About IGNOU (NAAC A++ Central Univerity)

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build an inclusive knowledge society through inclusive education. It has tried to increase the Gross Enrollment Ratio (GER) by offering high-quality teaching through the Open and Distance Learning (ODL) mode. Today, it serves the educational aspirations of over 3 million students in India and other countries through 21 Schools of Studies and a network of 67 Regional Centres, around 2,000 Learner Support Centres and 20 overseas institutions.

IGNOU, the National Resource Centre for Open and Distance Learning (ODL), with international recognition and presence, shall provide seamless access to sustainable and learner-centric quality education, skill upgradation and training to all by using innovative technologies and methodologies and ensuring convergence of existing systems for massive human resource required for promoting integrated national development and global understanding. IGNOU is one of the national coordinator of SWAYAm and SWAYAM Prabha.

About Centre for Online Education (COE)

Centre for Online Education (COE) endeavors to make IGNOU a global leader in digital learning with world class technology enabled learning experiences and support services. The vision is to align with the nation's digital initiatives to provide for affordable access to quality education through virtual learning environment for anyone, anytime and anywhere. The Centre is involved in the process improvement and service enhancement through automation and digitization in line with digital initiatives of the nation to provide high quality education to all at their doorsteps.

About AICTE-ATAL Academy

All India Council for Technical Education (AICTE) through its newly established AICTE Training And Learning (ATAL) Academy have started unique faculty development programs in various thrust areas of modern technology. ATAL Academy successfully conducted 5 days face to face 190 FDP (Faculty Development programs). The training programs were well received throughout the country with participation from premier institutions like IITs, NITs, IIITs. ATAL Academy have also included 15 FDPs on blended learning and flipped classroom which is very important in post covid-19 scenario as to teach participants how to conduct classes in virtual mode and make them comfortable taking online exams and assignments. In the backdrop of announcement of National Education Policy (NEP) 2020, ATAL Academy is working in the direction of NEP, keeping in view the values and morals of Indian Education System. This is the largest online FDP program in India where more than 40% female participants have joined.
