Management with Industrial Practice MSc

Academic and English Language conditions: Unconditional

Mode of Attendance: Full Time

Start Date: 13/09/2021

Duration of Programme: 2 years

Campus: Medway

Campus Location: Central Avenue, Chatham Maritime, Kent ME4 4TB

Tuition Fee for Year of Offer: £18000

Financial Condition: Minimum pre registration deposit of £3000 (See conditions below):

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specialised above. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). If you have not received this email and wish to pay your deposit, please contact your agent who will obtain the 'Applicant ID' from the university.

To accept or decline this offer please reply to accepts@gre.ac.uk within 28 days to let us know. If you do not reply within 28 days, then we may be unable to guarantee your place, as it may be offered to another applicant. Please ensure that you include your Applicant ID in your response.

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at <https://www.gre.ac.uk/finance/fees> or by contacting international@gre.ac.uk

For Ds assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at <http://www2.gre.ac.uk/current-students/regs/?a=1441173>.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at <https://www.gov.uk/browse/visas-immigration/student-visas>

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link <http://www.ukcisa.org.uk/>

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are 'in London' and our Medway Campus is 'outside London'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January

programmes). This discount is not available for programmes run in our Medway School of Pharmacy and pre-sessional English language programmes.

Part 2: Identity and Qualification Checks: This is where you will show a member of staff your passport, proof of your visa and the original of your qualifications stated in your CAS statement (including authorised translations if not in English). These must be original documents and not photocopies.

Contact Us

Our international team will be happy to answer any questions you may have, please email international@gre.ac.uk. We look forward to welcoming you to the University of Greenwich and wish you every success in your studies.

Dear Balram Bhanu Iyengar:

I am pleased to inform you that you have been accepted for graduate study at the University of Massachusetts Amherst. This acceptance is in the Master of Science in Business Analytics program in the Isenberg School of Management. Congratulations!

You have been accepted for the Fall 2023 semester. Unless your academic department agrees to postpone your enrollment, admission for any other semester would require a new application.

An official copy of your final undergraduate transcript indicating receipt of your degree should be sent to this office as soon as your undergraduate work is complete. If your transcript does not clearly indicate the awarding of your degree, with the degree title and date awarded, we need the diploma and/or degree certificate in addition to the official final transcripts. You must submit these materials before the University of Massachusetts Amherst will allow you to formally begin your graduate studies.

We encourage you to log in to SPIRE to accept this offer of admission, defer your decision to no later than April 15, or withdraw your application. After entering SPIRE, click on the 'Main Menu' item on the upper left hand side of the screen and select the 'Admissions' item. Then select the 'Student Center for New Graduate Students'. There is a confirmation status section that will allow you to inform the Graduate School of your enrollment plans. It is important that you log in and select one of these options to inform us of your decision.

Questions concerning assistantships and other program related matters should be addressed to the Isenberg School of Management; other questions may be referred to the Graduate Student Service Center.
