Event Title:	Workshop on Short film making
Resource Persons:	Ms. Aruna Raje, Five times national award winner, Film maker, FTII Pune
Event Objective:	<ul style="list-style-type: none"> To showcase the best in independent filmmaking. The film fest will provide a platform for filmmakers to share their work with a wider audience and to compete for awards. To promote and support the arts. The film fest will help to raise awareness of the importance of the arts and to provide opportunities for people to experience them. To inspire and educate. The film fest will offer educational opportunities for filmmakers and audiences alike. This could include workshops, panels, and discussions on topics such as film history, production, and distribution. To build community. The film fest will create a space for people to come together and celebrate the art of film. This could include networking events, social gatherings, and screenings of films from different cultures and backgrounds.
Students Outcome from the Fest	<ul style="list-style-type: none"> Increased creativity and storytelling skills. By participating in the film fest, students will have the opportunity to develop their creativity and storytelling skills. They will learn how to write, shoot, edit, and produce films, and they will have the chance to share their work with a wider audience. Improved technical skills. Students will also have the opportunity to improve their technical skills by participating in the film fest. They will learn how to use different

film equipment, and they will have the chance to collaborate with other students on film projects.

- Networking opportunities. The film fest will provide students with networking opportunities with other filmmakers, industry professionals, and film enthusiasts. This can help students to learn more about the film industry and to make connections that could help them to advance their careers.
- Confidence boost. Participating in the film fest can be a confidence boost for students. They will have the opportunity to showcase their work to a wider audience, and they may even win awards for their films. This can help students to feel more confident in their abilities as filmmakers.
- Sense of community. The film fest can also help students to feel a sense of community. They will have the opportunity to meet other students who are interested in film, and they will be able to share their experiences and learn from each other.
